# WICKY LEAKS

Birthday wishes to Chris Ewen, Grant Davenport, Zoe Lang, Rhys Mullan, Callan Hatchman, Clinton White, Matthew Sims, Trent O'Brien.

The Moderator, Rev Steve Frances will be visiting the Cuballing Uniting Church on Sunday August 19th for a 9am service. We welcome you to join us.

Ashleigh Tetlow and partner Jacob from Perth were in Wickepin/Narrogin for a few days last week and caught up with relatives and friends.

A number of Wickepin people attended the Desmond diabetes session at the Leisure centre in Narrogin last Tuesday. There were 15 attendees in all and the session was very informative. Anyone who is diabetic, is encouraged to attend a Desmond session as it is very valuable in its content.

## THE YOUNG GUNFIGHTER

A young cowboy, sitting in a saloon one Saturday night, recognized an elderly man standing at the bar who, in his day, had been the fastest gun in the West.

The cowboy walked over to the old-timer, bought him a drink and told him of his great ambition to be a great gunfighter. "Could you give me some tips?" he asked.

The old man said, "Well, for one thing, you're wearing your gun too high - tie the holster a little lower down on your leg."

"Will that make me a better gunfighter?"

"Sure will."

The young man did as he was told, then stood up, whipped out his .44, and shot the bow tie off the piano player.

"That's terrific!" exclaimed the cowboy. "Got any more tips?"

"Yep," said the old man. "Cut a notch out of your holster where the hammer hits it - that'll give you a smoother draw."

"Will that make me a better gunfighter?" asked the young man.

"You bet it will," said the old-timer.

The young man took out his knife, cut the notch, stood up, drew his gun in a blur, and then shot a cuff link off the piano player.

"Wow!" said the cowboy excitedly, "I'm learnin' somethin' here. Got any more tips?"

The old man pointed to a large can in a corner of the saloon.

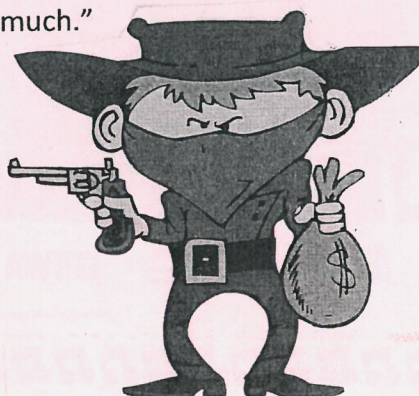

"See that can of axle grease over there? Coat your gun with it."

The young man smeared some of the grease on the barrel of his gun.

"No," said the old-timer, "I mean smear it all over the gun, the handle, and all."

"Will that make me a better gunfighter?" asked the puzzled young man.

"No," said the old-timer, "but when Wyatt Earp gets done playing the piano, he's gonna shove that gun up your ass, and it won't hurt as much."

## Shedanigans August 2018

The She Shed He Shed rarely blow their own trumpet but after the last week we felt a mere 'peep' from a recorder would be justified. Our project workshop was very successful with new skills being developed under the expert tutelage of Tom Sands, John Meddings, Bob Porter and Laurie and Pat Steele. Thanks to these members for again donating their time for the whole weekend. Tuesday continued in the 'going forward' theme with projects being started, tackled and completed in all directions.

The Case tractor is now making very favourable noises in fact creating such a noise it attracted quite a crowd. The Phil Watson smile had to be seen to be believed and his supervisor, Peter Bird was just as broad with his smile. They have battled, travelled vast distances and been infuriated but patient to now finally have the baby roar to life. Fantastic. The lads are very keen to have the Case driving on the Facey Festival weekend.

The Nativity stable at the church had long been on the list of 'needs attention'. Bob has now created a new and quite magnificent structure which includes lighting and is a significant upgrade from the old apple case.

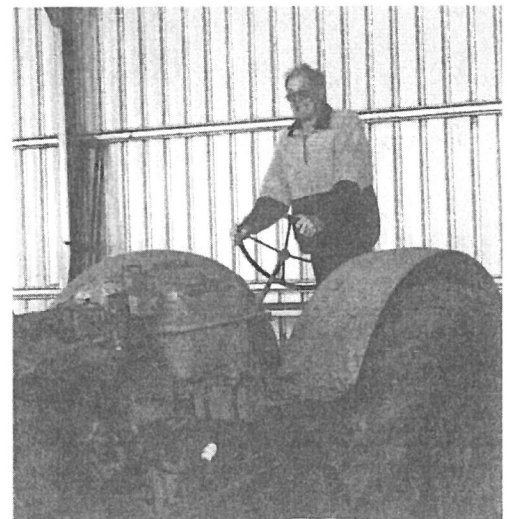

The school in Wickepin is one of our biggest supporters and now we are happily repaying this by rejuvenating two of their benches with the can do team of Rex Bergin and Helen Bunter taking on the pulling apart and restoring task.

