WICKY LEAKS

Birthday wishes to Shaun Reynolds, Marion Hook, Bradley Pauley, Helen Warrilow, Bethany Rigby, Tammy Rance, Chad Russell, Coleen Thompson, Leanne Holmes-Martin.

Cath and Ross McDougall attended the launch of their grandson Baileys book at Rockingham Library last week. Bailey is nine years old, is the son of Chris and Sharon, currently in Year 4 at Baldivis Primary School. Bailey was an entrant in the annual KiddyInks program at his school. This program aims to nurture young writing and illustrating talent in children in years 3-6. Baileys book "The Lonely Dino" is a delightful story about resilience and friendship.

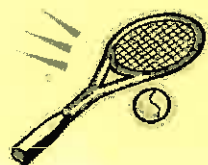

Peter Williamson turned 90 on Thursday 23rd November. A celebration was held at the Narrogin Senior Citizens on Sunday. About 75 family and friends helped him celebrate.

Heather Rozema caught up with Marty Maher, who wishes to be remembered to the people of Wickepin.

Best wishes to Gary Burgoyne of East Wickepin who was in a car accident last Thursday and ended up with a leg in plaster as a result. Speedy recovery to Gary.

Congratulations to Keith O'Brien who was recently awarded the WA Service to Tennis Award. He was nominated for the award by the Upper Great Southern Tennis Association for his achievements and his endless work for this tennis zone. His valuable contributions include all his coaching commitments, various roles on the association committee and his 40 years as club champion at Wickepin Tennis Club to name a few. Keith will now represent WA in the same award for the Australian Tennis Awards. Congratulations Keith on the fantastic achievement.

Around 50 Seniors Citizens from around the Wickepin Shire sat down to a sumptuous luncheon hosted by the Shire, at the Community Centre last Friday. A full report will be in the next edition of the Watershed.

Morning swimming starts Monday 4th December at the Wickepin Swimming Pool 6am-7am, three days per week, Mon, Tues, Thurs.

Well done to the Yealering Mo Bros who hosted another great fundraising event at the Yealering Hotel last Saturday evening. A happy crowd enjoyed the tea which was donated and cooked by Fairy with salads being provided by the community. An auction was conducted by Yogi and Toad, consisting of a large variety of things; pea hay, lime and cartage, header cleaning, an original painting, a fishing trip, Eagles tickets, golf days, Chrissy meat packs, a cooking class, dinner, accommodation, just to name a few - all donated by very generous community members. Once again the Mo Bros excelled and raised a total of \$15,250.00 on the night, making a total of over \$130,000 raised over 9 years for the Movember Foundation which supports men's health. Next year will be number 10 so it will be bigger and better so keep "Movember" on your radar!!! Congratulations to all involved.

Phil Watson had his daughter, and cousin along with their families and pet dogs visiting over the weekend. Good times were had by all. Hair cuts were had all around and Dylan and Hannah enjoyed the weekend with their new friends.

ST JOHN'S ANGLICAN CHURCH :

Next Service is on 3rd December, then 17th December - Christingle Service - and 25th December.

Please Note: No services in January.

St John Ambulance

140 Years of Saving Lives In 1877, St John Ambulance (founded by the Order of St John) started training the public in first-aid techniques and provided equipped ambulances in the UK. Ten years later, it became a voluntary organisation offering free medical care. During that year, on 20 June, 50 volunteers carried

out its first official public duty, attending Queen Victoria's Golden Jubilee. Fast forward 21 years to 1908, and they rolled out for the London Olympics, beginning the tradition of being on duty for major sporting events. They're always at Wimbledon - fitting, since the tennis tournament and the charity were both launched in the very same month, July, in 1877 - 71 years before the formation of the NHS in 1948.

Since then St John Ambulance (SJA) volunteers have dealt with everything from bombs (they were out in force during both World Wars and more recently, in the aftermath of the terror attacks. It was long before that, around 1070, that the Order of St John (dedicated to St John the Baptist) was founded in Jerusalem, to care for pilgrims. It later moved to Malta, and its emblem, seen on the uniform of SJA volunteers is an eight pointed Maltese Cross embellished with lions and unicorns. Today, the charity is active over 40 countries with a mission to prevent and relieve sickness and injury and to act to enhance the wellbeing of people anywhere in the world. IN THE KITCHEN

