Birthday Wishes to Katherine Thompson, Daphne Tetlow, Stacy Williamson, Scott Bayley, Darcy Martin, Zen Mutton.

It's twins !

Congratulations to Brendan and Natalie Elson on the safe arrival of their twin daughters Rivah Amelie and Lucy Thea, beautiful sisters for Bodhi, Jesse and Jake.

If you noticed all the caravans parked in the truck bay, it was a group from the Avon Caravan club who stopped for a visit in Wickepin this week.

Ruth Bailey had an exciting weekend in Perth last weekend when her third great grandson, Riley, celebrated his 2nd birthday. Also son-in-law Chris Johns turned 61 years and his daughter Stevie enjoyed her 31st birthday. Barbeque breakfast and birthday cakes enjoyed by all 3 great grandsons.

Keith Bushby met up with son Tim and grandson Jamie at the weekend and travelled to 80 mile tank, east of Lake King. The tank still stands but part of the roof over the tank has blown off and burned. The area was burnt out some time ago, making it unsuitable for camping.

**Childhood:** The time of life when you make funny faces in the mirror.

**Middle age:** The time of life when the mirror gets even.

Inside every slim, beautiful girl, is a fat middle-aged woman waiting to get out.

Middle age is when: Instead of combing your hair, you start "arranging" it.

Forty is the old age of youth; fifty is the youth of old age.

Old is when you think all of your friends are showing their age ... but not you.

Over 40: is I have everything now I had 20 years ago - except now it's all lower.

As the Parish Priest for the Anglican Parish of Narrogin, Wickepin and Pingelly it has been a great joy for me over the past eight years, to be invited to be part of the Wickepin ANZAC DAY Services and to bless the improvements to the Wickepin Cemetery. The people of Wickepin, embodied and represented by the Shire, are so welcoming and generous. You truly show you know the value of community and the sense of belonging that comes through honouring one another. Well done Wickepin and thank you for embracing me!

# COUNCIL NOTES

# 2 APRIL 2019

Outdoor natural spaces or 'green spaces' are considered to be really advantageous for wellbeing.

Studies have demonstrated an association between the amount of outdoor space we spend time in and improved health outcomes.

Exercising outdoors is beneficial to mental health and leads to greater physical activity because you don't think you are doing as much!

Enjoy Johnston Park exercise equipment, winter sport and local trails!

## GARDENING HINTS

If you have strawberries that have grown too large, take the new runners and pot them up for next season. Put them up off the ground to prevent them being eaten by unwanted hunger pests.

Friends are the fruitcake of  
our lives. Some are nutty,  
some are soaked in alcohol,  
some firm, some sweet, but  
altogether, they are great  
to have in your life.

If you see  
someone without  
a smile today,  
let them borrow  
yours. It will make  
their day and yours,  
so much better.
