MONDAY 3rd May 2021

Community News

Watershed News will be holding their AGM on Friday 14th May @ 9.30am in the Watershed News room. Members are urged to attend and the meeting is open to all who wish to attend.

Birthday wishes to Ashleigh Tetlow-Dunn, Damien Orchard, Dossie Fleay, Denise Corke, Phillipa Gardener, Sam Jespersen, Bree-anna Pike, Suzie McDougall, Greg Snow, Danika Butler, Gavin Fleay, Clinton Hemley, Ken Heaney, Lily Dunn.

Sincere sympathy to Rex Bergin and family on the loss of Rex's sister at Moora. The funeral is this Thursday 22nd April at Moora.

Cheerio to Phil Watson who has had a short stay in Narrogin Hospital after a couple of falls.

Don't forget to save your bread tags and bring them into the CRC. There is a collection box in the reception area. The tags are recycled to raise funds to buy wheelchairs for disadvantaged people in South Africa.

Jasmin and Georgia Ellis competed in the Geraldton Speedway F125 State Titles over the Easter weekend. Georgia won the State title for the Junior division and is now the proud holder of WA1 title and some massive trophy's like her sister in 2019.

Jasmin came in 12th in the Senior division after an average night. After a hot and dusty weekend we returned home to unpack, fix and reload for more racing the next weekend where Georgia placed 1st again at Narrogin.

Geraldton City Speedway

Congratulations to #33, Georgia Ellis for winning the 2021 Junior F125 State Title.

Best of luck to Phillipa Ellis who will be assisting at the Corrigin swimming pool as a relief while the manager of the pool is on a well deserved holiday. (A job well done at the Wickepin pool Phillipa).

Happy Farmers!! In just 2 days, rainfall recorded at the Wickepin Post Office measured 34.6 mls. Best wishes for your seeding programme.

THANK YOU!

From Sue Richards

Thank
You

Thank you to my darling daughters who said they were taking me out to lunch in Pingelly – something different so wear your “glad rags”. Different, oh yeah **“SURPRISE”** – They took me out to lunch, but the surprise was the crowded room. People everywhere

and from everywhere, Wongan Hills, Toodyay, Esperance, Wickpin, Narrogin, Quairading, Pingelly, Yealering, and surrounding areas of Perth (Kingsley, Greenwood, Lesmurdie and Maylands) Bless you all. Thank you, all of you and my amazing family too, God bless you.

Apparently, my daughters who had arranged all of this between themselves, told people no presents but your presence. If you want to give something she needs money for her next adventure. When I heard this, I thought it was rather rude but it explained why my birthday cards had money or scratchies in them.

My thanks to those who couldn't come, thank you for all your sincere thoughts and your generosity. Bless you.

Thanks to the Pingelly PRACC ladies for a lovely meal.

Well my lovely friends God bless you all and keep you safe, with everyone's generosity I received \$2000! WOW WOW WOW!

Sue Richards

LADIES AND GENTLEMEN!

Imagine your next party, business event, or poets and artists etc. Think Pavilion or large rotunda in place of old playground by the Facey house over the road from Jeans

Think about it! Chat it up! Get in ready for the next Townscape meeting in June.

This eye catching creation can be augmented with local timbers hand turned by local experts.

We definitely do need a Pavilion as a weather break and Venue to facilitate and activate the Facey house.

Please leave your ideas and feedback at Wickpin CRC.

ANZAC DAY 25TH April 2021

What is Anzac Day?

Anzac Day, 25 April, is one of Australia's most important national occasions. It marks the anniversary of the first major military action fought by Australian and New Zealand forces during the First World War.

What does ANZAC stand for?

ANZAC stands for Australian and New Zealand Army Corps. The soldiers in those forces quickly became known as Anzacs, and the pride they took in that name endures to this day.

Why is this day special to Australians?

When war broke out in 1914 Australia had been a federated nation for only 13 years, and its government was eager to establish a reputation among the nations of the world. When Britain declared war in August 1914 Australia was automatically placed on the side of the Commonwealth. In 1915 Australian and New Zealand soldiers formed part of the expedition that set out to capture the Gallipoli peninsula in order to open the Dardanelles to the allied navies. The ultimate objective was to capture Constantinople (now Istanbul), the capital of the Ottoman Empire, an ally of Germany.