Our favourite Order of Australia recipient, Dave Astbury was not to be left out and nearly single handedly lifted a large bookcase down the steps of the hall. He then commenced converting the shelves into photo boards for the history group. No flies on this bloke.

Morning tea was even an event in itself with Mark, Lee, Peter and Gary from the shire joining us for a cuppa and extensive chats. I must reiterate, we would not exist without the support of our shire for which we are very grateful especially when we have different requests. Be assured this is a two way street as the shed have now created another sculpture for the Heritage trail thanks to the patience disassembling of a lot of bike cogs by Jenny Hemley and Carol McDougall. Discussions were also held with regard to a design for the new footbridge handrails and displays for the Facey Festival weekend.

Throw into the mix a new member presenting herself – welcome Jennifer and a visitor from Perth, Margaret Hodgson who was amazed and very impressed at the mass of activity.

This is possibly more a 'parp' than a 'peep' but we are pretty chuffed with our shed. If you are interested in joining or have a project that we can assist with, contact Rex on 9888 1183 or Libby on 9888 6041.

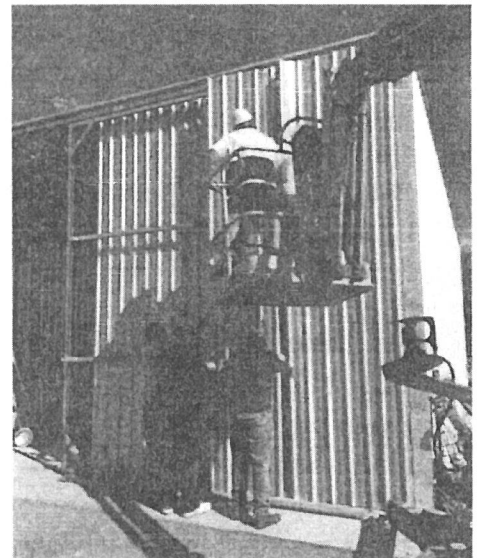

## Shedanigans - Acknowledgements edition

The She Shed He Shed has had a successful and progressive first half of the year. Thanks again to Tom Sands and John Meddings for being our all knowing and all helping workshop people which we held in March, attracting participants from Narrogin, Darlington and locally.

The Shedders then directed their attention to creating for the Market day for the Makers trail last month. This was a very successful event for us again raising around \$1500.00. Thanks to those who supported us over the weekend and the organisers.

The long awaited addition to the shed was finally installed during May. We now have a door. The ingenious and skilled team of Rex Bergin, Bob Porter and Dave Astbury had our long awaited door installed in what appeared to be mere moments which means after 2 years of wistful hoping and planning we have a lockable shed. We can now leave tools and equipment in place ready for the following week, without extensive packing up. Thanks must go to the Hemley family for their kind donations of the frame and rollers and to the shire for support yet again. Special mention to Peter Bransby, James Matthews and Chris Lozenicins for their assistance.

Thanks also to Phil and Hazel for their kind donation of a BBQ, which was christened shed style to celebrate the shed door protecting us from the shocking wind last Tuesday.

The next big date for the Shed is the Projects weekend which is open to anyone who has a new idea and needs help to get started or needs help with the next stage. More details will be sent out by the CRC but it will be in July.

Best wishes to Carol McDougall and Laurie Steele who have had injuries in the name of creativity in the last few weeks.

This is the Shedanigans Thank you edition, proving again we would be lost without our members, supporters and Shire.

## History snippet

### Excerpt from Wickepin Football Club Centenary

2006, April 11

The Wickepin Football Club is looking forward to a successful season under new coach, former club great, Kim Melvin. Kim says he is extremely excited about the challenges ahead of him this year. Pre-season training commenced early in February and although numbers haven't been as good as he would have liked, he has been impressed with what he has seen.

Unfortunately the club has lost a number of senior players from last year including Wayne Allard, Wayne Hernaman and Brendon Mead as well as promising youngsters Trent Kay and Aaron Quartermaine. The club have retained a core of top players and will be relying on proven performers in Rowan Astbury, David Bennier, Jamie Miller and Tyron Miller to give the side impetus and hopefully take the extra step from last year to get us into the finals calculations.

