Father's Day 3rd September 2017

# WICKY LEAKS

Birthday wishes to Jackie O'Neil, Emilija Lozenicins, Sarah Hyde, Matthew Podmore, Emily Doncon, Julien Williamson, Nicholas Hill, James Matthews, Matthew O'Brien, Kirralee Mallett, Rory McDougall, Peter Arnol, Alexander Heffernan, Graeme Wyllie.

A sincere thanks to the CRC for organising a fabulous day at the Community Centre on August 14th with their Beez Inspired day. Presenter Tracy Lansdell from Green Tree Naturopathy presented an extremely informative morning speaking about native bees and their environment. Tracy brought along a couple of her "bee hotels" and most exciting was our hands on experience of making our own bee hotel, with the empty boxes made by the She Shed He Shed.

Last night the Wickepin D Grade football club held their wind-up and presentations at the Wicky Hotel. The night was enjoyed by all who attended. Thanks to the Hotel for the meals and putting up with many young kids and noise. Thank you to President Jamie for attending and his words. Also coach Poppy - great job Pop; Doncs for the great team manager job you've done all year. Awards were: F & B - Samuel Holmes; R/up - Sam Grieve; Most Consistent - Andrea Capizzi-Davenport; Best junior - Bryce Pauley; Most improved - Ceejay Hill; Coaches Award - Morgan Wilson. Also must be mentioned leading goal kicker for the year was Cooper Bennier - 3 goals. Well done to the winners and to all the players who even though so young (futures of our club) gave their all. See you in 2018 Wkp D Graders.

Congratulations to Stacy Williamson and Angelo Buttigieg who announced their engagement in Malta on 31st July. Stacy is the daughter of Tom and Karen Williamson.

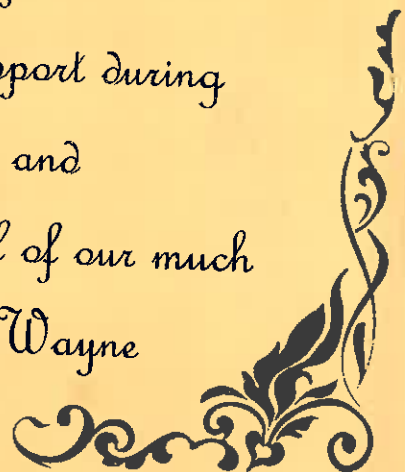

Helen and Tom Sands celebrated their 40th wedding anniversary last Saturday night at the Yealering Hotel. They were accompanied by members of their bridal party - Valda & Greg Turner, Audrey & Peter Bird, Tom Williamson, Margaret & Neale McLean, Raymond & Jody Matthews. Congratulations to you both - a mighty effort!!!

Kathy Bushby attended the Lorraine Lea State Conference in Perth at the weekend. Kathy is our local sales consultant for Lorraine Lea Linen and you can contact her for all your linen needs.

## Thank you

Karen Leeson, Trevor, Wendy, Belinda and families would like to thank everyone for their loving support during our difficult time with cards, phone calls, flowers and especially the hugs and attendance at the funeral of our much loved husband, father, father-in-law and Poppy, Wayne

# What's On In Wickepin Shire

## Mondays:

Every 2<sup>nd</sup> Monday Watershed News - Feb to 11th Dec

Every 2<sup>nd</sup> Monday - Camera Club @ CRC 5.30 - 6.30pm

Every 3<sup>rd</sup> Monday Wickepin Community Resource Centre Committee Meeting at 5.30pm.

Hairdresser first Monday each month by appointment or walk in at Facey Group Building.

## Tuesdays:

Shedders ~ @ Old Recycling Shed Richter St- 9am

Pathology Service~ Appointment Only @ Wickepin Health Centre

Wickepin Ballet Lessons @ Wickepin Town Hall  
until 12th September 2017

Banksia Bowmen Archery- Wickepin Community Centre

Body Combat - Wickepin Community Centre -5.45pm

## Wednesdays:

Every Wednesday- Social Arts & Crafts 9.30am - Joyner St

Fitness Class 9.30am @ Wickepin Community Centre

Yoga ~ Wickepin Community Centre ~ 6.00pm  
No classes held during school holidays

## Thursdays :

Playgroup - Playgroup Building during school term- 9.30am-11.30am

Hookin2Hockey - 3.45pm @ Wickepin Oval

## Fridays:

Wickepin Bootcamp ~ Wickepin Indoor Courts ~ 6.15am ~ 7.00am

“Be Active” Exercises -Wickepin Community Centre ~ 9.30 -10.30am

## Saturdays:

Banksia Bowmen Archery- Wickepin Community Centre-9am

## Sundays:

Anglican Church every 1<sup>st</sup> & 3<sup>rd</sup> Sunday - 8am

Pot Club Bowls 10am ~ May to September.

# KEITH BUSHBY'S TRIP TO CAPE YORK

Accompanying me in my Land Cruiser Ute was grandson Jamie Eggers and in a separate vehicle, grandson Morgan with his partner, Tara.

We had light rain all the way across and to Queensland. It was very cold at nights.

We left from Esperance lunchtime on Monday 3<sup>rd</sup> July. The first night we stopped at Balladonia, onto the border, Ceduna, Port Augusta, Peterborough. At Peterborough we went out to Magnetic Hill. Jamie can vouch that it truly works. i.e. Engine switched off at bottom of hill and vehicle travels uphill on its own. All of SA is very dry and short of water. We went to Canberra to visit Elaine's sister, but she wasn't home, but took in the sights including parliament house and the war memorial. This was Jamie's first visit out of the state and Morgan had been to Victoria once to purchase a car.

We headed for Brisbane then out of Brisbane we visited Australia Zoo then afterwards we drove through the Daintree Forest. We then carried on to Smithfield. We kept on driving around this area until we got to Cooktown. From Port Douglas to Cooktown we followed the coast.

After Cooktown we got to Archer River where the fuel was \$2.00litre, onto some very poor roads with 2ft corrugations. Every 25kms of dirt there was about 10kms of bitumen until we got to Cohen. We went up the Bamaga road to Bamaga where we had to do 34kms of really rough dirt again to get to the point, then we had to walk the last 3kms. We elected to walk up on the water side and when we got to the tip and had our photos taken, people said to come back across the top of the rock. We did this and thank goodness I had taken my walking stick. There were dozens of people there.

