A fortnightly paper for the areas of  
Dudinin, Toolibin, Tincurrin,  
Harrismith, Yealering and Wickepin

*6th August 2019*

# WICKY LEAKS

Birthday Wishes to Chris Ewen, Grant Davenport, Zoe Lang, Rhys Mullan, Clinton White, Matthew Sims, Matthew O'Brien, Callan Hatchman.

A memorial service is being held for Laurie Steele at the Mens Shed on Wednesday 7th August at 11am.

Cheerio to Peter Williamson who has been on the sick list. Also Jessie Davey and Eric Fleay who have also been unwell. Good to hear you're all doing OK now.

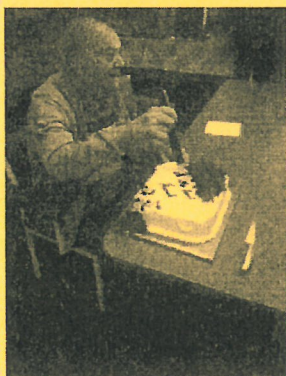

## MISSING

Could the person/s who removed white steel framed chairs from She/He Shed please return as they are urgently required on Wednesday

On 5th August it has been reported that the black swans are back on Lake Yealering. About 40 were counted, together with numerous ducks.

***We love receiving your ads for our fortnightly paper. However, if you would like a specific size advertisement, please send it to us in that size. We would be eternally grateful.***

*Frank Bird has finally decided he would be safer in Karinya and has finally moved out of our area having been here for about 70 years.*

*All the Wickepin community wishes you well Frank and hope you will be happy in your new surrounds. Farewell was said at the seniors lunch at the end of last month.*

Jessie Davey was throwing her chest out on Friday July 19th when Kevin, her eldest son, took her down to the Graduation of Police Recruits. Jessie's granddaughter, Bianca, was the recipient of the Academic Award which is awarded to the officer with the highest aggregate marks across all academic subjects. Clever girl.

*Eucalyptus macrocarpa* (Mottlecah) – A mallee-type eucalypt shrub that is native to the wheatbelt region of the south-west of WA and has the largest flowers of all the eucalypts. The name *macrocarpa* comes from the Greek *macros* (large) and *carpos* (fruit).

## Yealering Afternoon Teas

Approximately 25 ladies and a few small children gathered on Friday 26<sup>th</sup> July at the Yealering Town Hall for the community afternoon tea which was hosted by Tracey, Bronwyn and Alocs for the church group.

Teas and coffees were served and refilled as requested, and a variety of delicious cakes, slices and cheese boards were "tastefully" displayed allowing attendees to choose from the selection.

It was a very enjoyable afternoon and a great way to catch up with friends from around the district over a "cuppa" in a beautiful venue of which the Yealering community are very proud to have.

The next afternoon tea will be held on Friday August 30<sup>th</sup> 2019 at the Yealering Hall from 2.30pm.

Everyone is welcome to come along, bring a friend, catch up with friends or meet new people from around the community and support the local groups that host the afternoon.

### CHRISTMAS BOXES:

It is time to create your boxes.

I am just letting the faithful Christmas Box donators know that the boxes are due in by the end of SEPTEMBER.. And as I won't be around to collect them, I want to encourage you to create a box and you can deliver it to 1. The Anglican Church Narrogin 2. You can leave it in the Wickepin Anglican Church and Rev Lynda Myers will collect or 3. You can leave at MAZZ MUSIC shop in Federal Street Narrogin

I am still in Wickepin for August, and have some boxes and information on how to fill a box, for any interested person

It is a wonderful way to bless a child in need and also fun for your children to create and learn about sharing/giving.