Peach Melba and strawberry upside-down cake

Preheat oven and prepare cake tin as per Step 2 of the passionfruit upside-down cake (see recipe, left). Drain 825g can sliced peaches and arrange over base of prepared tin (fresh sliced peaches can also be used, if preferred). Make cake batter as per Step 4 of passionfruit cake recipe using 170g butter, $\frac{1}{4}$ cup caster sugar and 2 tsp vanilla extract. Add 2 eggs, 1 at a time, beating after each addition. Sift 2 cups self-raising flour over batter. Hull, chop and puree 125g strawberries. Add $\frac{1}{2}$ cup milk and $\frac{1}{2}$ of the pureed strawberries to batter, then stir to combine. Spoon onto peach slices in tin and bake for 50-55 minutes or until cooked when tested with a skewer. Turn out cake onto a serving plate. Arrange an extra 125g strawberries on top of cake and dust with a little icing sugar. Serve with freshly whipped cream or double-thick cream and remaining pureed strawberries on the side.

Individual berry ice-cream puddings

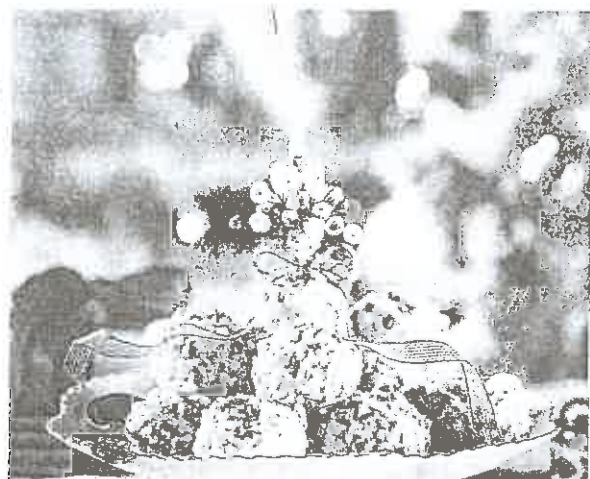

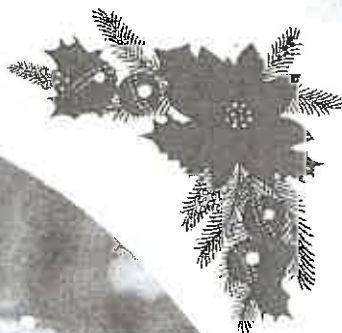

These pretty little delights are elevated for a reason - they're made and served above the rest. See if you can stop yourself from picking at the delectable dark chocolate.

Sophie Leger

Individual berry ice-cream puddings

Grease six 1-cup capacity freezer-proof moulds and line base and side with plastic wrap. Spoon $\frac{1}{4}$ cup softened store-bought berry sorbet into base of each mould and freeze for 30 minutes. Spoon $\frac{1}{2}$ cup softened store-bought vanilla ice-cream in each mould, on top of sorbet. Freeze for 6 hours or overnight. Turn out onto serving plates, discarding plastic. Drizzle with combined 100g melted dark chocolate and 2 tsp vegetable oil. Top with fresh berries and dust with icing sugar to serve.

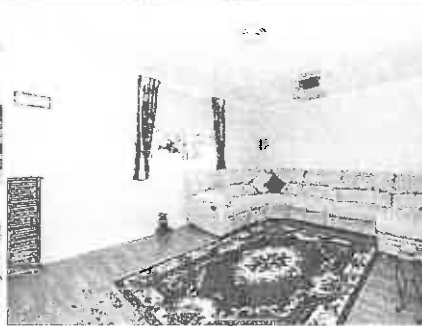

MAKE IT AHEAD

Lime and coconut ice-cream balls

Roughly mash 1kg softened good-quality vanilla ice-cream. Add 1 cup toasted shredded coconut and finely grated zest and juice of 2 limes. Stir to combine. Freeze for 2 hours, then form mixture into small balls and roll in extra toasted shredded coconut. Put on an oven tray lined with baking paper and return to freezer for at least 4 hours or until firm. Serve.

