Happy 94th Birthday Maxine  
With best wishes  
From the Watershed News Team

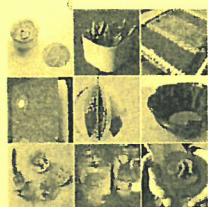

Maxine McIlvenie, who is our poet and long time contributor to Watershed News was born in Busselton on 20th October 1924, came to Wickepin with her family where her father was manager of the National Bank. Maxine attended the Wickepin Primary School for 4 years.

Birthday wishes to Steven Podmore, Louisa White, Irene Moore, Meg Wyllie, Barry Green, Rebecca Podmore, Elaine Bushby, Tasma Doncon, Gary Lang, Joanne Leeson, Kathy Bushby, Sigrid Matthews, BrodyBransby-Dunsford, Tom Bennier, Kaleb Bushby.

Sincere thanks to the ladies who assisted with catering at the recent Elders and Landmark sheep sales.

Marg Fleay, Helen Warrilow, Kathy Bushby, Marj White, Glen Doncon and Elaine Bushby all contributed to make it a successful fundraising day for the Anglican Church. Thank you also to Elders and Landmark for continuing to allow us to cater for the sales.

**ARTS & CRAFTS:** - New members are welcome to join our group. If you have a craft you are interested in or just want to check out what we do come on down any Wednesday and have a chat (and a cuppa). We have ladies with many different skills and if you have one you want to share, teach or get help with, we would love you to pop down. Some of the crafts we have done in the last year would be sewing (always) including patchwork; diamond dots; crochet & knitting; card making; drawing.

Congratulations to Leanne and Glenn Sands on their marriage which took place in Narembeen on the weekend.

On the 6th October Peta Robinson and John Bushby were married at the Facey homestead with a few family and friends. The day was beautiful and the bride and groom looked fabulous. Everyone who attended had a wonderful time. This was followed by a meal at the Duke in Narrogin.

Congratulations Mr and Mrs Bushby this is the beginning of your journey through life together there may be ups and downs but may your love continue to grow.

You only need two tools: WD-40 and Duct Tape.  
If it doesn't move and should, use the WD-40.  
If it shouldn't move and does, use the duct tape.

Everyone seems normal until you get to know them.

## 50<sup>TH</sup> COMMEMORATION ANNIVERSARY OF THE MECKERING EARTHQUAKE

John and Daphne McKenzie set off from Yealering early on Sunday morning of the 14<sup>th</sup> October 2018, in the misty rain, to attend the 50<sup>th</sup> anniversary celebrations of the Meckering earthquake 14.10.1968.

Narrowly missed a couple of kangaroos on their morning hop across the road.

Meckering had gone all out for the day catering for all ages, rides etc for the children, memorability for anyone else, food stalls galore and a pop up bar. Estimated 1000 plus attended dodging intermittent showers and trying to keep warm as the wind was relentless and extremely cold.

Launch of the "Richter Ale", a beer brewed from barley grown by a family in Meckering and transported to Esperance for brewing by the Lucky Bay Brewing Esperance, was hugely successful.

John and Daphne spent most of the time there reminiscing with siblings, friends, relatives and ex neighbours catching up with family news.

Di Darmody ABC interviewed some of the original survivors, who related their experience of the earthquake and how Meckering citizens gathered together after to help everyone overcome the trauma.

Footnote: John and Daphne lost their home in the Meckering earthquake.

The Railway Hotel in Meckering was destroyed by an earthquake in 1968. To ensure locals could still enjoy a beer, the Shell roadhouse was set up as a temporary pub selling beer that was reportedly "all shook up". Richter Ale was brewed for the 50th Anniversary of the Meckering Earthquake using barley grown and harvested in Meckering, by the Snooke family.

## CONGRATULATIONS WICKEPIN

You did it well! A lot of people worked for a long time to ensure the success of this weekend.

People had spent a week setting up the entries in the art competition .  
The shire workers prepared many areas around town that were used during the three days.

Friday night was the opening of the Arty Party. On arrival you were treated to a complimentary drink which was enjoyed while viewing the amazing art entries around the hall. Throughout the evening finger food was served by the waiters.

All the weekend there was the windblown lady at the front steps. She was created by Paul O'Neil who lives in Wickepin and she was the first of a few pieces by Paul.

Art judge local protégé Judith Lambert had a display in the old offices.

