# WICKYLEAKS

Birthday wishes to Jordan Dowdell, Renae Bransby, Asha Brown, Cayden Fortini, Danielle Riley, Jessie Davey, Callan Sims

The on short notice organized Wickepin Community Garage Sale on Saturday was a huge success. Countless people came to Wickepin on the hunt for a great bargain or two. With six different places taking part it was practically guaranteed to find some treasures. A massive THANKS to everyone involved, meaning buyers and sellers and everyone who came along. I'm sure we'll do it again.

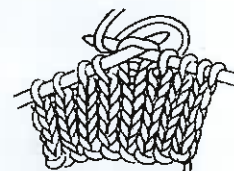

Congratulations to Caen Taylor and Leah Pearson who were wedded on Friday the 24<sup>th</sup> of February under the shade of Eucalypt trees in the beautiful gardens of Yungarra Lodge, Dunsborough. Caen was attended by Aaron Quartermaine, Rory McDougall and Luke Crouch. Leah was attended by her sister Hannah Pearson, Abbi Robinson and Cheryl Groom who did well keeping Lila in the oven for the weekend. Drinks, celebrations and great music followed at the venue surrounded by Leah's faultless garden party decorations. Leah had

family travel from the UK for the wedding and the couple had planned to enjoy the week with them down south before returning home.

Congratulations to Cheryl Groom and Aaron Quartermaine on the birth of a beautiful girl Lila Fern born on 1st March.

Sandra Podmore has had her Mum Carole staying with her for a few weeks. While here Carol finished all her knitting projects for Princess Margaret Hospital.

The State election will be held this Saturday the 11th March 2017. Polling booths for our area in the Roe division are at the Harrismith Community Hall, Wickepin Primary School and the Yealering Town Hall. Polling Booths are open between 8am to 6pm.

To all those people on the sick list we are sending our get well wishes for a speedy recovery.

Hope everyone is surviving the heat that we have been having over the last week. Hopefully the Autumn weather will be upon us soon.

## 75<sup>th</sup> Anniversary Commemoration Service of Brave Australian Nurses

It was with enormous pride Anthea Hodgson and Libby Heffernan were flag bearers at a recent service to honour the nurses involved in the Vyner Brook tragedy. They were representing their great Aunt, Sister Minnie Hodgson of Yealering. This service was held at Point Walter in February 12<sup>th</sup> to remember the 41 nurses who died as a result of the sinking of this boat. The Vyner Brook was a steamer that was used to evacuate 65 nurses and more than 200 patients, women and children at the fall of Singapore in February 1942.

This boat was attacked by Japanese fighters with survivors surrendering once ashore on Banka Island. The Japanese then ordered 22 Australian nurses into the sea, one of which was Minnie, where they were massacred by machine gun with only one nurse surviving to tell the story at the end of the war.

The remaining nurses and many others of mostly Dutch and English nationality were held in women's prisoner camps in appalling conditions with many not surviving.

The Applecross RSL sub branch held the service at the Vyner Brook Memorial at Point Walter and a descendant from many of the nurses laid wreaths in their memory.

Her Excellency the Honourable Kerry Sanderson AC, Governor of Western Australia was the guest speaker during the service. The choir sang 'Largo' with the arrangement as sung by the captives in the women's camp, which was depicted in the movie Paradise Road, and was incredibly moving.

The most poignant moment for the 17 Hodgson descendants who attended, was a quote from Matron Irene Drummond who was on the beach with her nurses as they were ordered into the sea.

"Chin up Girls. I am proud of you and love you all".

### Bereavement Thankyou

The family of the late Mrs Peg Leeson sincerely thank everyone for the condolences and kind words when our much loved Mum and Nanna passed away.

The phone calls, notices in the paper, cards, flowers and attendance at her funeral were all greatly appreciated.

Please accept this as our personal Thankyou

Say **YES** to getting the job done.

**I'm seeking your support to elect a local to the State Parliament.**

I've lived and worked in this district for most of my life and it would be an honour and privilege to represent you in the WA Parliament. I've served this community as a Shire President, local councillor and as a member of a number of sporting and community groups - including the Narrogin Cottage Homes as a board member.

It has been many years since this region has had a local member of the Legislative Council. None of the current members of the state Upper House that represent this area live or work in the Great Southern.

Wickepin is part of the Agriculture Region - one of six regions across the state that form the Legislative Council - each region is entitled to six members of parliament. The Agriculture Region stretches from Esperance across to Cranbrook and as far north as Kalbarri.