The Australian and New Zealand forces landed on Gallipoli on 25 April, meeting fierce resistance from the Ottoman Turkish defenders. What had been planned as a bold stroke to knock Turkey out of the war quickly became a stalemate, and the campaign dragged on for eight months. At the end of 1915 the allied forces were evacuated from the peninsula, with both sides having suffered heavy casualties and endured great hardships. More than 8,000 Australian soldiers had died in the campaign. Gallipoli had a profound impact on Australians at home, and 25 April soon became the day on which Australians remembered the sacrifice of those who died in the war.

Although the Gallipoli campaign failed in its military objectives, the actions of Australian and New Zealand forces during the campaign left a powerful legacy. What became known as the "Anzac legend" became an important part of the identity of both nations, shaping the ways in which they viewed both their past and their future.

My Aged Care

A guide to accessing aged care services

As you get older, living independently in your own home can become more challenging. If you are finding it harder to do the things you used to, ask for help from My Aged Care! Asking for help does not mean losing your independence. Getting support with your daily activities means you can stay independent in your own home for longer. Your GP or local health service can assist you with this process, if needed.

Step one: Learn about the different services available

- meals and other food services
- personal care services
- nursing care services
- Allied Health/therapy services
- short-term care
- domestic assistance
- home and garden maintenance
- home modifications/goods, equipment and assistive technology
- transport services
- social support services.

Step two: Apply for an assessment

Contact **My Aged Care** either online at myagedcare.gov.au or over the phone on 1800 200 422. You will need your Medicare number for this. They will confirm your eligibility for an assessment.

Once your eligibility and needs have been confirmed, you may receive an in-person assessment from:

Low Care - Regional Assessment Service (RAS) for services provided through the Commonwealth Home Support Program (CHSP).

Higher Care - Aged Care Assessment Team for a Home Care Package or residential aged care. You will be notified of your assessment outcome by letter.

Step three: Find a provider that is right for you and arrange your services

If you are approved for CHSP services, your local CHSP provider will contact you to commence services. The services that CHSP can provide will depend on their funding and staff availability.

If you are approved for a Home Care Package, you will be placed on a waiting list and contacted by letter when a package becomes available in your area. CHSP services will be put in place and will continue until a package is made available to you. If you are having difficulty finding a package provider, contact the Wheatbelt Aged Care Unit on 9690 1318 or email WACHS-WheatbeltACAT@health.wa.gov.au.

Step four: Manage your services

Once you are receiving services, there may be times when you need to make some changes to them. Your care needs may increase, or you may have regained some aspect of your independence and no longer need a particular service. If these changes occur, please discuss this with your service provider.

Calling all Music Makers of Pingelly and the Great Southern Wheatbelt

We warmly invite you to come join us at the Pingelly Country Collective on Saturday 24 April and be a part of our Country Chorus Concert and family music workshops.

The Country Chorus programme is designed to grow musical learning and collaboration between students at MLC Claremont and within regional Western Australia. It is free for schools to join the programme and we will distribute all of the relevant information and music materials. We have selected music that is simple and easy for all to learn.

This inaugural event, held at the Pingelly Recreation and Cultural Centre (PRACC), will feature the Pingelly Shears, Sheep Dog Trials, Market Stalls and music-making workshops run by MLC staff and students. The workshops will allow participants to trial African Drumming, Balinese Gamelan, amongst other fun and child friendly musical activities. The day will also include performances by our MLC Jazz and Symphony Orchestras along with a special Country Chorus concert by MLC musicians and students from schools across the region. This unique and entertaining event is set to be a fun-filled day out for the whole family.

On Saturday 24 April students will need to arrive at the PRACC by 9.45am for a 10am rehearsal. The Concert will run from 12-1pm and then from there you can explore the stalls and other areas on show.

This is sure to be a great day where students will have the opportunity to sing and play together, making new friends from across the region, as well as MLC.

Please do not hesitate to contact me if you have any questions about the programme. I look forward to hearing from you or seeing you at the Pingelly Country Collective.

Kind regards
Director of Music, Robert Faulkner

St John

You don't have to get behind the wheel to help.

Responding to emergency calls is only one part of volunteering. St John volunteers perform other routine roles that don't involve driving an ambulance.

Wickepin needs volunteers who can help behind the scenes.

Volunteering with St John is easier than you might think. Our volunteers choose their own hours, because we know your spare time is important too. Non-clinical roles require a minimum commitment of only one hour per month!

