Happy Birthday

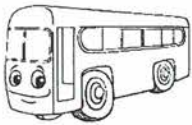

Birthday wishes to: Kyle Flavel, Travis Talbot, Sarah Woods, Aiden White, Jade Bushby, Lucy Miller, Phil Watson, Andrea Cook-Bennier, Leah Taylor, Caitlin Pauley, Aaron Bransby, Connor Bennier, Adam Dunn, Joan Wyllie, Aaron Quartermaine.

Deepest sympathy to Wayne Rushton on the passing of his mother Sophie. Sophie Rushton was a long-time resident of Yealering who passed away on the 14th June 2021. Her funeral was held last Thursday at Yealering with a gathering of family, friends, locals, and ex-residents returning to pay their last respects to this quiet lady. RIP Sophie.

SEND OFF FOR SERGEANT PHIL HUGGINS & DORY

All community members are invited for a bring and share casserole tea at the Wickepin Sports Club on Friday 2nd July 2021 at 6.30pm.

The seniors of the Health Centre welcomed their Kulin counterparts down last week for some games etc and a light meal (Thanks Chris Lozenicins for feeding us).

On Tuesday some seniors will be going on the bus to Wagin to pay a visit to Creswells and have some fish and chips and a drive around Wagin.

If you have not had your Flu needle yet, ring and see if there are any more opportunities left.

Renaë Bransby was part of an UGS hockey team that went to Country Week a couple of weekends back. They won their division undefeated, and Renaë did not get injured which is a departure from the norm.

The frosts have been very heavy and the nights cold but the many caravanners and campers mainly at the oval have enjoyed their weekend of music and dance. These people are a pleasure to watch when they are dancing. They seem to have so much fun. The newly treated floor of the hall looks great and is also good to dance on. Quite a number of past residents of the area come for this weekend so it is great to see them.

There are a lot of the History group's photos hanging in the hall and people enjoy looking at them.

The Wickepin Hotel put a Chinese Smorgasbord over three nights for visitors and locals. The food was really great. Look out for the next one.

Visiting town over the weekend was Kiri Pomery and quite few of her 'tribe' who had come from Ora Banda and Kalgoorlie to help James Wilson belatedly celebrate his 21st birthday. Celebrations were held at Malyalling. The bonfire was over 10' high and just what was needed. James lives and works in Wickepin now. Kiri has plans under way to rebuild the Ora Banda Pub, starting when all the red tape is over. They will be incorporating the old walls which are still standing.

Welcome to town to Amy Manton who is a physiotherapist at the Narrogin Hospital. Amy lives in Bergin's former house. Amy's partner who is an electrician will arrive soon and begin a business here.

It is great to welcome all the young couples who are coming to live in town. Those people together with some associated with the Kaolin mine make for a real shortage of houses.

Hazel Green has been able to welcome many of her family members over the last few weeks. They have called to lend her and Phil a hand. They have called to help celebrate her birthday and spend the night before going to the dentist in Narrogin.

The people who were using the milk bottle tops have gone "broke", so please do not leave any more at the CRC until we find another outlet. Put them in the recycling with the bottles themselves.

About a year ago a set of keys for a gopher was found in the bottles tops. If you lost them contact Hazel Green 98881156.

The golf club held two of its open days last week. The ladies day was on Wednesday and the men's mid-week was on Thursday.

A Great Winter Weekend.

What a great winter weekend of dancing and music enjoyed by all those attending. Many caravans camped at the oval. It was a bit chilly but all warmed up on the dance floor.

We were entertained by a lovely group of Guest Artists on Saturday night. There were many good comments on the floor of the hall. It was great to dance on. Thankyou!

Sunday morning there was more dance lessons before everyone left for home.

The money raised from the weekend through raffles and door entries always stays in the town.

Wickepin St Johns: \$2 748.95

Camping fees at oval: \$1 160.00 (Shire)

TOTAL: \$3 908.95

You haven't forgotten which one it is again.

The brothers and sister of Michael Brown, late of the Wickepin District, wish to thank you all for the many words of sympathy and love shown to us by you, and your respect shown to Michael and us by attending his funeral. We are truly grateful.

John, Philip and Elizabeth

Wickepin Arts & Crafts

We wish to thank the Shire for ongoing support. For the floodlight, the repair of the wall inside and for the stove.

This Wednesday, 30th July, we will be needing helpers to clean up inside where the wall was repaired.

