WICKY LEAKS

Birthday wishes to Chris Ewen, Grant Davenport, Zoe Lang, Rhys Mullan, Clinton White, Matthew Simms, Trent O'Brien.

Deepest sympathy to the Leeson family on the passing of Wayne. The memorial service will be held on Friday 11th August at 1pm at the Community Centre.

We also extend our sympathy to the Spark family on the passing of Ron. Ron's funeral will be held at the Bunbury Crematorium on Wednesday 9th August at 11.00am.

Congratulations to Courtney and Kyle Stone of Scadden on the early arrival of their first child - Archie Charles, born at King Edward Hospital on 28th June 2017 weighing 4lbs12oz. Proud grandparents are Stephen and Linley Rose who now have 6 grandchildren.

Joining the grandparents club for the first time are Tina and Claude Simpson. Michael and partner Kirsty, welcomed the safe arrival of Jud Sidney at St John of God, Subiaco on Friday 28th July, 2017 weighing 7lb4oz. Congratulations to all.

Congratulations to Jessie Davey on the arrival of a precious little boy called Bruce, to granddaughter Chloe. The much awaited little man weighed in at 7lb1oz born on 28th August 2017.

Mavis McColl had some surprise visitors on the weekend. Rodney, Tatum, Mel, Jordan and Zoe from Perth. Also visiting were Grant McColl and partner Vivien from Albany who are moving to Pingelly to work.

Cath and Ross McDougall have enjoyed wandering along the Murray River and staying in Swan Hill, Mildura and Berri to explore the countryside which features vineyards, citrus and almond orchards and some cereal crops and admire the views along the river. They left the river land today and are now at Nuriootpa in the Barossa Valley.

As you will have noted by the advert elsewhere in the paper, the **Stay on Your Feet** movement is celebrating 20 years in Wickepin/Narrogin. Everyone is welcome to attend at the John Higgins Centre, Narrogin, on September 1st from 10am - 1.30pm, especially those who have been part of the group or who might like to join in the future. Please contact Ruth Bailey on 9888 1131 or Hazel Green on 9888 1156 if you would like to attend.

Congratulations to the Bullaring and Corrigin communities for their amazing effort to fundraise over \$107,000 for the Ronald McDonald house. The fundraising committee under the banner of team Leo, led by Kellie Bell, was inspired by Leo Baker and his family as a way to show their love and support when Leo was diagnosed last June, then aged 2½ years with a rare childhood cancer - Neuroblastoma. Leo and his Mum, Keren, have been staying at Ronald McDonald House Perth for treatment while Juan has continued to run their farm and look after their other 3 children. Sending love and thoughts to all the Baker family and the wonderful community around them.

Syd Martin journeyed to Mandurah to visit Marty Mahar to pick up a heritage rose. This rose has a bit of a history. It once belonged to Delphe Ahern's father, Carl and is a hundred years old. Marty has looked after it all these years after picking it up from the farm. The rose is donated to the Shire and it has been planted near the Facey Homestead.

THE SAMARITANS PURSE: "OPERATION CHRISTMAS CHILD" - Please fill a box for a child less fortunate than your own. This organisation provides Christmas boxes to needy children in slums, extreme poverty, famine areas and war zones. In New Zealand and Australia our boxes generally go to South East Asian areas. Please see staff at Resource Centre for instructions on how to fill a box. You have until October to fill a box and leave it with Irene Moore or at the Health Centre. Irene will deliver them to Perth for the distribution.

TO A SON

Maxine L. McIlvenie

You came into my life, son. You filled my days with joy.
I'd waited many years for you - my blue-eyed baby boy.
I loved you through your early days when you began to walk.
I listened to your every word as you began to talk.
You started school and grew quite tall. I watched you make your way.
I felt such warmth and pride and love. It filled my every day.
Too soon you were a man, dear. You stood alone at last.
You went to work and learned new skills. Your childhood days were past.
I have to stand aside now and watch you live your life;
To choose your goals and happiness alone, or with a wife.
Be true to self and choose the right. Have courage in your pain.
Help others when they're feeling down and make them smile again..
Remember this, when storm clouds come and hide the light above,
They'll blow away. There still will be the light, your life and love.
Be faithful in your friendships. Be fair in work and play.
Enjoy each precious moment and savour every day.
The greatest lesson you can learn; a fact that's tried and true
That what you do to others could come right back to you.
Help others who have nothing. Go out and help the old;
Those sick and feeble people who are lonely, sad and cold.
You have your health and vigour, your energy and youth.
Find outlets for your talents, look for beauty and for truth.
Appreciate your blessings. Do a good turn every day.
Share your better times with others. Do not fritter life away.
Look for good in other people, not the faults that you can find.
Be glad that you have loved ones. Be thoughtful and be kind.
As your life unfolds before you, there'll be sadness, there'll be joy
And maybe in the future years, you'll love a baby boy.