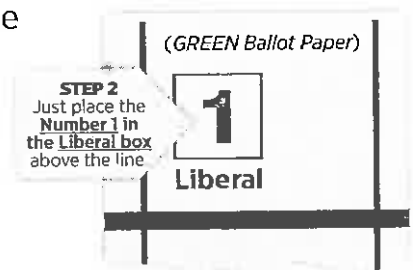

None of these existing members has an electoral office outside of Perth or south of Northam. If elected I commit to establishing an office in this area to better service the needs of people in this region.

With Labor's one-vote-one-value changes there are less State members of parliament outside Perth. Make sure this region gets its fair share.

While the issues facing communities and businesses across the Ag Region are similar, having a member of parliament with a good knowledge of this area that you have access to is vital.

I'm asking you to vote for the Liberal team for the Legislative Council thus electing a local to the State Parliament.

# The Queen's Baton Relay wants you!

## Western Australia welcomes the Queen's Baton Relay in lead up to Gold Coast 2018 Commonwealth Games

Western Australia is looking for local legends to carry the Queen's Baton in Western Australia as part of the Queen's Baton Relay (QBR) in the lead up to the Gold Coast 2018 Commonwealth Games (GC2018).

The Baton will arrive in Western Australia on Thursday 22 February 2018 and will spend six days travelling through 19 communities, highlighting the State's great diversity.

Thousands of people are expected to turn out to cheer the batonbearers on.

Local legends will carry the Queen's Baton from Albany, the departure point for WWI soldiers, north through areas including Manjimup, Bridgetown and Bunbury. After spending time in the metro area, showcasing our iconic coastline and meeting the odd quokka, the Baton will head north to Karratha for its last day on Tuesday 27 February 2018.

"A relay isn't a relay without people, so the Queen's Baton Relay is looking for people of all ages and abilities to run the Baton around our State," says Ron Alexander, Director General of the Department of Sport and Recreation.

"This is your chance to be part of one of the country's biggest community events – and you don't need to be an athlete to be nominated.

"We want people who represent all that's great about our communities: someone who has made a significant contribution to sport, education, the arts, culture, community or a charity.

Mr Alexander said the Relay was a chance to show off the best of Western Australia to the rest of the Commonwealth – from our oceans to the amazing outdoors, places of Aboriginal significance and proud communities which are part of who we are.

"The Baton's journey will also inspire community pride and build excitement for the largest event to be staged in Australia in a decade.

Our whole  
community wins

“On a bigger playing field, this is a chance for Australia to inspire and welcome the world: exploring and celebrating the links, traditions and people that connect Australian communities with the Commonwealth.”

From today until 15 May 2017, anyone can nominate a person who inspires them to be great. Nominations can be made at [gc2018.com/qbr](http://gc2018.com/qbr).

GC2018 are looking for Australian citizens or people lawfully entitled to reside in Australia during the Relay period (25 December 2017 – 4 April 2018) and one of the following:

- Have achieved something extraordinary or inspired others to achieve something extraordinary.
- Have made a significant contribution to sport, education, the arts, culture, charity or within their community.
- Have excelled or aspire to excel athletically or personally.
- Contribute to a fun, friendly, vibrant and inclusive community.
- Are at least 10 years old as at 25 December 2017.

Across Australia approximately 3,800 batonbearers are needed to share the dream of the friendly Games.

The Queen’s Baton will travel through Australia for 100 days from 25 December 2017.

The Queen’s message is held in the Baton and will be read aloud at the Opening Ceremony on 4 April 2018 to officially open the Games on the Gold Coast.

The Queen’s Baton Relay will pass through Albany, Denmark, Manjimup, Bridgetown, Bunbury, Rockingham, Rottnest, Fremantle, South Perth, Burswood Park, Perth, King’s Park, City Beach, Scarborough, Hillarys, Quinns Rock, Wanneroo, Guildford and Karratha.

### HR - LR LICENCES

The Driver Trainers have advised they are unable to do an LR licence test. They can offer a HR Course - this licence would cover people to drive a bus. There are 2 different options available under the HR.

The HR-B is a synchromesh restricted HR and easier to learn as it does not require the double de-clutch method of changing gears, it is similar to a car gearbox with a split between low and high gears. This allows people to drive automatic and manual vehicles up to and including HR class, it does not allow them to drive a truck fitted with a Road-Ranger gearbox (double de-clutch method of changing gears).