We stayed 2 days at Loyalty Beach. The others went for a 1 hour helicopter ride and saw a 15 metre croc. The Jardine ferry was \$150 to cross the ferry two ways and to camp up there. We came down through Mareeba to Ravenshoe – we couldn't get a spot at the park because the park has warm water running out of the ground, on to Garnet and that was all bitumen then. Some of it not so good. Through to Croydon on the Savannah Way to Normanton, heading south to the Burke & Wills roadhouse, on to Cloncurry and on the Barkley highway to Mt Isa. At Mt Isa we did a mine tour, fuelled up then headed off to Camooweal roadhouse then carried on to the Barkley homestead for the night. I have been to the Barkley Homestead caravan park several times, usually only half full but this time it was packed out.

On to Alice Springs where we stopped for another 2 nights and over half a day was spent at the truck museum. Fuelled up and early to bed. Went down through Marla and Coober Pedy, stayed a night at Coober Pedy, checked out 3 sites where they live underground. The boys and Tara slept in an underground motel but I chose to stay at the caravan park. The next day we got back up to Eridunda where we stayed the night, then on to Ayres Rock. The boys and Tara had a go at walking around the rock – I stayed at the camp site. Next morning we headed off – got to Warburton where the diesel was \$2.06. Next night we got to Leonora but couldn't get in at the park so had a unit instead. In the morning we checked out Gwalia where they are mining again and the hole is 3 times bigger than it used to be. On to Kalgoorlie, called in to Kookynie where Niagara dam is less than half full. Some light rain here and back to cold again.

Got back to Kalgoorlie and checked the super pit where Morgan and Tara headed off to Esperance – Jamie and I headed west. Turned south at Merredin, bought some fuel and had a meal at Naremben and drove through to Lake Grace where I deposited Jamie then headed off for home where I arrived about 9.30pm.

Jamie slept in the back of the Land Cruiser ute and I had our off-road camper. Morgan had a cruiser wagon and a tent on the roof.

We didn't drive through much water – the deepest was about 2ft.  
Mileage travelled – 15,120kms in 5 weeks. Fuel used - \$2695.00.

## Securing a world of food...a flying trip to Canberra

Sarah Hyde, Facey Group

The greatest challenges we face are those that we sometimes are not sure to take ourselves; but influenced and encouraged from our peers. Until a few months ago I personally had not understood what the Crawford Fund was, let alone what it did or the opportunities it could provide.

After being selected to represent W.A as a scholar and embark on a 2 day conference in Canberra with such amazing people, I wish that I had been informed of this great organization, and the work they do a decade ago when I was leaving university.

In saying that I am challenging myself, to ensure that I can get the message out to the next generation and expose them to the amazing opportunities that they can embark on in agriculture all over the world. I am not a scientist, but have been involved in research over my career. I have always been passionate in connecting people and in my career have invested much of my passion to on ground delivery of information and research to ensure farmers are getting the answers and issues they need addressed, to ensure continued growth and sustainability in feeding the world.

The Crawford Fund gave me the most amazing experience in meeting so many people from within Australia and throughout the globe, working in agriculture and of the same passion for feeding the world and remaining sustainable. The scholarship allowed for me to expand horizons and contacts in which I would not have traditionally come across in my day to day work; and I am hugely thankful for the opportunity.

Whilst I have worked in agriculture for close to 8 years, I must admit that my thought pattern had never previously expanded far from the farm gate, and the provisions for being successful were to produce more and ensure that markets were accessible. The Crawford Fund really opened my eyes to the need for looking further, globally and with more of a focus on actually feeding the world 'nutritionally' not just by quantity.

I am hugely excited to transfer this knowledge and inspiration onto the next generation and for those who are still working within the agricultural industry or would like to enter into it. There are so many experiences all over the world and through many different facets, and I encourage you all to ask the question and challenge yourself to do something for the industry that we all work in each and every day.

Whilst research is critical, the follow on from this is to ensure that it is adopted and that the extension is completed correctly for all involved to benefit. I am challenging myself moving forward to embark on opportunities to disseminate information from research not only locally but internationally and hope that grower groups can provide a key link to the delivery of programs and assist in the evaluation of adoption on a great scale; with experience in peer to peer learning and specialized programs.

I am very thankful to the fund for this support, I look forward to many opportunities moving forward and for the extension of knowledge of such a wonderful industry that feeds us all every day. There are many opportunities that we can embark on internationally and we sometimes don't realise how great we have it here in Australia and the advancements that we have in agriculture.

I am hugely thankful for the opportunity to travel to Canberra for this conference and have made some great connections that I hope that we can integrate with the Facey Group and the wider agricultural industry right here on our doorstep.

*The Crawford Fund is a non-profit, non-government organisation that works to raise awareness of the benefits to Australia and developing countries from international agricultural research, commissions studies on research policy and practice, and arranges specialist training activities for developing country scientists.*

### Harrismith Op Shop

Due to high customer demand the Harrismith Op Shop will be remaining open for the foreseeable future.

Open Mon, Tues, Wed 10am-2pm and Sat 9am-12pm

Stand still at the She Shed He Shed at the moment and you are likely to be painted, welded or planed. There are four different projects going on at the Shed and new members are joining in the activity.

Finished and now distributed were Bee Palaces for the CRC's Bee information day. Thanks must go to those who donated old sheep yard panels as they made perfect palaces for, we hope, happy native bees.

The second welding workshop for the year was held on the 5<sup>th</sup> of August with a big crowd of learners receiving instruction from Tom Sands and John Meddings. There were some very impressive creations resulting but more importantly everyone left with a new skill under their belts. Holding these workshops has increased our membership with interest coming from Kulin, Williams, Cuballing, Narrogin, Tincurrin and Yealering.

One of our new members, Laurie has miraculously resurrected our wood lathe and is now whipping it into submission with pieces of timber being transformed into recognisable shapes.

Speaking of lathes, 'Phil the Lathe Whisperer' has now repaired the metal lathe and it is ready for action. We have been very pleased to have our apprentice Phil back with us and tackling the Case tractor again under the watchful eye of his mentor, Peter. It is certainly being a challenge for them with a lot of head shaking and chin scratching.