IN THE KITCHEN

Marmalade

Home-made marmalade is not only infinitely better, it is also much cheaper and more flavoursome.

You can make delicious preserves from the many citrus fruits available or add apple or peaches for variety. You definitely can take advantage of the time when oranges, lemons, limes, grapefruit or mandarins are available at your local fruiterer or when your fruit trees are laden with juicy fruits.

Basic guidelines for making marmalade:

- 1 The peel must be tender before the sugar is added.
- 2 Add warmed sugar, this prevents the temperature from being lowered while bringing fruit back to the boil, and consequently over-cooking.

- 3 When the sugar has dissolved, and not before, boil briskly, stirring gently until the marmalade sets when tested.

To test marmalade:

Draw saucepan from heat, remove a teaspoon of marmalade from saucepan, place on a chilled plate or saucer, refrigerate for a moment. Then run your finger through the centre, and, if the marmalade is at setting point, the surface will crinkle and remain in two separate portions.

OR use a candy or confectionery thermometer.

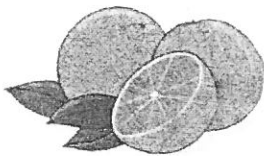

Skimming:

(To remove scum)

If necessary marmalade should be skimmed to remove any scum from the surface. This should be done towards the end of the cooking, usually after testing for the setting point. As continuous skimming is wasteful and unnecessary.

Golden orange marmalade with whisky

6 small carrots
3 oranges
2 lemons
sugar
water
1 cup Scotch whisky

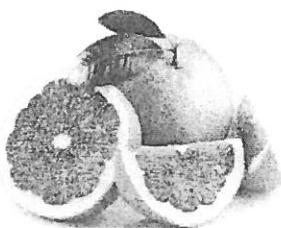

- 1 Peel the oranges and lemons.
- 2 Soak the skins in water overnight.
- 3 Next day chop the skins finely and discard the water.
- 4 Cut the orange and lemon pulp into slices.
- 5 Scrape the carrots and grate them finely.
- 6 Place the peel, chopped fruit and carrot into a large pan.
- 7 Cover with fresh water and bring to the boil. Cook until the carrot and fruit is tender — it can take up to one hour.
- 8 Measure the pulp and juice and for each cup and a half of juice and fruit, add one cup of sugar.
- 9 Bring to the boil and stir until the sugar is dissolved.
- 10 Cook rapidly until a little, when tested on a saucer, will set.
- 11 Add the whisky and cook for a further two minutes.
- 12 Cool, bottle and seal.

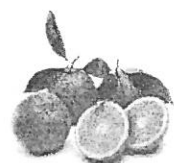

Three in one marmalade

4 kg approximately

1 grapefruit
1 large orange
1 lemon
2.5 litres (10 cups) water
2 kg granulated sugar

- 1 Wash fruit, cutting each one in half and then into wafer thin slices.
- 2 Place in large bowl, cover with the water and leave overnight.
- 3 Next day, place into a large preserving pan, bring to the boil, then add the sugar and stir over low heat until sugar dissolves.
- 4 Bring to the boil, boil rapidly until setting point is reached.
- 5 Allow to stand 5 minutes, stir gently to disperse fruit.
- 6 Pour into warm, dry jars.

WICKEPIN NETBALL CLUB RESULTS

Juniors

Round 11 – 29th July

10/U Wickepin Versus Flames

What a great game this was! We lost narrowly by 1 goal – 4 goals to 5. Impressive work from everyone who lead in front and defended well. A super proud coach today for a great four quarter effort. Player of the day for this game was Abbey who we welcomed back from a bit of a break.

Wicki Pings 20 def Waves 5 19

With 2 of our players away, the girls had to work super hard – obvious by the red faces at the end of the game – but the effort paid off with another 1 point victory over Waves! Well done girls. A great game that was not won until the dying minutes. A credit to you all for playing your positions well and pushing hard right until the end. At this stage we are back on top of the ladder – Amazing!! Thanks to Anthea for umpiring.

Round 12 – 5th August

10/U Wickepin Versus Pingelly

This was a game of top versus bottom of the ladder and the team worked super hard on consolidating what we had learnt at training – which was being aware of where our own players were leading and then leading in the opposite direction. Our first half was super impressive with the topside being held to only four goals and most of the play was had by us. The second quarter saw Lexi getting our goal, a super effort from a player who normally plays in defence. Player of the day was Sophie for her dedication to “sticking on her player” and also leading into space. The team has certainly come a long way this year and we look forward to our last three games.

