

# ABOUT THE WICKEPIN SKATE PARK

Hey there! Wickepin Skate Park is the spot for everyone – whether you shred on a skateboard, cruise on a scooter, rock a BMX, roll on rollerblades, or shoot hoops on a basketball court. We've got cool skating zones for all ages and skill levels, making it an awesome space for everyone to chill.

This Skate Park didn't just pop out of nowhere – it's the real deal, designed with input from the awesome Wickepin community. People from all walks of life had their say, and together, we gave this place a major facelift. Big shoutout to the Federal Government's Local Roads and Community Infrastructure grant for giving us the boost we needed. 2023 was the year our collective vision became a reality! 🛠️👉

## The Story

Wickepin Skatepark is a flowy facility using earthy colours, connecting to a basketball court with a curving street skate ledge and two blocks for doing tricks down the western end of the skatepark. It begins with a quarter pipe with roll-ins on either side. One leading to an A-Frame combo feature, the other into a 90-degree hip with a long mellow quarter pipe, ideal for transfers and long grinds. This blends into a sculptural transition hip, completely unique to WA and perfect for getting airs! The hip blends into a spine that further blends into a long pump bump for maintaining speed throughout the park, and a slappy roll over. The eastern end of the park features a mini ramp, hip and open quarter pipe, all interconnecting to create endless lines and fun times for riders of all skill levels!

## Maintenance and Cleaning

At the skate park, we've got the routine cleaning and maintenance covered, thanks to the Shire's diligent efforts. But here's where you come in – be a legend and join the teamwork! If you see anything that needs fixing or cleaning, give us the scoop. Report it to the **Shire at 9888-1005** or drop us an email at [admin@wickepin.wa.gov.au](mailto:admin@wickepin.wa.gov.au).