The return from retirement of former Leo Graham Medallist, Brett Doncon, is an unexpected bonus for the club. Also rising stars in Dean Miller and Josh Wihone can expect to play a lot of senior football in their first year out of the 3rds.

President for this year is once again Dr Tom Wittwer who is ably assisted by new vice president Ted Astbury. Tim Cowcher is the new club secretary with Alan Leeson continuing as treasurer.

## The Mountain Duck

*Peg Vickers*

Peg Vickers

He came one day as he always did  
With the first of the season's rain  
Landing down by the paperbarks  
Growing beside the drain.

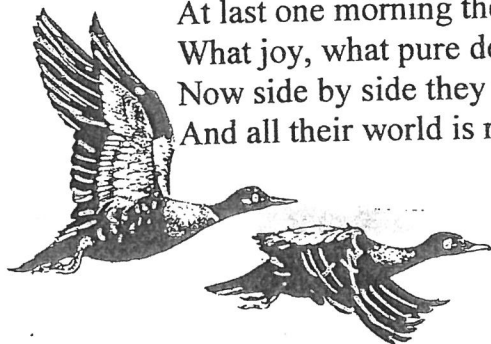

He did a little reconnaissance work  
Surveying the wintry scene –  
This is the way of the mountain duck  
How it has always been.

He staked his claim without delay,  
Then came the time to wait,  
With a honking call to an empty sky  
For a sign of his lifelong mate.

The wetlands slowly filled with life  
To reach a hectic pace.  
The black ducks came on a thousand wings  
Then squabbled to find a place.

Day after day the mountain duck  
Would honk and call anew  
And if perchance she did not come  
What then was he going to do?

At last one morning there she was-  
What joy, what pure delight,  
Now side by side they face the day  
And all their world is right.

Congratulations to our super 66 week 10 winners no. 31 Sonia Hogermeer and no.77 Winston Flood. This was final week of competition. Congrats to all winners and thank you to everyone who participated.

Wickepin vs Williams in Williams on the 20<sup>th</sup> July @ 3pm was not played. It was a very wet weekend and unfortunately Williams forfeited. Next game is on turf @ 4.05pm on 28<sup>th</sup> July against Robins.

**28<sup>th</sup> July @ 4.05pm on Narrogin turf**  
**Robins vs Wickepin**

Unexpected but welcome back to Shirley Ahrens, that was a quick break. Jaimee Warner as goalie, Megan Owen and Shirley full backs, Holly Eales, Caitlyn Roper and Kirstin Rigby half backs, Jody Matthews and Stefie Green in the centre, Amelia Burrows, Jade and Aleiah Bushby wings and KiKi, Stacey Halstead and Stacey Richards inners.

It was another game of ping pong, and a never ending one. Up and back Wicky playing defence very well, but getting stuck in the middle and goal area. 3 weeks off are showing ladies. Great hits from Megan and Shirley from Robins attacking zone to our forwards, Jody there many times, just not enough help with her to score. Wickepin playing too defensive and not enough forward. Holly, Kirstin and Caitlyn some good tackles and play on ball, with Stefie and Stacey controlling and runs with ball were great too. Aleiah and KiKi some excellent runs and play on ball attacking and defending. Well done Jade for positioning, next time you'll get it.

Jody and Stefie dodging through Robins players passing beautifully and short, next time more players will be with you. With 8 minutes to go in first half Robins giving it their all, they score a short. Robins push out to top of the d, they push the ball in saved by Jaimee with a big kick out, unfortunately Robins turn the ball over, they pair up and push it back into the D and next minute the ball hits the back of goals on the left. Robins 1 - Wicky 0

Everyone puffed and not gelling as a team, we go back on and this time Jaimee shouting out great reinforcements and direction, Wicky players talking a little more but not the best, we have been a lot more expressive at other games. Renae Bransby getting frustrated on side lines as Wicky were not playing their best game, up and back lots of times, many chances to score just something was not clicking. Couple of shorts for Wicky, but not enough grunt to score, Robins defence very tough. Robins have many more shots on goals, through shorts and normal play, but Wicky defending hard and strong manage to keep it out. Within 5 minutes left of game Robins have the ball, great tackles and intercepts by many Wickepin players.

Robins get it out of midfield, take it to their attacking zone and whistle blows for foot! Short to Robins, deflected by Megan and Jaimee, Shirley goes to hit it out of oppositions goal D and a Robins lady comes in from behind and causes Shirley to hit her stick before the ball. The umpire calls a short for Robins. Robins push out and unfortunately they strike the back of goals. Final score 2-0

First loss for Wickepin, must have had too much time off over the school break, always room for improvement they say! Umpire votes went to Megan Owen, Stefie Green and Jody Matthews. Well deserved spectator votes went to Aleiah Bushby sponsored by T.C Williamson & Co. Well done on efforts today ladies it was a pretty tough game. Would love to see more people at training on Thursdays @ 6pm.