There are a lot of roles that keep St John going, and a few of them are probably things you are already good at. If you would rather help out with administration or be on the committee, we'd love to hear from you.

See how you can help save a life without leaving the St John centre

Secretary - taking minutes at bi-monthly committee meetings, directing information to the volunteer group, arranging correspondence.

10 hrs/month

Treasurer - reconciling our finance system, processing local country ambulance subscriptions, preparing reports for the committee.

10 hrs/month

Committee Member / Chairperson - assisting to govern our sub centre, provide leadership and direction, chair bi-monthly committee meetings.

20 hrs/month

You will be supported by St John Regional Office and be eligible for volunteer benefits

KIDS CORNER

We'll start by making the wings. You can have the kids trace around their hand on a colourful piece of paper. Cut out the hand outline. We made 2 pairs of handprints for this one, one pair in blue and one pair in orange. Apply glue on the palm part of the handprint...And stick it Inside the frame.

Do the same with the remaining wings.

Draw and cut out a body of a butterfly and apply glue to the back and stick it on the frame – between the pair of handprint butterfly wings.

Last but not least, stick a photo inside the butterfly's head.

New in at WICKEPIN PUBLIC LIBRARY

Adult Fiction Mandy Magro - Riverside Ridge

After making a mistake that felt like the end of the world to her teenage self, Nina Jones fled the small town of Huntingvale. Now sixteen years later her beloved adoptive mother, Bea, has passed away, forcing Nina to return and decide whether to sell her family home, Riverstone Ridge. But even though Bea can't be there to help her through it all, she's left Nina five letters, one sent a week, to finally share the secrets she'd been unable to reveal in life. For Logan Steele, Nina's return is the catalyst he's needed to finally move beyond his tragic past and start living again. But only if she stays. When mysterious and increasingly worrisome accidents start happening around the homestead, both Logan's cop instincts and his protective feelings toward Nina spur him to investigate. Will he be able to piece together the puzzle of the past in time?

And with dark family secrets emerging from Bea's last words rippling into the present day, how will Nina find the courage to be truthful to the one man who has always held her heart?

Adult Fiction John Grisham - Camino Winds

When Hurricane Leo threatens Florida's Camino Island, the Governor is quick to issue an evacuation order. Most residents flee but a small group of diehards decide to ride it out. Amongst them is Bruce Cable, proprietor of Bay Books in downtown Santa Rosa. The hurricane is devastating: homes and condos are levelled, hotels and storefronts ruined, streets flooded, and a dozen people are killed. One of the victims is Nelson Kerr, a friend of Bruce's who wrote timely political thrillers. But evidence suggests that the storm wasn't the cause of Nelson's death - he had received several mysterious blows to the head. Who would want Nelson dead? The local police are overwhelmed with the aftermath of the storm and in no condition to handle the case. Bruce begins to wonder if the shady characters in Nelson's novels were more fact than fiction. And somewhere on Nelson's computer is the manuscript of his new novel - could the key to the case be right there, in black and white? Bruce starts to look into it and what he finds between the lines is more shocking than any of Nelson's plot twists - and far more dangerous.

DVD Miss Scarlet & the Duke

Set in the same 1850's London society that gave rise to Jack the Ripper, this British detective drama features a fearless, independent heroine played by Kate Phillips (Peaky Blinders). With her inquisitive mind, Miss Scarlet has always been more interested in running her late father's detective agency than behaving like a proper lady. But nothing has prepared her for the dangers she is about to face as a woman in the murder investigation trade.

Non Fiction Stephen Scourfield - Isolation

Author and travel editor Stephen Scourfield is usually travelling the world from Europe to Africa, Asia to the Americas. But he returns home to contemplate the very nature of Western Australia. For isolation is the bedrock of this western third of the continent. It is the foundation stone of its remote country towns and communities and the frame around the isolated capital city of Perth. Isolation is as ingrained in its ancient history as it is in its unfolding narrative.

WICKEPIN BOWLING CLUB

The bowls season has come to an end with our Wind-Up on Friday evening 9th April where a good crowd enjoyed the evening and meal prepared and served by Christine Hill from Yealering. It certainly makes it special for the ladies especially when they do not have to prepare the meal or work in the kitchen. Championship presentations were made to all the winners and special thankyou to all the sponsors.