The Shed has had a major upgrade of power and new benches which makes our work space much improved. The Sheddies are nothing if not diverse in their talents and skills. We still have plans for more improvements which we hope may happen soon.

New acquisitions now mean we have extended our wood working gear to include saws and thicknesser/planers which means the possibilities are endless. Plans are afoot to make birdhouses to encourage some of the unusual species.

Restoration work on the old binder has started. Our chief restorer is painting the timbers and is looking for a helper.

Of course the welders are continuing with their learning, creating and developing.

If any of these activities sound interesting, contact Libby on 9888 6041 or Rex Bergin for more information or turn up on Tuesday mornings at 9am at the shed.

## WHEATBELT FARMER INNOVATION TO REDUCE MACHINERY DOWNTIME

The Turner family of Wickepin are pleased to announce the release and pre-order availability of their Hosepatch hydraulic hose repair kit. Business owners Chris and Ricki Turner came up with the innovative idea from the vital need for farmers and industry to keep moving and reduce downtime. Chris stated, "many farmers and industrial operators express how frustrating it is being in a rural or remote area and the wait for hydraulic hose repairs in peak times, especially on weekends, where a machine can be down for days affecting businesses bottom line".

The Hosepatch can be used as temporary fix as either a low-pressure clamp, to move machinery back to the shed, or as a joiner to continue operation until a replacement hose can be acquired. Chris said that the Hosepatch has "can be used for hose pressure up to 6000psi, when used as a joiner". The innovation will allow farmers and industry to continue operations when faced with downtime due to hydraulic hose issues.

The mechanically minded fourth generation farmers, who recently have welcomed the fifth generation in, also operate their clover rolling and spray-painting business around their farming operations. Hosepatch are currently taking pre-orders for September delivery, though interested customers are urged to get their orders in quickly as Chris said "we have been inundated with order requests since the release in mid-July. Word of mouth seems to have snowballed, and we are very impressed with peoples comments on the simplicity and ingenuity of the design. We aimed to make the design as basic as possible so growers could use their tools on hand to apply the patch, it's that basic even my 4 year old knows how it all goes together".

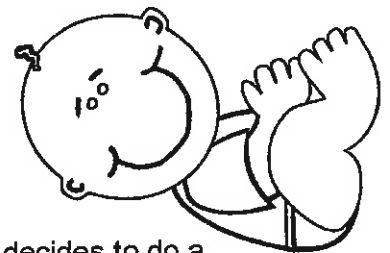

The Hosepatch kit contains 1/4", 3/8", 1/2", 3/4" and 1" clamps and joining barbs and is priced at \$550 GST inclusive. Individual sizes are also available, as well as replacement hydraulic hoses made to order. They can also supply quick release couplings and crimp tail fittings. The Hosepatch is designed to be re-useable, once a replacement hose is obtained, clean the clamps and joining barb and place back in the kit for the next use.

Pre-orders can be made from [www.hosepatch.com](http://www.hosepatch.com) or from their Facebook page. Catch the Hosepatch team at this years Dowerin, Newdegate and Mingenew Field Days for a demonstration and more information.

---

## MEN!!

After 10 years, the wife starts to think their kid looks kind of strange, so she decides to do a DNA test and finds out that the kid is actually from completely different parents.

**Wife:** Honey, have something very serious to tell you.

**Husband:** What's up?

**Wife:** According to the DNA test results, this is not our kid.

**Husband:** Well, you don't remember, do you? When we were leaving the hospital, we noticed that our baby had pooped. You said: Please go change the baby, I'll wait for you here. So I went inside, left the dirty one there and got a clean one.

Moral: Never give a man a job that doesn't belong to him.

### THROW SOMEONE OFF THE SCENT

The phrase to *throw (or put) someone off the scent* developed from the idea of confusing a hunting dog or bloodhound.

An untrained or incompetent dog would be confused by a new smell, but a good hound would identify and filter out such interruptions and retain the distinct scent of the prey being trailed.

Many a fugitive, sprinkling pepper on the ground or swimming across a river, must have thwarted his pursuers - both dogs and men - *by throwing them off the scent* in this way.

This week sees the start of our Heavy Vehicle Training. So look out for our 'Learner' truck drivers if you're on the road! The next few months are looking pretty hectic here at the CRC, with heaps of training courses, information sessions and fun events coming your way. Stay tuned for more information about our Lake Yealering Regatta Market Day in October - which will be a fantastic event for the whole family! We are in the process of organising some events for Seniors Week in early November so keep a look out for more details on that! Come down to the CRC for more information, or to register for any of our upcoming events!

**Free Book Friday's!!**

Our free book Friday's are continuing into August! So come down on a Friday and check out our selection!!

**Wickepin CRC AGM**

Want to know more about what goes on at the Wickepin Community Resource Centre? Come along to a meeting or join our committee. New members are always welcome and all ideas and feedback are heard with enthusiasm! **The CRC AGM will be on Monday 18th September - 5.30pm at the CRC.**

**Albert Facey Homestead  
VOLUNTEERS WANTED!!!**  
Contact the CRC if you can spare half a day a month.

**Child Car Restraints**

Jodi at the CRC is now an approved type 1 child car restraint fitter, which means she can check to see if your restraints are fitted correctly, or fit them for you. Contact the CRC to make an appointment.

**National  
SCIENCE  
Week 2017**

**Beez Inspired**

A big thanks to Tracy Lansdell from Green Tree Naturopathy for speaking to us. A fun morning was had by all, learning about native bees in our environment and which specific plants and flowers can help to attract bees to your garden. Hopefully we will see lots of Native Bees visiting our Bee Hotels in the Spring!

**Calendar Competition  
2018**

This year we will be designing a Sunset & Sunrise Calendar  
**So Snap to it**  
Entries close **October 13th**  
Entries must be emailed or delivered to the CRC on a USB or any other electronic device!

Did you know we have a variety of History books available for purchase at the CRC and you can borrow them from our library.

The Talking Timeline is now \$10

**WICKEPIN COMMUNITY JACKETS**

We still have plenty of Wickepin Community Jackets available at the CRC in various adults and kids sizes.