***“The Best Time to Plant a Tree was 20 Years Ago....  
The second Best Time is Now....”Chinese Proverb***

*Trees are beacons of natural beauty and are remarkably resilient with their ability to adapt and survive. They offer shade to other flora, fauna and surrounding buildings, provide habitats for our fauna and flowers and nectar for birds and insects.*

*A tree in your garden will become a feature, so the wrong tree in the wrong spot can cause structural problems or throw shade where you don't want it. Here are some key points to consider when selecting a tree for your garden:*

1. Choose a tree well suited to your climate.
2. Match the size of your tree to the allotted space-Don't plant big trees in small gardens!
3. Decide on Evergreen or Deciduous and whether you want year round shade, autumn colour, winter sunlight, spring blossom, summer colour, fruit or attractive bark; and whether you want an ornamental tree, or a native tree.
4. Consider how quickly you want the tree to establish-some are quicker growers than others.
5. Avoid placing trees with invasive root systems near buildings or pipes (read up on the tree's capabilities before you buy it or plant it).
6. Take care when digging the hole for planting to avoid any underground pipes, and look overhead to make sure you are power-line clear.
7. Select a quality tree that is well balanced in trunk and foliage growth, and avoid sick looking and rootbound stock that will compromise the health and safety of the tree.
8. Improve soil with compost and/or aged manure, and dig the hole deep and wide enough to accommodate root expansion and growth (usually twice the width and depth of the tree pot). Stake if required until roots become strong enough, and protect with a wind/frost guard for the first couple of years.
9. Care for your tree in the early establishment years with regular watering, fertilising and formative pruning.

# FACEY GROUP UPDATE

## *Settle for nothing less than what you strive for...*

The 2019 annual Facey Group Women in Agriculture event was held on Wednesday 24<sup>th</sup> July, the 19<sup>th</sup> event run by the group.

Throughout life we all create or experience things; all having a story to tell. The question is why do we not challenge ourselves more to share our stories? Why do we not tell them more freely?

The 2019 event was sponsored by CSBP and we welcomed our local sales representative in Maree Dougall as our MC for the day; whilst being engaged by CSBP General Manager Tanya Rybarczyk as opening speaker.

Tanya took us on her family and career journey to where she is today, as CSBP General Manager. In perfect summation Tanya challenged the group to think about leadership and urged to focus on the job at hand whilst always being willing to learn and give things a go. Tanya reiterated that 'women should settle for nothing less than they strive for'. The dynamic duo of our local agronomist Hilary Wittwer, Planfarm and Helen Wyatt, Elders educated and challenged us – relating weeds to politics. An interactive session in identifying weeds in paddocks (or in the garden) and some little quizzes to get the brain ticking was a perfect segment for educating us all on the pesky things that are keeping the local boomsprays busy with at the moment. A great tip was to look between the rows, and go and investigate what differs from the normal.

Ever wondered what eating grubs would be like? Lets be honest I don't think many of us would have dwelled on the thought for long....that is unless you are Paula Pownall, Grubs Up. Paula shared her amazing adventure, from inception of the idea to putting it in place in her own backyard (literally). The persistence, research, connections to be made and the determination to be bold and give it a go. And yes, we all got a try of those crispy critters....and lets say I think all were pleasantly surprised. If you every want a change get yourself some Cricket Dukka for the weekend gourmet platter.

This year we tried something a little different – and it was a huge success. With the concept of recognising that we all lead such busy lives and cross paths in many different ways in small communities; there is still so much we don't know about each other. The different hats we wear, the experiences we have had and successes and stories in life. As such we had four amazing local ladies whom contributed short videos of themselves – telling their stories. A fantastic effort by this group.

Kate Lamont, the entrepreneur of all things wine, food and tourism. Coincidentally in following with the theme of the other speakers Kate challenged us to 'get up, get it done – all with a smile on your face'. Word of mouth is critical – not only to the businesses in which Kate is involved but for our whole industry; it is so evident that we need to make sure that our consumers experiences are perfect (as we may only get that one chance). Kate has a vast amount of experience across industries and is awe inspiring in the way that she manages work and life. Reflect (rather than dwell), a message most of us could be reminded on very regularly.

So ladies – get up, get going, back yourself and have a crack (at whatever it is your heart desires) and don't settle for anything less than what you are striving for.

A massive thank you to local businesses Wickepin Post Office, Wickepin Newsagency, DRIL, Jade Bushby Tupperware, Kindly & Co, Grubs Up and CSBP for providing amazing door prizes throughout the day.