**Next game is 4<sup>th</sup> August in Wickepin @ 2pm against All Blacks.**

## JUNIOR NOTICE

Tuesday 30<sup>th</sup> July we started our junior programs. It was a very good turn out, and thanks to all those who brought in all their unused gear for others to use and the helpers on the day. Stretch would like to advise that there are 2 groups, one for littlies learning skills and enjoying their afternoon and the yr2-6 bracket doing skills and gaming sessions that will hopefully be a promising team for a junior side for Wickepin next year 2019.

Reminder Tuesday 7<sup>th</sup> August is our second week of our junior sessions look forward to seeing you all there at 3.30pm. With the numbers that we have in the yr2 – yr6 group we look like we will have a good number for a junior hockey team for 2019, if you have any questions about this please talk to Stefie or Jody, whom can discuss further.

## **Wickepin vs All Blacks 4<sup>th</sup> August @ 2pm in Wickepin**

The weather not holding off for long, All Blacks setting up canopy off a 4 wheel drive so they could stay dry. Good thinking. We have Kirstin Rigby in goals today, Holly and Megan Owen full backs, Caitlyn and Jody as half backs, Stefie and Ki Ki in the centre, both Staceys as inners and Amelia, Jade and Aleiah as wings. It starts raining and the wind, quite choppy on the arms, Wicky starts with the ball. All Blacks having the legs in midfield and strong players in defence, we knew this game was not going to be easy and with only one sub too which could make things more difficult but Wicky will manage with whom is there. Again big thanks to Renae Bransby and Raymond Matthews for side line coaching and Barry Corke for photography.

Wicky players strong on tackles trying to keep a hold of wet sticks, with the wind pushing us and trying to dodge the slosh pit in the midfield Wicky get a run with ball to our attacking zone. Not enough, All Blacks turn it over hitting the ball and being hard at it they get it to their D and saved by Kirstin with a kick out left. Up and back we go, Ki Ki, Stefie, Jody and Stacey H keeping strong on the ball and tackling was brilliant. **NEVER GIVE UP!** A lot of play going back and forward through midfield, Jody and Caitlyn some extraordinary tackling and turn overs, Megan and Holly beautiful hitting on our 16's and runs wide with the ball. Aleiah, Jade and Amelia showed great potential in controlling ball, tackling the ball and passing. Big pat on the back! 15 minutes of game was like this, everyone soaked and skin was hurting from the cold wind, both teams playing hard.

All Blacks get a break through, to their attacking zone and score a short. Opposition pushes to top of D, she hits and Kirstin kicks it out wide to Megan who takes it wider to clear it. Through midfield All Blacks take possession of ball again, back to their D and All Blacks players swoopin in and smacks the ball past the goalies right. OOOHHH BOLLOCKS! Wicky picking up their players better now, Holly getting some great runs and some awesome hits through midfield, Wicky trying hard to keep possession of ball and getting it to our goal third but All Blacks stopping us from moving forward. Sticks hooking into other sticks, elbows to a couple of heads, players falling down, Megan gets whacked just above knee, fingers getting hurt between stick clashes or ball engagement. (And everything going to hurt twice as much in this weather)

All Blacks "giving us a run for our money" they score 2 or 3 shorts consecutively. Wicky holds All Blacks out from scoring, bloody brilliant defence to all players, 3<sup>rd</sup> short played Wicky were unlucky, All Blacks score again, half time! **All Blacks 2 - Wicky 0.**

Little bit of a change, Jody goes into centre, Stacey R drops to half back and Ki Ki goes to inner. With only 1 sub, everyone trying to be cautious not to injure themselves, doing well in avoiding slosh pit, Stefie, KiKi, Jody and Stace H with help of Caitlyn, Holly and Aleiah avoid the pit passing off to each other, controlling the ball, when turned over by All Blacks, Wicky would tackle harder and gain possession again. This happened repeatedly for what seemed like a long time, Wicky gets the all clear Stefie dodging All Blacks players, Jody and Stacey H along side her to our D and Wicky receive a short! **FINALLY** a quick rest! Good set up Wicky unfortunately no score ball went way over the hill.