\$70 each

**Save the Date!**

Saturday 28th October

# COUNCIL NOTES >>>> 22 AUGUST 2017

## LOCAL GOVERNMENT ELECTION NOMINATIONS 2017

Local government nominations will open on Thursday 7 September 2017 and will close on Thursday 14 September 2017 at 4.00pm.

Nominations must be lodged with the Returning Officer, Mark Hook, at any time during the above period at the offices of the Shire of Wickepin, 77 Wogolin Road, Wickepin.

The Returning Officer, Mark Hook, will have the nomination form as well as other relevant information for candidates. In order to nominate a person must:

- Complete the nomination form available from the Shire of Wickepin office
- Complete a Candidate's Profile
- Pay the deposit fee of \$80 where the Returning Officer is able to ensure that the amount is credited to the Council before nominations close; and
- Ensure that the nomination has been properly authorised by the candidate where it has been lodged by an agent on behalf on the candidate.

The documentation can be lodged by hand, post, fax or electronic means so long as it is printed in hard copy by the Returning Officer prior to the close of nominations and the deposit fee is received as cleared funds by that time.

Any person may nominate for council who is on the local government electoral roll. Or any person who has had their claim for enrolment as an elector on the local government, State and Commonwealth Government rolls, accepted prior to nominating unless he or she is a nominee of a body corporate owner or occupier or is otherwise disqualified.

Information is available on our website [www.wickepin.wa.gov.au](http://www.wickepin.wa.gov.au) or call the Shire of Wickepin admin office on 9888 1005. Alternatively email [eso@wickepin.a.gov.au](mailto:eso@wickepin.a.gov.au).

## UPCOMING CALENDER

- Tues 5 September** DrumMuster
- Wed 13 September** Townscape & Cultural Planning meeting
- Wed 20 September** Ordinary meeting of Council

*If anyone has any queries regarding any of these matters they are encouraged to contact the Chief Executive Officer or local Councillor.*

# WICKEPIN POLICE STATION

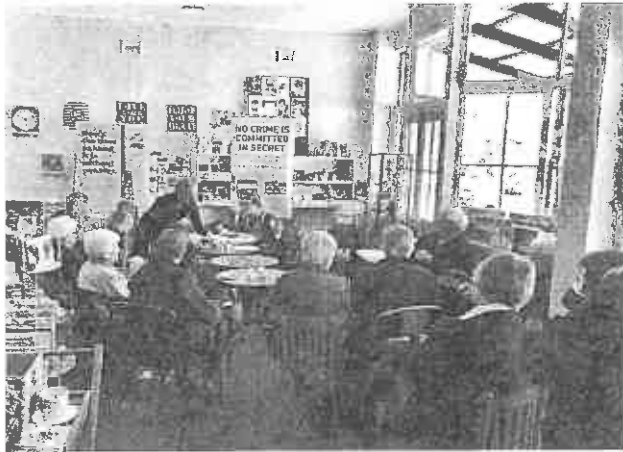

## Coffee with a Cop

Thank you for everyone who came down to talk with us on Wednesday it was a fantastic turn out. A lot of good conversations were had and it was a great opportunity to get to know the local members of our community better.

A special thank you goes to Jean and everyone at Wickepin Newsagents & Lunch Bar who lent us their space and

kept up with the high demand for coffee.

Remember though, you don't need to wait for the next 'coffee with a cop' to talk to us, we're always out and about so if ever you have concerns or need to talk feel free to stop us in the street or pop into the station.

## Security Advice...

I know it's been cold out there and we all want a nice warm car but I just want to remind you all that if you leave your car running with the keys in it only takes a second for someone to drive it away. Not only that but if you do this on a road or outside your favourite shop it's also an offence, so please turn your car off and lock it if you're not in it.

**ALL WELCOME!**

# IN THE KITCHEN

## Vanilla & Lemon Panna Cotta with Raspberry Sauce

### Serves 6

- 900 ml/1½ pints/3¾ cups double cream
- 1 vanilla pod, split
- 100 g/3½ oz/½ cup caster/superfine sugar
- zest of 1 lemon
- 3 sheets gelatine
- 5 tbsp milk
- 450 g/1 lb/3 cups raspberries
- 3-4 tbsp icing/confectioners' sugar, to taste
- 1 tbsp lemon juice
- extra lemon zest, to decorate

- 1 Put the cream, vanilla pod and sugar into a saucepan. Bring to the boil, then simmer for 10 minutes until slightly reduced, stirring to prevent scalding. Remove from the heat, stir in the lemon zest and remove the vanilla pod.
- 2 Soak the gelatine in the milk for 5 minutes, or until softened. Squeeze out any excess milk and add to the hot cream. Stir well until dissolved.
- 3 Pour the cream mixture into six ramekins or mini pudding moulds and leave in the refrigerator for 4 hours, or until set.
- 4 Meanwhile, put 175 g/6 oz/1½ cups of the raspberries in a food processor with the icing/confectioners' sugar and lemon juice. Blend to a purée then pass the mixture through a sieve. Fold in the remaining raspberries with a metal spoon or rubber spatula and chill in the refrigerator until ready to serve.
- 5 To serve, dip each of the moulds into hot water for a few seconds, then turn out on to six individual serving plates. Spoon some of the raspberry sauce over and around the panna cotta, decorate with extra lemon zest and serve.

### Freshen Carpets and Rugs

While you have the vacuum cleaner out, why not freshen up the carpets and rugs around the home? It does take a little forethought, but it is very effective. Mix together 10 drops of lemon oil, with an equal amount of one of your other favourite essential oils. Add this mixture of sweet-smelling oils to 125 g/4½ oz/1 cup of bicarbonate of soda (baking soda). Bicarbonate of soda (baking soda) is really good at neutralizing smells and the oils provide long-lasting and sweet aromas. Leave the mixture overnight to ensure that the bicarbonate of soda (baking soda) has absorbed all of the oil and then liberally sprinkle it over your carpets and rugs. Let it soak into the tufts of the carpet or rug for a while and then vacuum up the mixture.