In announcing the winners of the various sections she gave details of the attributes of the entries and her reasons for her choices.

The \$5,000 acquisitive prize went to Carmen McFaull - "Crowd Pleaser" - acrylic - and this piece will be added to previous year's winners and displayed prominently around the shire.

In the supper room was a sample of our local photographer Barry Corke's work. Great to see the faces we know.

Saturday morning saw a lot of activity with people picking up their tickets for the open gardens. Thank you to Cara Borthwick, Ruth Bailey, Judy Lock, Joy Hemley, Kelly and Ashley Steere and Jo Doncon who kindly had their gardens open for people to view. About 100 people had tickets and went to morning tea with Kelly Steere at the old hospital and lunch at the Community Centre. Well done to the P & C for this initiative. Down in the main street there were lots of stalls and best of all a donut van.

The Avon and Hills CDC=2018 Albert Facey Memorial Armistice Parade came down the main street after having a drive around town. Great to see their version of Armistice with the soldiers, nurses and others in their war uniforms. They eventually parked their horses and carriages and came to lunch at the Facey Homestead where members of the Facey family was present to join them at lunch. Quite a few locals and visitors also came to lunch. After lunch the horse and carriages had their own competitions up at the school oval. On Sunday

morning their drive went to the Ten Mile where they had lunch. Thanks for the organisation goes to Libby once more.

Over at the She Shed He Shed buildings there was a great and growing display of Wickepin district photos. They also had their "Toolseum" open and they will always take donations of old materials for safe keeping and display.

Down the road a bit we had a working display of rope making and a few lucky children were able to help to make a skipping rope they were able to take home with them. Thanks Len Lewis.

On Saturday night there was the "Lamb and Lager" night up at the Community Centre.

Sunday saw the hall and art display open for the day with the Long Table Lunch in the Hall.

Many thanks to the wonderful people who provided food over the weekend.

Monday morning sees the last of the horse and carriage people leaving with the grounds left very neat and tidy.

All the Art organisers are back packing that which they unpacked last week.

I do not know of half the things that happened over the weekend as you could not see or do it all.

## FACEY FESTIVAL

What a weekend!

*Acquisitive Prize Winner  
Carmen McFaul 'Crowd Pleaser'  
(acrylic)*

The Facey Festival and Wickepin Art Prize saw hundreds of people pass through our little town. Our local groups put on a brilliant show. The Open Garden Day hosted by the Wickepin P&C was a hit with the busloads and cars that visited; The She Shed He Shed incorporating the Toolseum, display was well worth the visit; the History Group in the Town Hall and the old Railway Building, brought our past forward for us.

The Facey Homestead Committee created a beautiful lunch on the verandah for the extended Facey family and carriage drivers. The Wickepin Community Resource Centre ran a very successful community market along the main road on Saturday. Wickepin Football Club and Yealering Progress Committee had a ripping night on Saturday with their Lamb & Lager evening. The Wilson Brewery from Albany was an absolute hit and the lamb was tender and delicious.

The Art Prize opening night Arty Party and Feast on Art long table lunch were a sell-out and the hall looked spectacular. The calibre of art on show was extremely high with a wide representation of styles and form. We were certainly really lucky to be able to see such beautiful work in our shire.

The Avon & Hills Carriage Driving Club set up at the Community Centre for the weekend. Thank you to the local farmers for providing their sheep yards for the horses. An Armistice Parade by the club and funded by the Department of Veteran's Affairs was held through the main street of town, remembering our fallen, wounded and soldiers from WW1. Ten Mile Tennis Club created a haven for the carriage drivers on their long drive out to the tennis courts on Sunday.

Wickepin looked spectacular thanks to the hard work of the shire works crew. A massive thank you to the army of volunteers who run these events. A special mention for the weeks of work that they put in go to Linley Rose, Libby Heffernan and Robyn Spark who organised (and cajoled) and ensured the success of the weekend.

# COUNCIL NOTES 16 OCTOBER 2018

## FENCE LINE CLEARING

### **Can I Clear Native Vegetation Along My Fence Line?**

If you are the owner of the property, you may clear a strip along a fence line **within your property** to the width necessary to provide **access** to construct or maintain a fence, provided that the clearing, combined with other limited exempt clearing (under the Regulations) on the property, does not exceed five hectares in the financial year in which the clearing takes place.