Wickepin Cricket Club Notes

Cuby Game 18th Nov

The 18th Nov saw us take the bus to Cuby with our Captain and wicket keeper Darren "Tim Pain" Wilson playing his 1st game for the season. Hoggy dropping 2 catches last week helped him get back into the side. The Cuby gardener obviously doesn't get paid over time because he mowed half the oval then knocked off, this made it very hard to score runs. Marty McLean stodged his way to 10 with about 10 play & miss shots before being caught. Billy scored another 17 in quick time to cement his spot at the top of the order. Dinkum (4) came and went after another slower ball dismissal but was quick enough to get back to the middle to give Sticky (7) out LBW. What followed was unsportsmanlike dissent to umpire Dinkum saying "C'mon, I bloody hit it". But Dinkum was having none of it, on ya bike son!! An uncharacteristic Darren Wilson (12) smashed a few runs as he took a liking to the loopy leg spinner. At 5/68 we looked in trouble but Ty Miller backboned the innings with 60 odd and Dougall made 37 in an 84 run partnership to see us to a very competitive 152. Miller put on a free clinic in running between the wickets which saw 2 solid picket fences in the score book of 14 singles and then another 9. Ricky made more runs in that one dig than his total aggregate for the 2016/17 season, well done Ricky "KP" Dougall.

We were always on top in our bowling effort with Frank Leeson 1/9 off 8 keeping it tight and Greeny 1/10 off 5 not bad for a bloke who just notched his half century. Must have been the birthday present he got. Brock the main wicket taker with 3, Dinkum 2, Jai 1, Marty 1, Billy 1 and Ricky 0. Marty hurt his shoulder dropping a catch but most of us called "Bulldust". Just admit you dropped a sitter pal!

The Ken Martin Patron Man of the Match \$25 award went to Ricky for 37no and 2 good catches.

CAR SALESMAN

A middle-aged frumpy couple return to a Mercedes dealership where the salesman has just sold the car they were interested in to a beautiful, leggy, busty blonde.

"I thought you said you would hold that car till we raised the £75,000 asking price," said the man. "Yet I just heard you close the deal for £65,000 to the lovely young lady there. You told us there could be no discount on this model."

"Well, what can I tell you? She had the ready cash and, just look at her, how could I resist?" replied the grinning salesman.

Just then, the young woman approached the middle-aged couple and gave them the keys.

"There you go, Dad," she said. "I told you I could get the tosser to reduce the price!"

Movement of Agricultural Machinery

Introduction of the new heavy vehicle pilot licence does not change any requirements for the safe movement of agricultural machinery.

There has been some misleading information circulating recently regarding alleged impacts on the agricultural industry resulting from the introduction of the Heavy Vehicle Pilot Licence. The changes that take effect after 28 November 2017 will have no substantial impact on the agricultural industry as measures are in place to ensure continuance of the pragmatic approach to the movement of agricultural machinery which has been in place for a number of years.

The vast majority of the agricultural sector is aware there has never been a blanket exemption from the requirement for heavy vehicle pilots when moving agricultural machinery. There are, however, concessions whereby some machinery can be moved by a pilot (as opposed to an accredited pilot or heavy vehicle licensed pilot). The general rules around movement of agricultural machinery, which continue to be in place up to 28 November are summarised in the table below:

Pre November 2016 to 28 November 2017

Oversize Agricultural Vehicle	No Pilot Required	Pilot/s Required – Exemption from Pilot Accreditation	Accredited Pilot /s Required
≤3.7m Wide	X		
>3.7m ≤6.0m Wide *Local Move Only		X	
>3.7m ≤6.0m Wide			X

Vehicles greater than 6m wide require additional safety measures which may include traffic escort wardens as stated on the relevant permits.

In November 2016, legislation was introduced requiring all pilots to be licensed. This change was introduced following consultation with the WA transport and Pilot industries to assist in

improving safety standards and the professional status of heavy vehicle pilots. A 12 month transition period was deployed to enable accredited pilots to become licensed with the transition period ending on 28 November 2017.

In order to ensure continuity of the practical approach adopted for movement of some agricultural machinery a Notice has been prepared and will be gazetted on 28 November. This Notice will authorise licensed drivers who are not licensed heavy vehicle pilots to drive pilot vehicles for the purpose of escorting some agricultural machinery.

The effect of the legislation relating to licensed heavy vehicle pilots combined with this Notice results in the general rules for movement of agricultural machinery as summarised in the table below:

From 29 November 2017

Oversize Agricultural Vehicle	No Pilot Required	Agricultural Pilot	Licensed Pilot Required
≤3.7m Wide	X		
>3.7m ≤6.0m Wide *Local Move Only		X	
>3.7m ≤6.0m Wide			X

Vehicles greater than 6m wide still require additional safety measures which may include traffic escort wardens as stated on the relevant permits. There has therefore been no change in the requirements for safe movement of agricultural machinery.

*Local move: movement using primarily local government roads where the distance between the point of origin and the destination is no greater than 100km.