### Prevent Drains from Smelling

Pour a glass of water containing the juice of a whole lemon down the kitchen sink to keep it fresh-smelling. You can do the same for bath, shower and sink plugholes, because they can also smell, particularly in hot weather. The lemon juice will also disinfect as it travels down the drains.

### Eliminate Fireplace Odours

Picture the scene: the wind is howling outside. It is freezing cold and you are sitting beside a warm fire. Absolute joy! But then it starts to belch smoke and the whole room begins to

### In The Garden...

Spray all fruit trees and roses with a copper based spray. Liquid copper sprays are easiest to use. Geranium plants benefit with a spray on the backs of the leaves, this helps to resist rust disease

## THE HUSBAND

A group of women were at a seminar on how to live in a loving relationship with their husbands.

The women were asked, "How many of you love your husband?"

All the women raised their hands.

Then they were asked, "When was the last time you told your husband you loved him?"

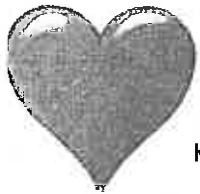

Some women answered, "Today", a few "Yesterday", and some couldn't remember.

The women were then told to take out their cell phones and text their husband: "I love you, Sweetheart."

Next the women were instructed to exchange phones with one another and read aloud the text message they received in response to their message.

Below are 11 hilarious replies. If you have been married for quite a while, you understand that these replies are a sign of true love. Who else would reply in such a succinct and honest way?

- Who the hell is this?
- Eh, mother of my children, are you sick or what?
- Yeah, and I love you too. What's wrong?
- What now? Did you wreck the car again?
- I don't understand what you mean?
- What the hell did you do now?
- Don't beat around the bush, just tell me how much you need?
- Am I dreaming?
- If you don't tell me who this message is actually for, someone will die.
- I thought we agreed you wouldn't drink during the day.
- Your mother is coming to stay with us isn't she?

Kinda tugs at the heart, doesn't it?

## Stay On Your Feet<sup>®</sup> and Stay Active in the Wheatbelt

Injury Matters is taking their flagship program Stay On Your Feet<sup>®</sup> to the Wheatbelt to launch their Build Your Balance campaign aimed at keeping older adults healthy and independent by preventing falls.

The Stay On Your Feet<sup>®</sup> Build Your Balance campaign launch will demonstrate tips to help maintain and improve balance in older adults, which is essential for everyday tasks including walking, getting out of a chair and shopping. Injury Matters is also partnering with the WA Country Health Service (WACHS) to celebrate the 20<sup>th</sup> anniversary of their Stay Active program, a seniors' fitness class run by volunteers throughout the Wheatbelt.

The free event will include the Wheatbelt's biggest seniors Stay Active class, a tai chi demonstration, balance testing and tips, and volunteer awards. All Wheatbelt residents over 60 are encouraged to attend the event.

The event will be held on Friday 1 September at the John Higgins Community Centre in Narrogin, from 10.00am – 1.30pm, and includes a free lunch for all attendees.

Injury Prevention Manager Rachel Meade said Injury Matters and WACHS made excellent partners.

"We're both working towards the same goals – letting older Australians know that they can remain healthy and independent by following a few simple steps," she said.

"We want people to know that falls are preventable, and that by improving your balance and leg strength, and removing trip hazards from your home, people can prevent falls and stay independent."

"1 in 3 people over 65 will fall each year, but falls don't have to be a part of getting older"

Stay Active volunteer leader, 80 year old Lindsay Rowley from Narrogin, said he enjoyed leading the fitness classes and had clocked up about 13 years' service. He started out accompanying his wife, and later learnt to be an instructor.

"It keeps me active physically, as well as mentally, because I'm always learning new movements and meeting people. I know that helps me stay independent and healthy,"

"We include a lot of balance exercises in our classes, and we often have 40 people take part. The oldest amongst us is 88 years old,"

# STAY ON YOUR FEET®

Move Improve Remove

## Build Your Balance Launch

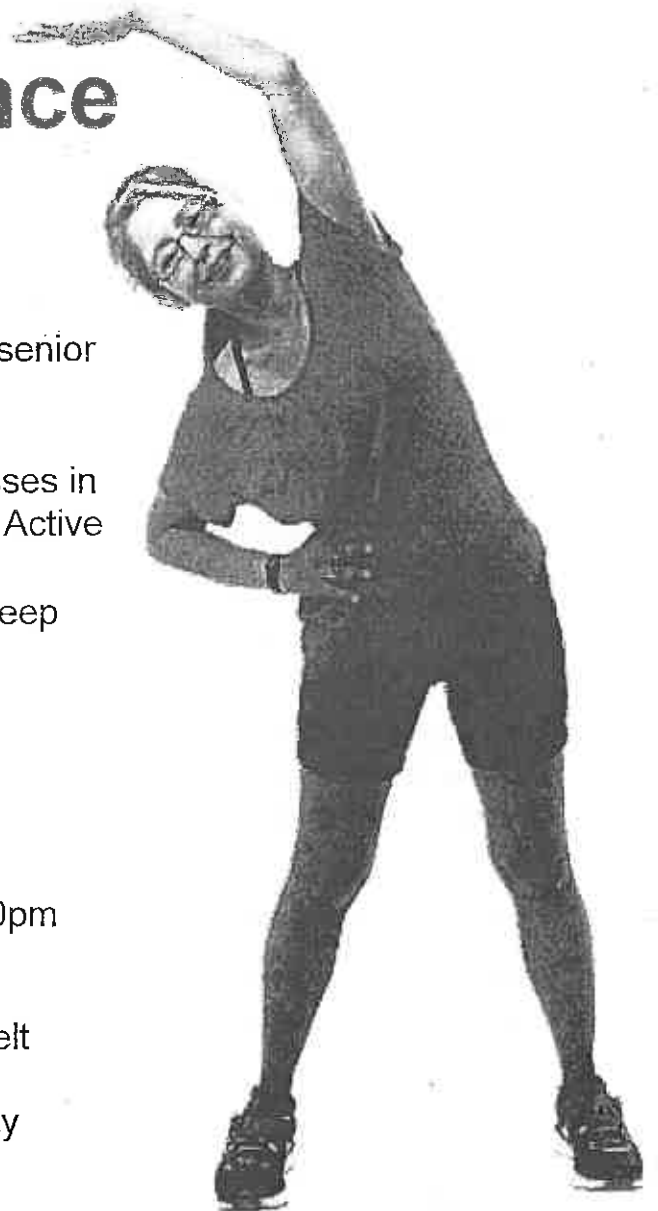

- Participate in the Wheatbelt's biggest senior Stay Active class (wear appropriate footwear)
- Celebrate 20 years of Stay Active classes in the Wheatbelt and recognise the Stay Active volunteers
- Find out why balance is important to keep you strong and independent
- Have your balance tested
- Take part in a tai chi class, and
- Join us for a free lunch!