## BUDGET NOTES ROUND 10

Welcome to football followers, Hawks players and supporters to Saturday Football in Wickepin.

Last week we were at Pingelly with 3 great games of football, Our sponsors were McWhirter & Leong Accountants, with Bubsie Evans in charge, who has the motto "play hard work hard" and he excels in both forms, so for all your taxation and accounting needs call the vertically challenged man on 98811499, Our other sponsor was the newly formed "Broadacre Auto Electrics", Give little freckle a call on 0475521563, for all you auto electrical sparky work, Thanks to both sponsors.

The D graders kicked the day off against a bigger BP outfit and even though outsized, tried valiantly all day, "A" for effort, keep that up and a win will not be far away, Award winners were Ella Hann, Abby Steere and Jaxon Smith, with Will Lansdale kicking all our goals.

The B Grade needed a victory to keep in touch with the top 4 and got away to a great start even though inaccurate with the breeze, Chad was teaching the old fella sticks, how to tap ruck, Tyson was showing veteran Miller how to rebound of halfback While Wade and Busso have obviously been to the Simon Duckworth kicking school with their accuracy, We had 17 scoring shots to 6 and won by 1.12, and now sit equal 4<sup>th</sup>.

Awards went to Chad for his ruckwork and Carey like skills at CHF, Regan/Carter for their crumbing work around packs, Tangles for his 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> efforts and Tyson for his rebounding of half back.

The league side coming off a 3 point victory when we last played BP, had to put their best foot forward, our pressure was 1<sup>st</sup> rate early taking a 12 point lead into ¼ time, with a bit of drizzle around our ball movement had to be good and was resulting in a 5 goal to 1 2<sup>nd</sup> term, with an 8 goal to 3 second half, we came away with a surprising 67 point margin, Dion after seeing stars early decided to get leather poising with a 40 plus disposal game, 5 Goals to Dion 3 to Plugga and 2 each to Man mountain Crouch and the goal kicking Schoey. The back 6 have been outstanding all year and continued in fine fashion. Top award went to Cam for his job on Leroy restricting him to a hand full of possessions, 2<sup>nd</sup> to Kimmy Schoey with 2 goals and 39 touches and the 3<sup>rd</sup> award to Kenny at CHF, Kenny saved his wrestling for the post match in the Yealering Hotel. Tanya, staff and Steve entertained the locals back at the Yealering Hotel with an entertaining night, with Ty's tradies extremely late for work on Monday.

Tonight sees the Coonack Cup back in action after being suspended for 3 years, have a great night. Bid up Big and enjoy, even tap beer will be available, Thanks Kenny and your little helpers.

Next weekend is the annual Wesfarmers carnival, so if you need your footy fix head to Joondalup on Friday and Bassendean on Saturday, to cheer the boys on.

Have a great day at the footy and "Belt Up" on the drive home.

## BUDGET NOTES ROUND 11

Welcome to Boddington for todays top of the table clash with last years Premiers.

Round 10 seems a long time ago when we met the Narrogin Hawks at home, Our sponsors for round 10 were CSBP, for all your fertiliser needs big or small call Trent on 0419923512 or his boss Marty on 0427192956, Martys generally on a golf course but will always answer his phone, top up your nitrogen now !! Also The Wickepin Shire were sponsors and we thank them and the President BIG MUM Astbury for their support and Big Mum assures us that rates will remain the same this year !! He did have his fingers crossed when saying this though. Cheers to both sponsors.

The D Grade lads, had a new coach in Sticky as Doopa after 9 straight losses was in discussion with the board, Sticky had the youngens fired up but with another loss Doopas job is safe. We were up against a much bigger

## BUDGET NOTES ROUND 11 - Cont'd

Narrogin side, tried valiantly but just got beat, Award winners were Henry Dyke, Tyler Steere, and Matty Grieve on his birthday, happy Birthday Champ.