The HR is an unrestricted HR but a bit more difficult to learn as it requires the double de-clutch method of changing gears, it is nothing like a car gearbox with a split between low and high gears. This allows people to drive all types of vehicles up to and including HR class, it does allow them to drive a truck fitted with a Road-Ranger gearbox (double de-clutch method of changing gears). Cost of the training and assessment is:

- HR-B \$995                      4 hours training plus assessment - restricted
- HR \$995                        4 hours training plus assessment - Unrestricted
- HR \$1695                       8 hours training plus assessment - Unrestricted

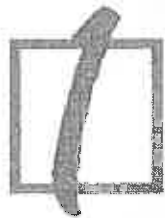

Please contact the CRC for additional information or to register interest in attending a HR Course. Phone 98881500 email [wickepinlibrary@westnet.com.au](mailto:wickepinlibrary@westnet.com.au)

## N-Calc proves its worth Tactical nitrogen for oats - Wickepin 2016

Summit Fertilizers continue to carry out some valuable field research around W.A.

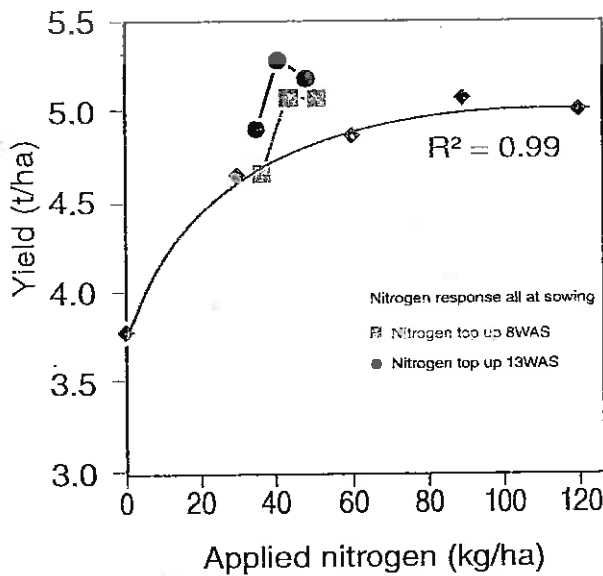

The N-Calc model has confirmed nitrogen recommendations in wheat, barley and canola and now looks beneficial in oats as well.

The trial data builds confidence that the N calculator provides recommendations that are not in excess of crop requirements, producing maximum returns from mid-season N applications.

# THE CAT'S OUT OF THE BAG

## FROM THE HORSE'S MOUTH

In the days when buying and selling horses was as common as buying and selling secondhand cars is today, it was as important to know the age of the animal you were buying as it is now to know the mileage of a car. A cautious buyer would always insist on learning the real state of affairs *from the horse's mouth* rather than the owner's. One glance at a horse's teeth can reveal how old it really is, since its teeth are worn away as it ages – the result of abrasion from its fodder.

If a horse were given as a present, however, it would be bad form to check its age before accepting it. Hence the proverbial expression, applying nowadays to all gifts and opportunities, *Don't look a gift horse in the mouth.*

One gift horse that should have been more closely scrutinised, as it turned out, was the *Trojan horse*, which concealed Greek enemy soldiers and helped to bring about the fall of the city of Troy.

## DRAW A BLANK

The reference here is to lottery tickets: only those with motifs or words printed on them win a prize. Buy a blank ticket, and you win nothing.

By coincidence, a very similar phrase – *to draw blank* – was used in hunting, with much the same meaning. To *draw*, in the language of hunting, is to scour a forest or hillside for game: *to draw blank*, sometimes *to draw a blank*, accordingly referred to an unsuccessful quest for quarry. Both idioms later passed into general use, though *to draw a blank* is now the more common form, to suggest a failure in any search or endeavour.

## PAY THROUGH THE NOSE

The standard theory about the origin of this strange phrase refers to a 'nose tax' said to have been imposed by the Vikings on the Irish. The 'nose tax' in effect protected the taxpayer's nose: anyone who refused to pay up was liable to the painful penalty of having his nose slit with a knife.

The theory does seem rather far-fetched, in that the 'nose tax' would have been levied in the 9th or

10th century, and the phrase *to pay through the nose* is first recorded only in the late 17th century. But no more convincing an explanation has so far been offered by language experts.