## WICKEPIN GOLF NOTES

**GOLF AGM - SATURDAY 23rd SEPTEMBER** - 12 o'clock before we tee off.  
All positions are vacant and are looking for your ideas to help improve our club.

### **GOLF WINDUP - SATURDAY 16th SEPTEMBER**

On 16th September we are having our end of season windup at the Wickepin Hotel at 6 o'clock.  
Please let me know if you are attending for catering purposes.

Thanks, Steve

On Saturday 12th August Jayden Ewen and Graeme Wyllie teed off at 9 o'clock in the Wickepin Club Championship. The conditions started in drizzling rain and a very wet course, the weather proceeded to clear up in the afternoon.

The competition went down to the 36th hole with Graeme winning with 2 up. Congratulations Graeme.

Great effort Jayden

We also played for the Fleay - Lang trophy with Michael Green winning the day and the birdie money. Rob Mullan coming in second and he also won the longest last shot on 18th hole.

There is no golf at Wickepin due to the local open days at Pingelly and Harrismith. If you want to enter either days please contact your captain.

Happy Golfing

Stephen Hill

## Wickepin Bowling Club

### Pot Club Bowls News:

**On Sunday 13th August** - Only eight came along, the weather wasn't very nice - cloudy and cold, but we still had a good morning. The rink winners were Eric Fleay, Rex Bergin and Dave Astbury. The play-off winner was Rex Bergin.

**On Sunday 20th August** - I really don't know what happened to get so many to come along, we had 17 there to play. The weather was cold and cloudy, but I am still amazed and pleased to have them come and enjoy the bowls. Thanks to all of you for being there. The rink winners were Rex Bergin, Ross Hamersly, Jeff Steele, Mark Hook and Chris Moore. The final play-off winner between Jeff and Chris was Chris Moore.

**Next Sunday 27th August** - The Yealering Club members are coming to our club for a morning of bowls and get together. It will be a fun day for all who want to come along.

### **GOLF WINDUP - SATURDAY 16th SEPTEMBER**

On 16th September we are having our end of season windup  
at the Wickepin Hotel at 6 o'clock.

Please let me know if you are attending for catering purposes.

Thanks, Steve

*Two Eskimos sitting in a kayak were chilly.. They lit a fire in the craft, it sank, proving once and for all that you can't have your kayak and heat it.*

## WICKEPIN NETBALL CLUB RESULTS

### Juniors

**Round 13 – 12<sup>th</sup> August**

#### **10/U Wickepin Versus Waves 6**

What a game! We made **double digits** and played the game of the season. We scored 10 goals and moved the ball up and down the court. All players were concentrating on moving into space and waiting for their team mates to make leads. A very exciting game with some very proud parents and coach cheering madly on the sidelines. Team you have come a long way and are playing super netball. Thanks so much for all of your hard work at training and the games – you are making this super enjoyable for everyone who comes to watch.

#### ***Wicki Pings 21 def Wagin 6 14***

WOW! Last time we played this team they beat us by a lot so what a great effort to have a win! We were 2 goals down going into the last quarter but ran home to win by 7. Coach is very proud! Well done to Gabby and Karli for an excellent effort in the centre, with all the goalies shooting well and defenders causing turnovers. We have now beaten every team in the competition and have 3 games left – all games could go either way. Keep it up. Thanks to Anthea for umpiring and Kel for mopping up the floor throughout the game.

**Round 14 – 19<sup>th</sup> August**

#### **10/U Wickepin Versus Cuballing**

What a different game this was compared to the first time we played Cuballing which was the very first game of the season. We managed to score 5 goals to their 10. The play was even over the court and we had some great passages of play. A fantastic effort from all players today. Great to see Zandyn, Harmony, Sophie and Lexi scoring our goals. One more game to finish off our amazing season. All players have improved out of sight.

#### ***Wagin 6 20 def Wicki Pings 10***

After a win to this team last week, we were unable to make it two in a row to this tall, strong side. The opposition got out to an early lead, but it was a bit too much to catch. As usual, the team played hard all game and we won the second half of the game, keeping them scoreless in the last quarter – well done to the defenders! A great effort girls. 2 games remaining. Thanks to Emily for umpiring and bon voyage to Billyana – we will miss you!

### Seniors

**Round 13: 12<sup>th</sup> August**

#### **A3**

On 12th August Wicky A3 played Flames 3 with a very convincing win. The girls came out firing & led strongly from the outset. With good use of the ball & everyone leading to space, we managed to continue to increase our lead with a final score of 58 to Flames 31. Umpire votes went to Virginia Nicholls.

#### **A1**

We came up against the 1st placed side on the ladder, Olympics Gold, but it wasn't our day, defeated by 13 goals 45 – 32.

We started the game well and led at quarter time but by 3 quarter time they were able to gain a handy lead and we were unable to close the gap in the final quarter. We found ourselves forcing passes in to and around our goal circle which saw them create a number of turnovers. We applied strong defensive pressure across the court and it's encouraging to see our players keeping up this pressure all game. Mel Martin had a brilliant game in WD, gaining numerous tip offs, and scored the 3 umpire votes for the game.