B Grade boys were aiming to have a big win and crash into the top 4, they did this with a team effort from the kids right through to the 40 year olds, coming away with a 6 goal victory, Kenneth and Rusty have the boys playing some great footy and have told them No holidays in September, award winners were Mow in his 1<sup>st</sup> game for the season and didn't get injured, Tyrannosaures Miller whom loved the role of loose player in the forward half, moving like his cousin Triceratops, while the Edwards Isuzu Towel award went to Flynn Spark, who will be giving the towel to his mum to keep in the car after Elders wool awards nights and free alcohol, Hope your feeling better Sue !!

The league boys got a reality check, with Narrogin being a lot cleaner a lot quicker and much more efficient, we played our best footy late in the game going down by 4 points in a thriller, Top award was The older Schoey, 2<sup>nd</sup> award to the younger Schoey and the 3<sup>rd</sup> award to Skipper Skin dog, The much coveted Edwards Holden Towel was won by Royce who must have had a head knock in the game, thanking Ingreys for the award you nutter. Congrats to Duke Luke Crouch on playing his 200<sup>th</sup> game, great achievement, if only you had of kicked a goal we would have won.

The IDIOT BELT was won by Crouchy who complained about the smallness of the doors at Pingelly's new pavilion saying he got chafe under his armpits when running through them and also for running through his 200 game banner dragging his mum 10 metres along the turf, you're a champ but an idiot at the same time !!!

Cheerio to Fanny who hasn't had the best of times lately, being involved in a car accident ( hes ok ) one week then going to countryweek footy decided he would need some rehydration at night time, 46% alcohol content probably not the best option, or getting caught with it and missing countryweek, Hope Dad had you fencing in your time off.

Congratulations to Upper Great Southern on their success at Landmark carnival last weekend, winning our first title for 8 years, we were well represented with Piggy Anthony and Schoey receiving all stars jumpers and Kimmy, Big Ole, Plugga and Shagmeister all contributing to the successful team, Schoey and Shaggy didn't have time for a shower after the game but a midnight dip in the Swan River did the trick, a night of celebrations was had by all with the Wicky lads best on in the after party, Well done fellas.

Today we see our President Jamie play game number 300 a fantastic achievement, lets get the job done to help him celebrate.

Enjoy the footy at Boddington and tonight at the Manning bowling club and "Belt Up" on the way home

## BUDGET NOTES ROUND 12

Last Saturday we headed to Boddington with the possibility of 3 wins for the 1<sup>st</sup> time this year.

The D grade got close losing by 3 goals in a team effort, that pleased the coaching staff, better players were Tyler, Bryce, Kahli and Sam with goals evenly spread, 3 games left lets get that elusive victory today.

The B Grade were out to cement a spot in the top 4, playing against the team dead last and without a win, well WOW WEE, we looked the part but our effort was similar to Ty at a busy bee or Shaggy at a gay bar, we led at halftime by 3 points and looked as though we would go on with the job, Kenny and Royce decided instead of the halftime oranges, they would change tactics and visited the Bada Bing café and purchased some chocolate brownies, this had the opposite effect as we only scored 1 point in the 2<sup>nd</sup> half going down by 3 points, better players were Frank, Smithy and Chad. Time for a lift lads.

Top of the table class expectations were exceeded with a great game of football in at times trying conditions, Jimbob Miller lead the troops out with his kids through a 300 game banner, great job Michelle. The game turned into a typical tough encounter with the warriors leading at every change to run out 10 point victors, Ryan held big Harry to 1 goal, while Lewi was held to 6 by Rusty, Dion snagged 5, and Wiz 2 majors including the match winner. Top award went to Johnsy who should bring the missus more often if you going to play like that, 2<sup>nd</sup> award to Wiz who would have preferred a Glazier voucher and the 3<sup>rd</sup> award to Max's dad Skinny who controlled the defence, In a tense finish 300 gamer Jimmy took a mark, Siren sounded and had a chance to kick a goal after the siren in his

## BUDGET NOTES ROUND 12 - Cont'd

300<sup>th</sup>, He kicked it like a flat pudding and hit the post, Jimmys story got better as the night went, as he thought he was 65m out and it hit the goal post halfway up, either way a fantastic achievement 300 games and a great clubman to go with it, 5 of Jamies league coaches were there on the day to watch and enjoy.

