TETLOW WEDDING

Congratulations to Gareth and Kylie (McCluskey) Tetlow who were married at St John's Anglican Church, Albany on September 9th.

It was a small intimate wedding with about 30 guests. Kylie wore a beautiful white gown with the bodice being covered in sequins. Sandra Podmore was matron of honour and Kylie's niece, Elizabeth McCluskey was bridesmaid, both wearing royal blue long gowns with the bodices being lace and sequins. All bouquets were native flowers. Steven Podmore was best man. Both groom and best man wore light grey suits.

The reception was held at Dog Rock Motel. Home made Hors'douvres were served on arrival and a 2 course meal followed. Everyone who attended would agree the food was lovely.

Kylie's brother David was MC for the night and with the official duties out of the way, the night continued with dancing and chatting and all guests thoroughly enjoying the special day. Albany certainly was kind to the happy couple and put on perfect weather!

As a wedding gift, Gareth's cousin Christine McGlew made the wedding cake which had 3 layers - top strawberry and cream sponge, middle layer was lemon and the bottom death by chocolate. The cake was beautifully decorated with home made native flowers.

A BUSHBY NIGHT AT ROSEDALE COTTAGE, CUBALLING

On Wednesday 6th September, Keith Bushby's birthday, Keith and Elaine Bushby and Graham and Kathy Bushby spent the night at Rosedale Cottage in Cuballing. Keith's grandparents owned the original farm and built the original homestead which would have been quite a grand home being built in 1911.

To celebrate the birthday, Graham's son and his wife and four grandchildren visited where four generation photos were taken. The family then went to the Cuballing Tavern for a delicious meal.

The Rosedale homestead has been beautifully restored – the master bedroom has a four poster king size bed, a fireplace, a sideboard (with a gazunder on the bottom shelf) and a glass wardrobe. Above the bed is a very large filigree hanging depicting The Lord's Prayer. The other 2 bedrooms have Queen size beds.

The front rooms house the formal lounge, with a fireplace and the dining room has beautiful large cornices, sideboard, display cabinets and another fireplace.

Throughout the home the floors have been beautifully restored to polished floorboards. The ceilings are pressed tin. Original photos are displayed throughout which was of interest to the Bushby family. The bathroom has been modernised but has a claw foot bath and a large shower.

Orange juice, beautiful fresh bread, eggs and bacon were supplied for breakfast. The kitchen has ample facilities for eating in if desired.

Keith, Graham, Leonard and Kaleb Bushby
- 4 generations

Happy birthday Keith

History snippet

Excerpt from Other Fortunate Lives.

Robertis Family

Yealering didn't exist then but the block chosen was only a few miles from a lake marked in the recently printed survey map. The family were among the first to arrive as farmers at Yealering. For the journey from Perth a horse and new trap were purchased, the trap seated 4 and all the belongings were piled on top. George rode his bike all the way from Perth or at least where the track was not too rough.

They stopped at Narrogin and got provisions and found that Boodi rats (Bilbies/Dalgytes) were plentiful that year as they kept getting into the cart whenever it stopped. They proceeded to Wickepin and it was about a week by the time they were welcomed to the district by the Lees at Kirk Rock. Mrs Roberts and the girls stayed with Mrs Lee while the men went to their block to erect tents.

George was keen to see the lake he had heard about and set out soon after they settled in to find it. He had trouble locating it in the thick scrub, but eventually was successful to find it dry as a bone. The following year however after good rains the lake filled up and water was often carted for domestic use. Families who had settled to the west often came for picnics and the women would do their washing and socialise at the same time.

COUNCIL NOTES >>>> 3 October 2017

FIREBREAKS 2017/2018

Council would like to remind residents of the Shire of Wickepin that they are required on or before 1 October 2017 and thereafter to 14 April 2018 to plough, scarify or otherwise provide and maintain firebreaks clear of all inflammable material at least 2.5 metres wide as follows:

Rural Land

Inside the boundary of all land held by each owner or occupier, their firebreaks need not follow the perimeter of any paddock but will be acceptable following land contours in an endeavour to overcome water erosion;

- To subdivide each holding into lots of no greater than 200 hectares; and
- To surround the homestead, out buildings and fuel storages on any such land.

Townsite Land

All lots within the townsites of Harrismith, Tincurrin, Toolibin, Wickepin and Yealering are required to be cleared and maintained free of all debris or inflammable material. Failure to comply with these requirements renders the owner or occupier liable to a penalty not more than \$400.

Clearing of Fence Lines

When clearing for new fence lines, landholders are asked to consider locating the fence three (3) metres inside their boundary to avoid any clearing on road reserves. Old fences should first be removed. If landholders wish to place their fence on the boundary, they may clear no more than one (1) metre beyond their boundary. This may be varied in special circumstances at the discretion of the CEO and Manager Works & Services. Any timber removed from the road reserve is to be pushed onto the owner's property.

Fencing of Road Reserves

Council encourages farmers to fence off road reserves running through their properties to protect trees on these reserves and to allow new growth of vegetation.

Burning on Roadsides

Should property owners wish to carry out burning of the road reserve adjacent to their property, it is necessary to obtain council approval prior to any burning taking place.

Burning Periods

Restricted Burning – 1 October 2017 to 13 November 2017;
 Prohibited Burning – 14 November 2017 to 7 February 2018;
 Restricted Burning – 8 February 2018 to 14 April 2018.

Harvest and Fire Ban 2017/2018 Season

Harvesting is banned on Christmas Day and New Years Day.
 Lighting of fires are banned on Good Friday and Easter Sunday.

Any queries should be directed to the Shire of Wickepin Administration Centre on 9888 1005 or a Local Shire Bush Fire Control Officer.

WICKEPIN GOLF NOTES

On Saturday we had the AFL Grand final Day with a few playing golf and a few watching watching the footy. After the game was over we all headed off to play a fun afternoon of golf. When we got back in there was burgers and chips for dinner and a few yarns.

This will be my last report for the watershed as most you know Anthea and myself are heading off on around Australia adventure.

Goodbye and good luck to all

WICKEPIN GOLF CLUB

Presidents Report 2017

-
- Thanks to everyone for attending today
- Thanks to the committee for all their work over the last two years.
- We have had very successful year again. The course is improving every year with all the small changes. This year we made No 12 fairway better with a new crossover. It's made that section easier to get across when it's wet. We increased the size of the green on No 15 which has made it easier to get onto; I think it could be made bigger again.
- Thanks to Rex Bergin for doing the mowing during the year, much appreciated.
- Thanks also to our patron –Frank Bird for all his work, he has done a lot on the course over the year on his trusty JD mower others have had a little trouble of mastering
- Thanks to Jenny Hemley for all her work with the golf club as secretary over the past year.
- Thanks to Rob Mullan for taking care of all the finances over the past few years and hope you will stay on as the treasurer for another year.
- Thanks to our Captains this year-Greame Wylie and Roz Wylie, for all your hard work over the year, a job well done.

- We have had very successful Men's and Women's opens days this year and some fundraising for the club.
- Thank you also to anybody else who has helped in any way shape or form with the golf club this year, much appreciated.
- As most people know I am leaving Wickepin in December to travel Australia for the next 2 years. I have been part of the golf club for 13 years, I think we are on the right path with our course design and the course will only improve if we all put time into developing it. If we can all help and don't leave it up to a few, it would be a lot easier to manage and enjoy.
- Good luck to all the new committee members.
- Let's hope the golf club continues to prosper into the future. I hope that all the members support the new President in any way they can, it's a big job.