A separate exemption exists for clearing between private property and Crown land (e.g. a road reserve), provided that the clearing on the Crown land is no more than 1.5 metres from the fence and is required to enable **access** to construct or maintain a fence. This exemption applies to the owner of the land on which the clearing is to take place or with the prior authority of the owner, therefore in the case of a road reserve, **written approval from your local Shire must be obtained prior to undertaking the clearing.**

These exemptions do not apply in environmentally sensitive areas.

The onus is on the land owner and any other person carrying out the clearing on their behalf, to ensure compliance with the *Environmental Protection Act 1986* (EP Act), regardless of any advice given by the Shire.

It is important to read the exemption as a whole which is made up of the following requirements or elements:

1. It authorises the clearing of native vegetation on Crown land along a fence line; and
2. The clearing can only be for the purpose of providing **access** to construct or maintain a fence between private property and Crown land; and
3. (as a limitation to these first two parts of the exemption) –the clearing can be no more than 1.5 metres from the fence line.

If the intended clearing does not satisfy all of these requirements then the exemption does not apply, and a clearing permit is required.

The following images provide examples of this exemption:

1. The cleared tree pictured above is within Crown land and is along a fence line; ☒
2. The cleared tree was preventing the property owner from being able to access and construct the new fence; ☒
3. The cleared tree is less than 1.5 metres away from the fence line. ☒

# COUNCIL NOTES 16 OCTOBER 2018

This clearing is authorised by the exemption.

1. The tree is within Crown land and is along a fence line; ☒
2. The tree does not prevent the owner from being able to access and construct the new fence; ☒
3. The tree is less than 1.5 metres away from the fence line. ☒

**The clearing of the tree would not be authorised by the exemption.**

1. The tree is within Crown land; ☒
2. The tree did not prevent the; owner from being able to access and construct the fence; ☒
3. The tree is more than 1.5 metres from the fence. ☒

**The clearing of the tree was not authorised, Clearing Permit required.**

1. The tree is within Crown land; ☒
2. The tree prevented the owner from being able to access and construct the fence; ☒
3. The tree less than 1.5 metres from the fence. ☒

**The clearing of the tree was authorised.**

1. The tree is within Crown land; ☒
2. The cleared tree did not preventing the property owner from being able to access and construct the new fence; ☒
3. The tree is less than 1.5 metres from the fence. ☒

**The clearing of the tree was not authorised, Clearing Permit required.**

Although a tree may have limbs that overhang a fence and there is a possibility that a tree limb could fall and damage the fence at a later point in time, the tree cannot be cleared under this exemption unless all three requirements are met. If the limbs do not impede access to the area to construct or maintain the fence (the second requirement) the exemption would not apply and a **clearing permit** issued by the Department of Water and Environmental Regulation (DWER) would be required. The limb itself could be

# COUNCIL NOTES 16 OCTOBER 2018

removed (pruned) as it would not constitute 'clearing' as defined under the EP Act if the removal of this limb does not cause substantial damage to the tree and the trunk of the tree is not severed.

**This exemption does not authorise the wholesale clearing of all native vegetation on the Crown land within 1.5 metres of the fence line, it only authorises the clearing of as much vegetation as is necessary "to provide access to construct or maintain a fence".**

**Any clearing undertaken must be done in such a way to limit damage to neighbouring vegetation.**

Should you need further assistance regarding fence line clearing on Crown land i.e. road reserve within 1.5 metres of the fence line, then please contact the Shire of Wickepin on 9888 1005 or via email to [admin@wickepin.wa.gov.au](mailto:admin@wickepin.wa.gov.au).

## Unauthorised Clearing of Native Vegetation

The clearing of native vegetation in Western Australia without authorisation is an offence under the *Environmental Protection Act 1986*. **Unlawful clearing by individuals can result in fines of up to \$250,000.** Guide lines on clearing exemptions and applications for clearing permits are available on the DWER website [www.dwer.wa.gov.au](http://www.dwer.wa.gov.au)

## HARVEST MASS MANAGEMENT SCHEME

The infographic is a green and black poster titled "Harvest Mass Management Scheme" with the subtitle "What you need to know for 2018-2019 Harvest Period". It is divided into six sections, each with an icon and a list of bullet points:

- Changes to the Scheme** (Icon: Tractor):
  - Changes have been made to continue allowing 'First and last' mile access on roads between the paddock and the nearest road approved for Restricted Access Vehicle (RAV) Network access. The changes ensure there are no adverse effects on road safety and Main Roads legal obligations are met.
- Register for HMMS** (Icon: Clipboard with checkmark):
  - If you wish to participate in HMMS, continue to register your vehicles with a participating Grain Receiver.
  - If RAV access is required on roads between the paddock and the nearest road approved for RAV Network access under HMMS, you must apply to Main Roads by submitting a HMMS Road List form to advise us of the RAV combination & roads being used.
  - Your HMMS Road List must be endorsed by Main Roads before starting HMMS operations on these roads. Apply now to avoid delays.
- Processing Your Application** (Icon: Document with pencil):
  - Main Roads will check the nominated roads between the paddock and the nearest road approved for RAV Network access to ensure they are safe for the proposed RAV combination.
  - If deemed safe, your HMMS Road List will be endorsed and any additional access conditions specified (if necessary).
- Access Conditions** (Icon: Diamond with exclamation mark):
  - The Main Roads endorsed HMMS Road List must be carried in the RAV.
  - The most direct route must be used between the paddock and the nearest road approved for RAV Network access.
  - The RAV combination being used must not be a higher RAV category than the nearest RAV Network.
  - When travelling on the roads between the paddock and the nearest road approved for RAV Network access, the maximum speed is 40 km/h and you must display an amber flashing warning light.
- Future Planning** (Icon: Map of Western Australia):
  - Main Roads will use the HMMS Road Lists to prioritise onsite route assessments, with the aim of adding the roads to the relevant RAV Network.
  - This will eliminate the need to continue providing the HMMS Road List in future.
- Other Access Options** (Icon: Truck):
  - Use a Category 1 RAV vehicle combination that is 20 m or less in length and 50 t or less in gross mass.
  - Use a RAV that is greater than a Category 1 RAV vehicle combination on approved RAV Network roads.
  - Apply to have my road (s) added to the RAV Network through the standard process.

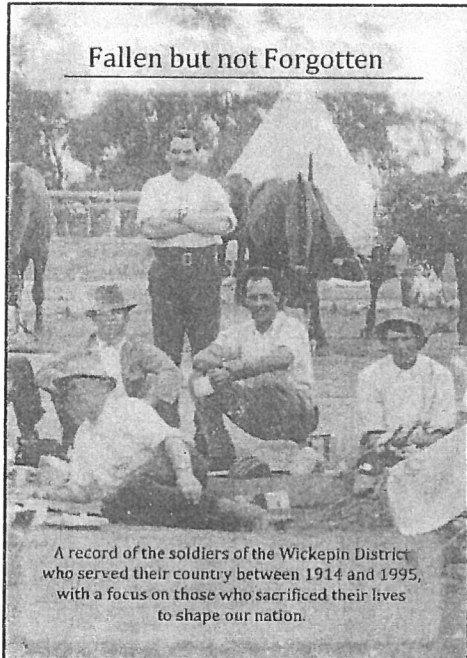

For more information about HMMS contact our Harvest Hotline 1800 688 688 or visit the HMMS page on our website at [www.harvestmass.wa.gov.au](http://www.harvestmass.wa.gov.au)

## Yealering 86 Gate Fire Brigade

The Yealering 86 Gate fire truck will be at the Yealering Oval at **5pm on Thursday the 25th October** for a general refresher course on the workings of the fire engine in readiness for summer.

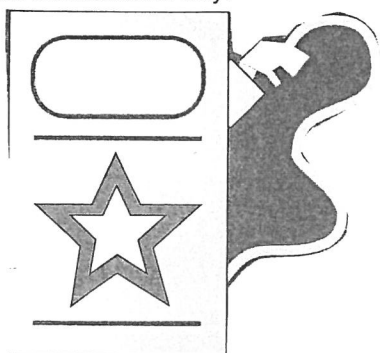

We urge all members to attend!