Many hands make light work and when finished we can all sit down to a cuppa.

New members welcome at any time or if you need to take time out of a busy day, just call in for respite.

WICKEPIN WINTER WEEKEND 25, 26 & 27 JUNE 2021

After having to put their boots in storage last year due to COVID, the annual Wickepin Winter Weekend was back last weekend! Dancing and caravanning enthusiasts came in their droves from all over WA to enjoy some great toe tapping country music, old time dancing and some good old fashion fun.

Once again David & Therese Higgins and Alan & Kayleen Lansdell did a fantastic job of organising and ensuring everyone was accommodated, comfortable and warm!

All proceeds from the weekend were then generously donated to the Wickepin St John Ambulance to go towards the purchase of defibrillators. This is very much appreciated by the Wickepin Community.

Know How Rates are Calculated and Win

WALGA
WORKING FOR LOCAL GOVERNMENT

FRIDAY, 18 JUNE 2021

Media Release

Each year households across the State receive their Local Government rates notices, however independent research, commissioned by the WA Local Government Association, has found only about one in five WA ratepayers can identify how rates are calculated.

Of the remainder, 32% believed rates were calculated similar to stamp duty, with another 14% linking rates directly to the housing market. A total of 22% correctly identified that rates form a portion of each Local Government's annual budget.

The survey of 1000 West Australians from across the State found 73% percent of respondents wanted to better understand the process. It also found that 69% of people wanted a greater say on their rates; while about 40% would be prepared to either pay higher rates for more services, or accept a cut to services for lower rates.

WALGA President, Mayor Tracey Roberts said "Rates form a significant part of Councils' operating budgets that is needed to provide the facilities and services that are required by the respective communities."

"The greater the input from the community and involvement with the Council, the more likely it is that the services and facilities provided, and the rates required, will meet their expectations."

Starting next week, in a competition to run in *The West Australian* newspaper, being able to nominate the correct method could win your residential rates paid for the year.

Supported by WALGA, the competition will give readers a chance to win one of 10 prizes of having residential rates paid up to \$3,500 by choosing the correct calculation method from three options.

The competition is hoped to improve understanding of how rates are calculated in response to the research findings that the majority of ratepayers wanted to better understand this process.

The competition opens Monday, **21 June** – go to councilrates.thewest.com.au to enter. Terms and conditions apply.

WICKEPIN POLICE STATION

There has been a recent amendment to the Weapons Regulations 1999 to include Gel Blasters making the recreational toy a Prohibited Weapon. This change means from 3 July 2021 the possession of a Gel Blaster and its associated ammunition will be an offence within Western Australia.

There is an exemption to the offence if you delivering it to a police station to surrender. In those circumstances owners of Gel Blasters will have the opportunity of relinquishing the prohibited weapon without fear of being charged.

Wickepin Police seized three Gel Blasters last week during a search warrant in Narrogin. The imitation weapons, a Glock hand gun, a Mac 10 machine gun and an AR15 rifle have now been destroyed. Of concern, the Glock and AR15 are accurate imitations of WA Police Force issue firearms.

Please, if you or anyone you know have these weapons, utilise the amnesty and hand them into your local police station.

On another serious matter, recently Wickepin Police have had several complaints of motor bikes, quad bikes and the like riding through town.

The bike must be roadworthy, registered and you must have a relevant license for that class of bike to be permitted to ride on a road. If you do not comply with the laws you may be charged and in certain circumstances the motor bike seized and destroyed.

The practice is dangerous to yourself, to other people in the community and the noise around town is increasingly annoying. Please consider other people.

Finally, Wickepin Police Station have a new landline phone number. Our new number is 98932800. This has come about due to a technical upgrade at the station. The previous number will still be diverted to this number for some time however this is a good time to change the contact.

The important numbers below haven't changed. Always remember if you are in a life-threatening situation call 000. For non-life-threatening matters that require police attendance, call 131444. And if you need to speak with the Wickepin Police, call our new number. If the number is diverted to Albany Police, don't hang up, leave a message with the person you speak to and have them arrange for us to call you back.

- 500g chicken thigh fillets
- 2 leeks, trimmed, finely sliced (white part only)
- 4cm ginger, peeled, finely grated

Cook on low for 8 hours or until chicken is very tender and can be pulled apart.
2. Transfer chicken to chopping board and using two forks, shred chicken. Return shredded chicken to slow cooker. Increase temperature to high. Slowly pour eggs into soup, stirring consistently until ribbons of egg form. Stir through spinach leaves. Cover and cook for a further 10 minutes or until spinach wilts.
3. Serve soup topped with reserved spring onion.

