## Minister's introduction

Wheatbelt South KidSport is a partnership between the Department of Sport and Recreation and the Wheatbelt South KidSport Shires.

This program is important because we believe that all kids should have the opportunity to take part in sport and recreation. Yes, because it is fun, but just as importantly, participation in sport and recreation gives your child a better chance of doing well at school and being physically and mentally healthier.

This program will pay up to \$200 towards the club fees for children whose families could not normally afford it.

**Hon Terry Waldron MLA**  
Minister for Sport and Recreation

## What is KidSport?

**KidSport will make it possible for Western Australian children to participate in community sport and recreation, no matter their financial circumstances. KidSport will allow eligible youth aged 5-18 years to apply for financial assistance towards club fees. The fees will go directly from the Wheatbelt South KidSport Administrator to the registered KidSport clubs participating in the project.**

## If your children are joining a club, why not join as well and volunteer?

- You will be doing something to help your kids.
- It will bring the family closer.
- You will learn new skills.
- It's fun!
- Some of your club mates will become your best mates.

## How do I get involved?

- Step 1** - Complete the 'voucher' and submit it to your town/shire to be validated.
- Step 2** - The town/shire will return the voucher to you.
- Step 3** - Submit the voucher to the club when registering.
- Step 4** - The club will invoice the Wheatbelt South KidSport Administrator for the cost of fees up to \$200 per child.

- Maximum of up to \$200 per child per calendar year.
- Fees are only for the nominated registered season.