Shane Hill- President -0427 887 073

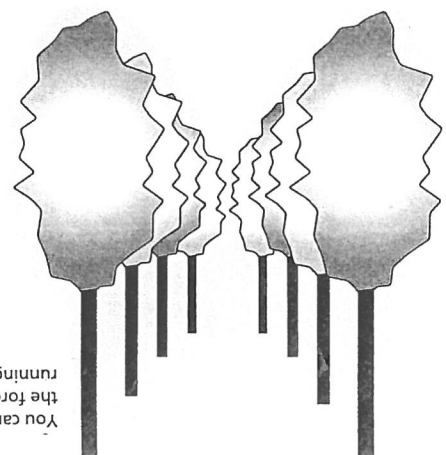

Denise Corke- Secretary/Treasurer- 0474 064 338

**O**ne morning a petrol station attendant ran into the office the moment his boss arrived, and told him that the previous evening he had dreamt that one of the pumps had been leaking, causing a huge explosion. His boss was sceptical, but when he checked the pump in question, he indeed found a potentially-disastrous leak. He switched off the pump, and then sacked the attendant. Why?

**D**ave ran halfway into the forest in half an hour. Steve claimed he had gone two-thirds of the way into the forest in the same time, but Dave said that it was impossible. Why?

You can only run halfway into the forest. After that you're running out of the forest.

The attendant had been on the night shift, and should not have been asleep!

## THE SMITHS

There is not one dirty word in it, and it is funny!--

The Smiths were unable to conceive children and decided to use a surrogate father to start their family. On the day the proxy father was to arrive, Mr. Smith kissed his wife goodbye and said, 'Well, I'm off now. The man should be here soon.'

Half an hour later, just by chance, a door-to-door baby photographer happened to ring the doorbell, hoping to make a sale. 'Good morning, Ma'am', he said, 'I've come to...'

'Oh, no need to explain,' Mrs. Smith cut in, embarrassed, 'I've been expecting you.'

'Have you really?' said the photographer. 'Well, that's good. Did you know babies are my specialty?'

'Well that's what my husband and I had hoped. Please come in and have a seat !.

After a moment she asked, blushing, 'Well, where do we start?'

'Leave everything to me. I usually try two in the bathtub, one on the couch, and perhaps a couple on the bed. And sometimes the living room floor is fun. You can really spread out there.'

'Bathtub, living room floor? No wonder it didn't work out for Harry and me!'

'Well, Ma'am, none of us can guarantee a good one every time. But if we try several different positions and I shoot from six or seven angles, I'm sure you'll be pleased with the results.'

'My, that's a lot!', gasped Mrs. Smith..

'Ma'am, in my line of work a man has to take his time. I'd love to be in and out in five minutes, but I'm sure you'd be disappointed with that.'

'Don't I know it,' said Mrs. Smith quietly.

The photographer opened his briefcase and pulled out a portfolio of his baby pictures. 'This was done on the top of a bus,' he said.

'Oh, my God!' Mrs Smith exclaimed, grasping at her throat.

'And these twins turned out exceptionally well - when you consider their mother was so difficult to work with.'

'She was difficult?' asked Mrs. Smith.

'Yes, I'm afraid so. I finally had to take her to the park to get the job done right. People were crowding around four and five deep to get a good look'

'Four and five deep?' said Mrs. Smith, her eyes wide with amazement.

'Yes', the photographer replied. 'And for more than three hours, too. The mother was constantly squealing and yelling - I could hardly concentrate, and when darkness approached I had to rush my shots. Finally, when the squirrels began nibbling on my equipment, I just had to pack it all in.'

Mrs. Smith leaned forward. 'Do you mean they actually chewed on your, uh...equipment?'

'It's true, Ma'am, yes.. Well, if you're ready, I'll set-up my tripod and we can get to work right away.'

'Tripod?', she queried, nearly fainting.

'Oh yes, Ma'am. I need to use a tripod to rest my Canon on. It's much too big to be held in the hand for long.'

Mrs. Smith fainted

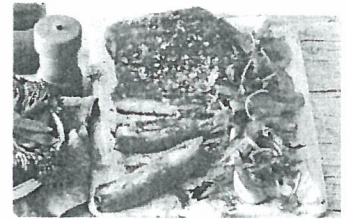

## Crispy Pork Belly

### Ingredients

1/4 cup olive oil  
2 tablespoons sea salt flakes  
2 fennel bulbs, trimmed thickly, sliced lengthways  
6 garlic cloves, sliced

1 1/2 cups beef stock  
1 tablespoon  
horseradish cream  
2kg Pork Belly Roast

### Method

Preheat oven to 180C (160C fan-forced).