Garden Snippets.....

Winter Colour...Camellia Japonica..

The large Japonica group of the Camellia family is one of the most popular of all garden shrubs, and rightly so, as their attractive foliage alone makes them worthy of a place in any garden or patio setting. Bushes may grow strong and erect, bushy and spreading or vigorous and open in habit and some varieties are able to be successfully grown in large tubs.

Blooms, which are produced in winter over a period of two to three months, vary in form from single, semi-double, double centres; and formal and in-formal doubles. Colours range from white through pink to red and in many combinations and shades in between, depending on variety.

By careful selection of early, mid-season and late varieties it is possible to have colour in your garden right through what might otherwise be a colourless, bleak winter. Japonicas can be grown in a variety of positions, their main requirements being:

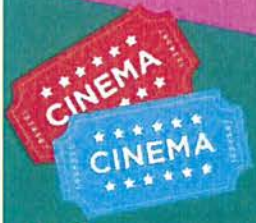

- Good Drainage at all times – They will not tolerate “wet feet”
- Filtered Light in a Protected Position – Some varieties are sun-hardy but generally they like at least two hours’ shade during the hottest part of the day, with protection from strong wind
- A Slightly Acid Soil – although they will tolerate a wide variety of neutral soils. Where soil is known to be alkaline, give a light dressing of Sulphate of Aluminium and Sulphate of Iron

Once established, camellias require very little attention other than:

- Light pruning for shape when young if the variety is of the “rangy” nature, but is generally not necessary with most varieties
- Spray to control insect pests. Main pests are Scale, Red Spider Mite, other Mite and Aphids. The best spray is a combination of a garden insecticide and White Oil.
- Watering during the drier months to assist new growth and form better flower buds

Adult Fiction Sarah Hogle - **Twice Shy**

Maybell Parish has always been a dreamer and a hopeless romantic. But living in her own world has long been preferable to dealing with the disappointments of real life. So when Maybell inherits a charming house in the Smokies from her Great-Aunt Violet, she seizes the opportunity to make a fresh start. Yet when she arrives, it seems her troubles have only just begun. Not only is the house falling apart around her, but she isn't the only inheritor: she has to share everything with Wesley Koehler, the groundskeeper who's as grouchy as he is gorgeous—and it turns out he has very different vision for the property's future. Convincing the taciturn Wesley to stop avoiding her and compromise is a task more formidable than the other dying wishes Great-Aunt Violet left behind. But when Maybell uncovers something unexpectedly sweet beneath Wesley's scowls, and as the two slowly begin to let their guard down, they might learn that sometimes the smallest steps outside one's comfort zone can lead to the greatest rewards.

Adult Fiction Tori Haschka - **Grace Under Pressure**

Grace Harkness looks like she has it all – two beautiful children, four cookbooks under her belt and an idyllic beachside home #blessed. But add another baby on the way (oops), a spouse that is nowhere to be seen and a relentless list of things she 'should' be doing, and Grace is starting to unravel. When the madness of modern-day motherhood finally pushes her to the brink, Grace and her friends decide to ditch the men in their lives, move in together and create a 'mummune' – sharing the load of chores, school pick-ups/drop-offs and endless Life Admin. The new set-up seems like a dream, but is life in this utopian village all it's cracked up to be? Grace Under Pressure is a deliciously hilarious, honest and heartfelt portrayal of modern-day motherhood and the saving grace of female friendship.

Large Print Jillian Cantor - **Half Life**

Poland, 1891. Marie Curie (then Marya Skłodowska) was engaged to a budding mathematician, Kazimierz Zorawski. But when his mother insisted Marya was not good enough, he broke off the engagement. A heartbroken Marya left Poland for Paris to study chemistry and physics at the Sorbonne. Marie would go on to change the course of science forever and become the first woman to win a Nobel Prize. But what if Marie had made a different choice? What if she had stayed in Poland, married Kazimierz, and never attended the Sorbonne or discovered radium? What if Marie had chosen her first love and a life of domesticity, still ravenous for knowledge in Russian Poland where education for women was restricted, instead of studying science in Paris and meeting Pierre Curie?

