PO Box 19
Wickepin WA 6370

Applicant's Name: _____

Location No: _____ Road Name: _____

Contact Phone Number: _____

Applicant's Postal Address: _____

Please draw a sketch below of the property and the roadside fence line that you would like to clear and/or prune. Maximum clearing width is up to 1.5 metres from property boundary. Please mark distances in meters.

DECLARATION:

I/We _____
being the owner/s or persons authorised by the registered owner/s of the above mentioned property make application for roadside fence line clearing and/or pruning permission.

I/We have sought advice from the Department of Water and Environmental Regulation (DWER) and my
Application meets all their requirements including relevant Acts and Regulations YES NO

Applicant's Signature: Date:

1. Permission is only valid for 6 months, the expiry date is indicated on the final approval letter
2. Any healthy, significant trees within the 1.5 meter road reserve clearing strip shall be retained where practicable.
2.1.1. A significant tree (no matter what species) that has a trunk width 200mm or greater at 1 metre from ground level
3. Dead vegetation is to be retained where possible. If the vegetation is older than 1 year and has nesting holes it will be retained. The inspecting officer will identify, mark and count them. Photos will be taken before and after the completion of work.
4. Any other trees or vegetation that is in the 1.5 metre clearing strip that does not hinder the construction or maintenance of the fence shall be retained as well.