Wagin 7 23 def Wicki Pings 19

What a hard fought close game – this team has improved since the last time we played them. This just goes to show how close the top four sides are and how lucky we are to be in tight contested games that can go either way!! Bad luck girls – you were all competitive throughout the game but the opposition just got a few goals ahead and we were unable to catch them up. Well done to Lily and Hayley who played a great game in defence – working overtime as the opposition had it up their scoring end a lot!
4 games left – I know you will give it your all.

Seniors

Round 11: 29th July

A3

29th July saw the A3 girls take on Olympics Aqua with the game dedicated to Sue Spark & family. We came out blazing but couldn't quite run out 4 solid quarters. In a hard fought game, we ended up going down by 6. Umpires votes went to Virginia.

30th July we travelled to Williams with our bare 7. We started off flat, with a few sore muscles from the day before. Our momentum picked up in the 2nd half with great defensive pressure being applied down the court. We had a few issues converting shots on goal but managed to run home with a win 25 to Williams 18.

A1

We hit the road to take on Williams on their home turf and came away with a solid win, defeating Williams by 10 goals 42 – 32.

We have been working hard to play our own game and put in the full 4 quarter effort and by doing this we have seen some more consistent netball from our team. From our defensive end to our goal circle, everyone played their role in this game and the talk/direction and strong leads is what we want to see continue for our remaining games. It was great to have Mel back out on court after being unwell for the last couple of weeks and we wish Michelle all the very best with her recovery from her shoulder operation and look forward to having her courtside with us. The umpire votes went to Danni and Kelly.

Wickepin Netball Club Results Cont'd

Round 12: 5th August

A3

5th August we took on Waves in Narrogin. With only 7 starters, Shannon Bubb kindly came down from Perth to fill in. Again we dominated in defence, with excellent pressure down the court. With congestion through the centre court, our focus will be on improving on this in the next few weeks. Final score was Wicky 48 to Waves 31. Umpire votes went to Shannon & Rachael.

A1

An 18 goal win for us this round against Waves, 55 – 37.

We wanted to remain strong with our passing and leads this game and from the 2nd quarter we were using our better options and were able to stretch the lead in our favour. With a few positional changes amongst our defenders, Anj back in the goal circle and Katie having a run in WA, it was good to see the team adjusting well to some different positions and combos. The umpire votes in this game went to our shooters, Anj and Deb.

A heads up that we have 2 home games in Wickepin to finish off our round games on August 19 and 26 and encourage supporters along to cheer us on as we head in to finals! A big thank you goes to our home game award sponsors so far this season – **Ken Martin, Ted & Sue Astbury and Ray Lewis.**

Player Profile

Name: Emily Davey

Favourite netball position: GD

How many years playing for Wickepin Netball Club? This is my 3rd season

Most memorable season? 1st season for Wicky and making the GF

Most embarrassing moment on court: Calling people by the wrong name all the time!

The training drill you dislike the most: Not a training drill but pre season lunges

Pre match routine: Wearing the same socks every game (2 left ones)

Most funniest team mate? Would have to be Deb!

If you could be another team mate for a week who would it be and why? Danni and Kel – all that running they do and how hard they work every week!

Your personal aim this season? Playing well with a new team, making new mates and taking it all the way

One word to describe you? Some people would say rough but I would call it competitive

Wickepin Bowling Club

WICKEPIN LADIES HOCKEY CLUB

I apologise now as this next game review should have been out in the first week of school holidays but as I was in Kalgoorlie the notes slipped my mind - very sorry for any inconvenience.

Robins Red vs Wickepin 1st July 2017 @ Narrogin turf @ 1.15pm

Prior to game it has been bucketing down with rain. Giant puddles cover the sides of the turf so in our warm ups everyone trying to dodge puddles and Kirsten not liking the idea as she plays in goals today. Holly Eales showing her skill clears it out plenty of times

You miss hockey don't you? welcome back I hope! Megan away and we recruit the Hill girls, Hayley and Hannah. Thankyou very much to all. I cant remember who got votes but both Hill girls received spectator votes. Thankyou to sponsors. Sorry I cant remember due to me being siv head i know we won and i thought it was 3-0 but please refer to Stefie Green as she is more organised and efficient than me and i have other circumstances that have been raised. Sorry Umpire votes to Renae, Shirley and Jody, and spectator votes go to Holly Eales sponsored by the Wickepin Newsagency. Super 66 winners for week 9 goes to Raymond Matthews with no. 7 and Holly Eales no 25. This Saturday is our last week so fingers crossed for all those who haven't won yet!

Welcome back from school holidays, hope everyone enjoyed their two weeks off.

Congratulations to our super 66 winners for week 10 Jessie Davey no. 99 and Hazel Green no.42. This means this years competition is now over! Congratulations to all our winners and thankyou very much to everyone who supported our clubs fundraising! More chances to win next year!

All Blacks vs Wicky @ NarroginTurf @ 1:15pm

Wickepin won toss, taking ball up & back to both attacking ends. All Blacks defence very strong. Kirsten is playing on field today and Rochelle Blechedyn back in goals. Thanks Courtney for coaching us on side while demonstrating child care with a plastic baby.