DVD **The Vanished**

An idyllic family vacation turns into a living nightmare for parents Paul (Thomas Jane) and Wendy (Anne Heche) when their young daughter disappears without a trace. When the local sheriff (Jason Patric) fails to chase down any new leads, the frantic parents have no choice but to take matters into their own hands. As tensions mount and the list of suspects grows, the search for the truth leads to a shocking revelation where nothing is what it seems in this gripping psychological thriller.

Our library is stocked with a large array of fiction and non fiction books, DVDs audio books, children's books and activity packs so come in have a browse and if you don't find what you're looking for, ask one of our team if they can order it in for you

Country week consisted of 4 games and a final for us this year. First game was against Busselton at 9.30 Friday morning, second game was at 1pm against Eastern Goldfields at Fletchers Park. Saturday game was at 12.30 at Perth Hockey Stadium against North Midlands, then back to Fletchers Park for a 2.30 game crossover of pools and played against East Avon.

Finals was played at Perth Hockey Stadium at 10am against Mortlock which we won 2-0

Awesome team to play with thankyou ladies and Vinnie for coaching us, an excellent weekend

Friday 25 June 2021 Robins vs Wickepin on Narrogin turf at 6.30pm

Scratching to have a team , Amy not playing, bugger speedy recovery please, and Tiffany making it back before half time, however welcome back to Beverley Gangell. Not going to bore you to tears, it was cold. Robins not making it easy, definitely harder, ping pong game comes to mind. No score first quarter. Second quarter , everyone playing good hockey , Stretch out of sorts playing centre half, sorry team. In general play, it was a ping pong game, but backward passes and the use of field getting used, was excellent, Bev keeping options open at all times. Wicky getting it down to their attacking D and off Jody's stick into the goals. Hell yeah, well done ladies. Couple of shorts were given to Wicky, Halstead pushing out to the top of D to Renae and bang, in the ball goes. Score 2-0 half time.

Robins scoring few shorts this quarter, but our defense keeping it out, great job ladies. Communication being heard more this half, passing through the field, was spectacular to watch. Sarah taking ball from Robins attacking end passing off with Wicky players, Bev keeping pressure on and giving us back fed options , takes the ball to Wickys attacking end and the ball is passed back into Sarah at the right of D and she scores. 3-0. With not much time left , wow Robins play swiftly get it down to their goals and unlucky for Wicky, but they score. No score fourth quarter. Final score 3-1. Well deserved votes went to Renae, Jody and Sarah. We have a big break now next game is 24/7 at 4.25pm on turf against Wagin, then on 31/7 on turf against All Blacks at 1.15pm. Goodluck to all juniors competing in the Narrogin Junior Hockey Carnival on 16th and 17th July and everyone have a safe holidays.

Super 66 winners 19/6 were No 61 and No. 83 Tash

26th June winners were no. 67 Elaine Mcdonald and no. 81 P&J Cambell

(A true story)

Cow in the Churchyard

Step Vickers

It was a thriving settlement
A new Australian town
A place to grow and prosper
With the blessing of the crown.

But the printing of the by-laws
Had never yet begun
Though the town administrators
Were aware it must be done.

In the meantime, gently grazing
And strolling ever free
Came a cow, in all her glory
On a constant eating spree.

Now her owners let her wander
In the town and round about
For there weren't too many fences
Built to keep her out.

And the grasses in the churchyard
Indeed a great attraction,
While the clergy – little wonder
Poured forth dissatisfaction.

For there upon the blessed steps
Almost every day,
The cow would leave her calling card
Before she walked away.

Protest fell on ears deaf
Oh what were they to do?
The situation didn't change
The cow just gave a moo.

A cow in lawful custody
Was hardly a solution
While it wasn't worth considering
A bovine absolution.

And the cow was growing bolder,
Driving them insane
But without established by-laws
Their protests were in vain.

They tried to think of something
With wisdom deep and wide,
Even calling on the angels
Who'd be always on their side.

Yet the problem still persisted,
They thought and thought some more
But they couldn't think of anything
That came within the law.

Then a dear sweet old lady
Cried, "People lend an ear
For I think that I have stumbled on
A wonderful idea!"

Then she went and got a bucket
And because she knew just how
With a touch of true experience
Sat down and milked the cow.

A master stroke the people said
And gave ten out of ten,
While the cow that roamed the churchyard
Was never seen again.