"CONGRATS JAMIE MILLER 300 LEAGUE GAMES"

Thanks to all the supporters who travelled down on both buses and a night at the Manning bowlo was enjoyed by all players and supporters.

To the Wagin Scribe Tank, whom for the 2<sup>nd</sup> time in 5 weeks failed to entertain us with his wit and humour with NO budget notes, we will wait for the excuses. A bridging course at TAFE in the holidays maybe ??

Congrats to Schoey and Dion who played in the state game yesterday, great stuff

Today we host Kukerin/Dumbleyung, and also have our Sponsors recognition and drinks, so if you see a sponsor thank them, also the raffle will be drawn tonight, stay around for a few drinks and enjoy and Bely Up on the way home.

## THE IRISH CHRISTENING

Paddy's pregnant sister was in a terrible car accident and went into a deep coma. After being in a coma for nearly 6 months, she wakes up and sees that she is no longer pregnant. Frantically, she asks the doctor about her baby.

The doctor replied, "Ma'am, you had twins ... a boy and a girl. The babies are fine.

However, they were poorly at birth and had to be christened immediately – so your brother Paddy came in and named them."

The woman thinks to herself, "Oh no, not me brother. He's a fucking clueless idiot!"

Expecting the worst, she asks the doctor "Well, what's my daughter's name?"

"Denise," says the doctor. The new mother is some-what relieved. "Wow, that's a really beautiful name. I guess I was wrong about my brother. She thought, "I really like Denise."

Then she asked, "What's the boy's name?"

the doctor replies, "Denephew."

## Round 11

### Seniors:

#### **A1: July 27<sup>th</sup> - Wickein v Wagin - 52 – 42**

4 quarters of pure fire & intensity made for 2 nervous & vocal coaches on sidelines.

Both teams came out firing in first quarter with the game being very even whilst the girls got into a groove.

Our second saw us having to make a change mid way through with our young gun shooter looking white as a ghost. But as usual our reliable Helen switched back into goals from defence with ease. Down by 2 at half time had us reiterating our speed throughout the game being the key. They say the third quarter is a premiership quarter & what a quarter it was. With our girls making a 5 goal turn around even after losing Carly to a rolled ankle & switching in the fire cracker Mel. Our girls in defence holding strong & keeping up the physicality I felt gained us our lead at 3/4 time. The last quarter had Deb catching long bombs from left right & centre & Helen being a mighty fine right hand man assisting with the goals going in.

Top votes to Deb this week for her speccie grabs across all 4 quarters & to Danni for your sublime intercepts, picture perfect passes into circle & 100 pace through the midcourt. Hands over everything got her countless pick offs.

Very proud coach watching my girls put in a full 4 quarter effort!

**Coach - Michelle Miller**

#### **A2: BYE**

#### **A4: Win against Williams 3 by FORFEIT**

Our senior teams have our final home games at Wickein on Sunday 11<sup>th</sup> August starting from 11:30am with the A1 game. We encourage supporters along to cheer on our teams on our home court whilst also supporting our footballers and to stay that night for our fundraising Curry Night dinner!

### Juniors:

#### **NSG : GO**

A hard fought effort this week with a strong Kyla Leeson shooting goals in GA and another solid defensive game by Lucy Miller. Kirsty and Ainslie Gath are running well in the middle making stronger passes to the other players. Emily B played well in GS for a quarter. Mia Ewen shone in Centre, running well into the clear space and making strong leads. Emily H was strong in GS and ran well in the last quarter in Centre. Claudia again was strong in defense, passing well into our attack.

The players are showing terrific progress in all areas of their game play. We're hoping for a full team next game with Hannah Green off enjoying an extended holiday and Kate Bennier trying her hand at hockey.

**Coach – Andrea Cooke-Bennier**

#### **U/12's**

Under 12's were defeated by a strong team this week but improved on the last time they played them , so for us, that's a win. We all tried really hard as we do every week.

It was sadly the last game for Aleisha and we wish her all the best with her move and for her future netballing. She will be missed by us all. Good luck Aleisha!