Plenty of long hits being made to and from all players. There was not many short passes in their 3's up the field. Up and back a couple of times 15 minutes into the game Renae and Stefie G take the ball from the 16(def) area together passing the ball 3 or 4 times up centre of field all the way to our attacking D and Renae hits and scores. Excellent play girls best on the bench I have seen all year, that was very well noticed. Inners changing every 10/15 minutes, still big hits being made and everyone getting little puffed it goes down All Blacks attacking line, Jody swoops in, controls herself and clears it out wide good job. Up and back to their attack line again and they score a short. Well done Rochelle our goalie and all defence in keeping the ball out of their goals.

Up and back into our attacking D couple of hits in and out Ronelda traps the ball and pushes the ball straight past all blacks goalie on left side. Great goal Ronelda. That's 2-0. Up and back all blacks scoring few shorts throughout. A recount on one of the shorts, All Blacks pushing out and a big hit in from one of the players, Rochelle giving the ball a big kick with her boot and falls to the ground managing to separate from some of her goalie gear, shoe and other thing came off. "Hope your not too sore!" You didn't let them score great job, VERY PROUD TEAM! 3-0 on electronic score board. We haven't got that many! Or i have forgotten 1. From All Blacks end to our attacking 16 everyone getting the ball and at some stage or another showing little more control this half, Renae hits a big one to Steph K (left field wing) and controlling the ball on her stick dodging a few All Black players pushes the ball and SCORE straight through there goalie. Another win girls still on top of the ladder.

WICKEPIN LADIES HOCKEY CLUB

Brookton vs Wicky @ Brookton @ 2pm

Knowing we drew 0-0 all last time that we played in which was at Wickepin we knew this was going to be tough game. Wicky scoring a short with not even 10 min into game, Jody seems to drive it through past goalie. YEEHAAA Jody, This was looking positive. Renae and Jody dominating centre passes hits and controlling was well seen in this game, Stretch out still with injury as much to her disgust Barry manages to capture photo of her writing notes haha, photo to be shown at a later date! Well done to Stefie, Stace, Shirley and Jodes with short passes through centre down field, and Brookton score a short. Rochelle and Holly doing a great job in the back line. Brookton having few chances of putting it past them but our defence wasn't laying low! Stefie Green takes the play and tries to go for goal unfortunately Brookton swipes it. 1-0 half time. 5 minutes into 2nd half Jody pushes to the top with a hit to Renae to Stefie not enough to finish. Up Brooktons end into their D and Jody goes to hit it out and one of the Brookton players gets the stick into her mouth guard. Ouch! Down our end heaps, to me it looks like Jody, Steph K and Stace H are fighting over the ball it looks like Stace has tapped it in for a goal. Stretch unsure apparently hasn't been called and Steph K taps it back in. One of them scored 2-0. apparently bit of discretion with umpire Jody gets sent off for apparently not being 5 (which means you need to be 5 metres away from the person taking the free before you attack the Ball) we will not repeat what was said. Umpire votes went to Renae Shirley and Stacey Halstead. Sponsored by Wickepin Rural Supplies game award went to Jody Matthews

Warriors vs Wicky on Narrogin turf Sat 5th August @ 8.20pm

With 4 players out(damn you people and your social lives) and a player playing with unknown injury and some feeling yucky with colds we took on Warriors Saturday night at 8.20pm. Most of our local supporters on couches by fires having supper keeping warm. Well i can say most of us probably wanted to be there but hey!. The night was not that cold despite what we were all thinking and running as much as we did warmed us all pretty darn quick. Very exciting game with everyone gelling as a team. A lovely goal by Renae Bransby in the first half in which gave us the upper hand. We had plenty of chances, but just couldn't get it in. Fabulous work by our back line keeping out those never ending attacks from Warriors. This game was like a game of fuse ball one end lots of attacks and defence and hits by everyone then to other end and same plenty of times. Final score 1-0. Umpire votes went to Renae, Jody and Stefie. Game day award went to Ki Ki Richards sponsored by the Wickepin Harvest Cafe and Hotel. Thankyou to Hayley Fitzimmons and Regan Bain, who travelled from Northam to warm the bench for us and allow Stretch to have breaks. Great to see your knee holding up so well, hope to see you next year and well done to Regan who has never picked up a hockey stick before, you did great for your first time and really appreciated both of you coming out. Thankyou also to Aaron Bransby for covering the Tech Bench duties.

We still hold the top of the ladder with no losses, all games won bar 3 which were drawn. So please rug up and come down to our next game it will be great to see supporters there.

We'll see all of our supporters back in Wickepin for our last home game on Saturday 12th August at 2pm against Wagin.