Score pork skin. Rub in half the oil and salt, pressing salt into scored skin. Place pork, skin side down, in a large roasting pan. Bake for 1 1/2 hour.

Turn pork, skin side up. Increase oven temperature to 220C (200C fan-forced). Bake for 45 mins, until skin is crisp.

Remove from oven. Rest pork for 10 mins.

Meanwhile, heat remaining oil in a frying pan on high heat. Cook fennel and garlic, stirring, for 1-2 mins, until seared. Add 1/4 cup of water, reduce heat to low and simmer, covered, for 3-5 mins, until fennel is tender.

Pour stock into a small saucepan. Bring to the boil over high heat. Reduce heat to low and simmer for 10 mins, until reduced and thickened slightly. Remove from heat. Add horseradish cream and stir to combine.

Thickly slice pork. Serve with braised fennel and drizzle with horseradish gravy.

### Pastry

1 1/2 cups plain flour  
1 tablespoon icing sugar  
140 gram cold butter, coarsely chopped  
1 egg yolk  
2 tablespoon cold water

### Lemon Filling

1/2 cup cornflour  
1 cup caster sugar  
1/2 cup lemon juice  
1 1/4 cups water  
2 teaspoon finely grated lemon rind  
80 gram unsalted butter, coarsely chopped  
3 egg yolks

### Meringue

4 egg whites  
1/2 cup caster sugar

### Method

To make pastry, process flour, icing sugar and butter until crumbly. Add egg yolk and cold water; process until ingredients come together. Knead dough on floured surface until smooth. Wrap pastry in plastic and refrigerate 30 minutes.

Grease a 24cm round loose-based fluted flan pan. Roll pastry and cover the base and sides.

Line pastry case with baking paper and fill with dried beans or rice. Bake 15 minutes. Remove paper and beans carefully from pastry case. Bake another 10 minutes; cool pastry case.

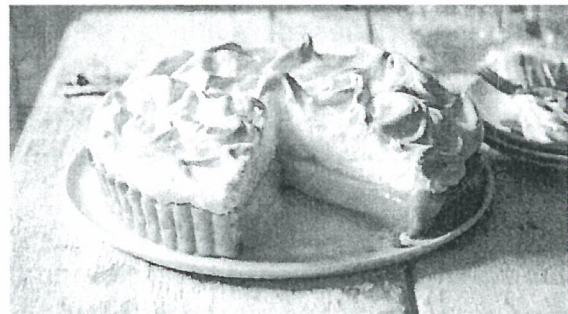

Meanwhile, combine cornflour and 1 cup caster sugar in a medium saucepan; gradually stir in juice and the water until smooth. Cook, stirring, over high heat, until mixture boils and thickens. Reduce heat; simmer, stirring, 1 minute. Remove from heat. Stir in rind, butter and egg yolks. Cool 10 minutes.

Spoon the lemon filling into the cooked, cooled pastry case; spread the filling out evenly, covering the base completely. Cool

Beat egg whites in a small bowl with electric mixer until soft peaks form; gradually add 1/2 cup caster sugar, beating until sugar is completely dissolved.

Spread meringue mixture onto surface of filling. Bake about 2 minutes or until meringue is browned lightly.

## Yealering Tennis Club

The 2018/19 season commenced for the Yealering Tennis Club on Sunday the 14th October with the opening day being well supported as the three courts were in action and a couple of players had to sit out a game due to the extra numbers. We would like to welcome everyone back to tennis and extend a special welcome to the new players that came along. We hope you enjoyed your day and that you will continue to join us on Sunday afternoons for a hit.

The long table barbecue followed the days play, and although a little chilly, it was as always a very sociable way to finish the day.

Thanks to everyone that attended the clean-up busy-bee on the Friday previous to the tennis opening. The busy-bees are always well attended and again this one was no exception. It only took about 90 minutes to have everything looking ship shape for the season opening. Windows cleaned, courts swept, edges and leaves raked, kitchen and storeroom cleaned out, tennis nets erected and 'hey presto' everything in order for tennis.

Thanks to Slim who provided the hat wear for those who forgot their hats and those who needed to change their hats due to conflict of interests. We looked very professional running around the courts in our uniform WestCoast Wool & Livestock caps. For the last couple of years we have sported the Hillco caps.

We look forward to seeing everyone back on the courts next Sunday for social tennis.