## Round 13: 19<sup>th</sup> August

### A3

Our last fixtured game for the season was an absolute cracker playing Wagin on our home ground. With a few late withdrawals due to illness & injury, we had Georgia Dawes & Sarah Hyde kindly fill in. We started well & then Wagin really lifted & ran out the first quarter with a 9 goal lead. A few positional changes improved our use of the ball, however we still couldn't reign in the score with Wagin leading by 10 at half time. A solid third quarter saw the girls work really hard to look after the ball & apply strong defensive pressure throughout the court. This narrowed Wagins lead to 8 at three quarter time. In a nail biter final quarter, all 7 players worked tirelessly to put the pressure on Wagin. With lots of great intercepts & the crowd cheering the girls on, we managed to run home with a 7 goal win, outscoring the top side by 15 goals in the last quarter. A fantastic way to end our season, knocking off the top side at home with a great crowd of supporters. Umpire votes went to Rachael Hill & Georgia Dawes.

### A1

It was 3<sup>rd</sup> v 4<sup>th</sup> on the ladder and the result.....a draw!! 32 goals all against Wagin at home in Wickepin.

In a fast paced, intense game, we wanted to come out strong and the first half saw a fairly even game. We were determined to play at our pace and not become rushed but Wagin's pressure created a number of turnovers and we found ourselves down at 3 quarter time. In the final quarter we focused on getting our goals in early and closing the gap and with just minutes, then seconds, to go in the game, we worked hard to keep the ball in our goal third and kept the game a draw. The umpire votes went to Emily for her influential half and a bit quarters in GD and we wish Em a speedy recovery after injuring her ankle in the final quarter.

A big thank you goes to Ray Lewis for again sponsoring our home game awards.

A1 have secured a top 4 position and will be playing finals. We have 1 final round to play before finals and we will be playing Pingelly in Wickepin at 2:30pm this Saturday, 26th August, and encourage a vocal support crew to come along and cheer us on!

### Player Profile

Name: Katie Lally

Favourite netball position: GS or GA

How many years playing for Wickepin Netball Club? 3<sup>rd</sup> year this year

Most memorable season? 2015 when we were in the grand final!

Most embarrassing moment on court: Every time I pull out a wedgie

The training drill you dislike the most: Umm, I don't know, most of the running ones

Pre match routine: Putting on my fave bloomers every game day

Most funniest team mate? Deb or Kelly 100%

If you could be another team mate for a week who would it be and why?

Duffy – I'd love to be tall for a week!

Your personal aim this season? Focus on my leading and getting my goals in when I have the chance

One word to describe you? Determined

# WICKEPIN LADIES HOCKEY CLUB

Our deepest condolences go to the Leeson family and relatives as Wayne Leeson sadly passed away. Friday 11th August 2017 Stefie Green kindly put her hand up to organise the catering side of things for this event, in which she did an outstanding job. WOW are the words that were spoken from herself. An amazing job, thank you for all Your efforts, the Leeson family said. Thankyou to everyone who brought a plate in, all you lovely community members and surrounding people and the Wickepin hockey ladies for cooking, donating goods and of course helping! Huge thanks to Carmen Payne who spent all day in the kitchen with us, your time was invaluable. Big thanks to Jody, Stacey Richards and Jade for being there all day too preparing cooking and making this event a success. It was a marathon but well done. Your a legend! Thanks also to Beau Flood, awesome dish washer and Aleiah, thanks for helping after school too! IT WAS A LOVELY CEREMONY!!

**12TH AUGUST 2017**

**WICKY VS WAGIN @ WICKEPIN ( HOME GROUNDS) @ 2PM**

The ground being wet from prior rain, it is very sluggish especially middle of oval and the goals towards the building. This is found out by most players Wagin and Wickepin sides when trying to hit balls and all you see is mud getting flicked up and ball still being in same spot. Centerfield very strong and energetic on Wagins side (full of young and fit) they make it hard for us to get around. Some injured and some sick still, Ronelda and Holly Eales not playing today we have pulled in Emma from Wickepin Hotel to fill in as Stretch not suppose to be playing due to injury. Thank you very much Em, for being our fill in, you looked good in uniform maybe next year you would like to join! Running around dodging through puddles and Wagin players Renae takes the ball passes into the top of D , Wagin players not making it easy their defence hits it out couple of shorts on both ends not enough to score on either team. Rochelle in goals kicks it out. Great save that was close to Wagin being on score board. Defence consisted of Jody Matthews Kirsten Rigby Shirley Megan Owen great job down their girls, It would have been tough. Sticks hooking into oppositions sticks, some not so decent words coming out of players mouths, we get our heads into game and short passes finally getting seen now Wicky has control of ball everyone getting in on the action from one end of the field to the other, ground seeming like it is heavier our feet sinking Renae gets a run off to Stefie and into Aleiah ( great positioning) and she hits it, not quite enough Wagin has the ball again and intercepted by Renae hits it into our D again and Stefie G hooks it in from the left and she scores. 1 for Wicky. Wagin take the ball from the centre, and they head down their attacking line and score a short. Everyone runs hard and Megan takes the ball out up the right side passes to Stefie G who takes the balls passes wide to Steph Keeble, she has the run and goes for the score, not enough. Good try! Wagin has a 16 we all seem little scared of ball orexhausted but Wickepin girls all fired up couple of us slip to the ground almost playing rugby (ha-ha) but Stefie G flies in taking out Wagin player (not on purpose) gets the ball passes off between Shirley and Jody and then into Renae and she wacks it in past the Wagin goalie. 2-0 Wagin strong and eager to keep the ball they run in to their attacking line and into the D and damn it hits Wickepin players foot. They have a short, they push the ball in from the back line and it is a strong one Wagin player controls it passes to their right and they push it in passed Rochelle . All good Rochelle. Half time 2-1. Up and back like a game of fuse ball heaps of tackles and passing and hits in the midfield but then to one end and same again to other end, getting it to our attacking D heaps and Aleiah having some of us jumping out of skin (with excitement) as many times she was soooooo close to scoring goals this half. Kiara not feeling the best but giving it her all she seems to come out of nowhere between 5 Wagin players and achieves getting the ball off of Wagin player and has a little run (great job Kiki) passing to Renae running towards our goals and pushes the ball. The ball gets tossed around in our D back and forth between Wagin players defending and Wicky staying strong and it gets tapped in for another goal. Stretch sitting off at this stage wasn't sure who scored.??????? it was a lot like a chook flicking up dirt to find grubs and it was between Stacey H Steph K and Jade Bushby. After a couple of minutes the outcome is Stace H scored. Either way it is now 3-1. Minutes to go and Wagin coming out stronger than the start few fall overs from both teams more sticks hooking together words being spoken that arent appropriate to repeat, and Wicky has the ball and we score another short. Steph K pushes out to Renae who controls and gives it a big hit and you hear the ball on the backboard of the goals. Score for a 4-1 finish. Great game ladies. This was our last game @ home and i hope to whom is sick and injured please recover as we have our last round robin game on turf @ 1.15pm against Robins White. Well done to Stefie G, Renae and Megan Owen for receiving umpire votes and spectator votes sponsored by went to Aleiah Bushby, for an amazing game. You have come a long way since you started you should be proud!

**SATURDAY 19TH AUGUST 2017**

**ROBINS WHITE VS. WICKY @ TURF NARROGIN @ 1.15PM**

Thinking it was going to be cold and miserable the weather held up for us. Today we actually have our full team back and Stretch taking it easy, yelling from sidelines. "I hope some of u heard me cheering and what not!" Some of us looking at opposition not remembering some of Robins players( unfamiliar faces) they are very strong, having the ball in their control for the first 5 minutes, they are running rings around us, but why? Wicky not gelling as a team seeming to be afraid of something out there, Robins take it down their attacking line and dodging Wicky players they score.

what is happening, look to the opposition we have all our players and they only have 11 players, that is 1 less on field and they are winning. Up and back we go Renae not playing her usual centre forward playing elsewhere everyone seeming very distant from the ball and not being able to get it, Stefie G attacks and the ball is in her control now passing off between Jody, Shirley and Renae through midfield running and dodging through Robins players attacking her she gets it passed into the D and smashes it through. 1-1

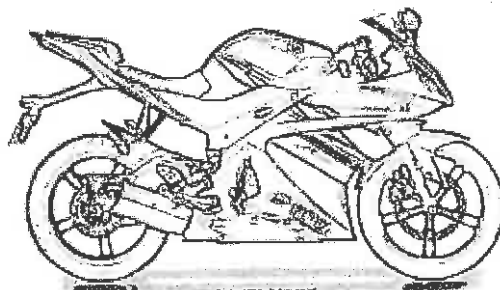

Everyone has a sigh of relief. Up and back Robins playing a great game attacking and defending, Wicky changing their wings and letting some have quick breathers regularly Stefie G playing a great game all around Kirsten having some great tackles and getting the ball. great shift work over that side ladies. Robins have the ball and great tackling by Jody and Megan, they turn it around passing out wide and a big hit from Renae to Steph K who controls the ball and from the left side she smashes it through. Steph K is very happy and so is the team. Robins having the ball plenty of times and Wicky not getting it enough, the whistle blows. 2-1

Renae gives the Wicky team a run down, as we aren't really gelling as a team and we seem to be very distant from the ball. we lacking in everything at moment, and we need to pull our heads out of our asses ( sorry about the language) and improve big time! Up and back we go this half playing a bit better then the start, as a team though the worst game i think i (stretch) have seen us play. Is it cause we had a whole team??? well we need to play as a team or you can think again about????!

Up and back Wickys end then to Robins end and they score couple of shorts. The shorts are played but our defence great job of hitting out wide, Jody having the play through midfield hits off to kirsten who is attacked by Robins player in which Kirsten manages to go through then pushes off closer to our attack line into Stefie G who hits into the D and Renae hits in from the top and score. 3-1 Everyone's efforts improving as the time goes by everyone having a tackle or getting the ball somewhere Wicky actually using a whole field (which you don't see very often) and well done to all defence played by Rochelle (goalie) Holly Eales, Megan, Kirsten, Renae, Shirley and Jody. Kiki controlling the ball pushes to Renae out wide who runs with it and passes onto Stefie who hooks it into our attacking D and Steph K tapping it in past the goalie. That's 2 goals to Steph. Which makes Wicky 4-1. This half seems to be dragging on and couple more shorts on both sides and im pretty sure on our last short is where Steph K scored her 3rd goal. Congrats on your goal scoring and well done girls, even though we had our whole team Robins gave us a run for our money. Great game by Robins White. So final score was 5-1, 2 goals by Renae and 3 goals by Steph K. Umpire votes went to Renae, Megan and Stefie G. Spectator votes kindly sponsored by TC Williamson went to Steph Keeble.

**Still training Thursday night 6pm sharp, everyone please make an effort as last week was pretty poor and thanks to everyone who did come or that had a valid reason. Also reminder to all that we have a scratch match in Narrogin on Sunday against Williams please notify Reane Bransby if you can't make it to either. To all our community members our semi finals will be held on the 2nd September either at 4pm or 5.30pm @ Narrogin turf we will let you all know when we know more and would like to see lots of spectators at our finals as I (stretch) think this is the first time Wickepin has been on top of the ladder since not sure when!! Wickepin's hockey club presentation night will be held on Saturday 23rd of September, which is a week after the finishing finals @ the Community Centre will post more in next news.**

**YOU'RE #1 FATHER**

# Yealering Yarns

All the happenings from the school at the head of the Avon,  
Yealering Primary School

## School Community Member of the Month

### Deb Martin

For her contribution to the education of the children of Yealering. Congratulations on your new position in Perth and we wish you all the best.

## Upcoming Dates

- 31st August— Beauty and the Beast Theatre production in Perth.
- 1st September—Father's Day Celebrations
- 12th September—Senior Camp, Jarrahdale
- 15th September—Athletics Carnival

## Hard Working Community

I was blown away from the effort that was put in by our parents and members of the community last Friday during the P&C Crutching fundraiser. There were even volunteers that don't have kids at the school help out. Thank you to all that helped our P&C raise money for our amazing students.

## NAPLAN Online

Yealering Primary School has been chosen as a pilot school for the NAPLAN Online testing to occur from 2020. In preparation for the tests, our Year 3 and 5 students sat a School Readiness Test last week to see if our technology was capable of completing the test. Our students did a great job and they are all looking forward to completing their NAPLAN online from next year, 1 year before most schools in Australia.

## Who's This Former Student?

Did you get last fortnight's student? It was Rick Elson, one of our long term community members.

I am channelling our communities inner 90's child this fortnight. Please note the amazing 'side pony'. Do you know who it is? Answer in next edition.