All Blacks take the 16 (a hit from Wicky's goal third), hit out wide to their forwards, and Stefie interrupts their play tackling hard, dodging All Black payers (in whom are very rough/tough on defence) passing into Jody, who attempts to go for goals a couple of times (couple of Wicky players in the D and heaps of All Blacks players scrounging around like chooks) and it pays off. Great work Jody she scores from the right corner of All Blacks goalie! Even with the weather situation some players seemed to be getting rather "FIESTY". Both teams playing hard, this game is a tester for what is to come! Stefie G, WOW, nothing going to stop "the green machine" tackling harder, running the ball down right field, dodging opposition taking it all the way, Wicky score another short. Jody pushes out and AAAARRRRGGGGHHHH; Stretch traps the ball and pushes (no hope). 3 or more All Black players take it out Stretch doesn't keep up and Caitlyn moving in and tackling opposition on the run and **WATCH OUT FOR THAT.....** Caitlyn goes down into the slosh pit. Her words "It was like rolling around in mud."

Stacey H tackling the ball against a dominating All Black player, has encountered a finger smash. Stacey H shakes it off and keeps playing. She is a trogen! Minutes after Stacey H goes off field, blood everywhere! She chucks a bandaids on and comes back on field! All Blacks have the play, Wicky defending hard trying to get it to the attacking end, just not enough oomph. Everyone putting on the pressure double time, All Blacks score a short. Kirstin deflects the first attempt and then another short, Wicky players run back to half line, short is played Wicky runs hard getting down there another short is given. Back to half way line again, Wicky running hard this time Megan and Caitlyn pass off to each other to keep All Blacks from scoring.

Final score All Blacks 2 Wickepin 1. And now we have stopped playing hockey, the rain stops too! Everyone wet and cold most people take advantage of the pavillion facilities have a warm shower and get changed. Thanks to Michael Lange for umpiring and umpire votes went to Jody Matthews, Holly Eales and Megan Owen. Well deserved spectator votes went to Holly Eales, kindly sponsored by Kirstin Rigby & Mark Quartermaine.

We topped the day off with the All Blacks team joining us for a lovely afternoon tea in the warmth of the Wickepin Hotel out of the cold weather.

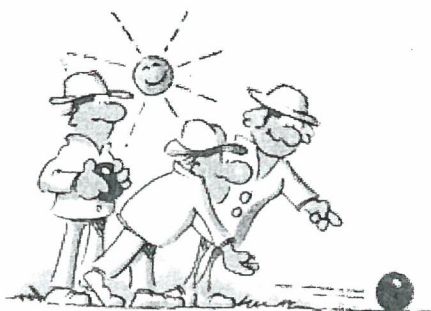

Next games : Wickepin 2pm 11<sup>th</sup> Aug against Brookton  
Wagin 1.30pm 18<sup>th</sup> Aug against Wagin

## Harrismith Golf Notes.

Many of our members have been travelling to various Open Days around the local area over past weeks. Several ladies played in the EGSLGA Foursomes at Kukerin. Men have travelled to Yealering and Wickepin Men's Open Days.

Last week the Eastern Great Southern Ladies Golf Association and Upper Great Southern Women's Golf Association held their combined annual three day carnival at Kulin. Over 70 ladies played a 4BBB Stableford on the Tuesday and a 36 hole stroke Champion event was played over two days on Wednesday and Thursday. Around 50 ladies played in this event. While the winter weather proved a challenge, a wonderful time was held by all those who took part.

In the EGSLGA local member Peta Astbury was the 36 hole Bronze Champion with the best Gross and Nett score. Another local golfer who played well was Jenny Hemley of Wickepin who won the Veterans event for the UGSLGA.

A formal dinner was held on the Wednesday evening with the theme being "The Royal Wedding", with many varied outfits from a group of "Paparazzi" to many of the "Royal Family members" being present. Ladies enjoyed a beautiful meal, with much fun, frivolity and dancing to follow. A wonderful contrast to the serious business of playing golf in rain and hail!!!

Amongst those pictured at right are Jenny Hemley from Wickepin and Peta Astbury, Harrismith. Ann Dolan is Queen Elizabeth with her pet corgi!!

## Round 11 – 28<sup>th</sup> July

### **Seniors:**

#### **Wickepin Warriors A1:**

After a good break the team stepped back on court in fine form, taking out the win by 3 against Cuballing (Final score Wickepin 39 def Cuballing 36).

We edged away in the second and third but allowed them to close the gap in the final term, but the points were ours in the end! It was great to have the injured and holidayers back with us all again. Deb and Katie were strong in goals and fought hard in all contests. Danni was strong and consistent in the centre court and Carly assisted well at WA ...both feeding in well to the goalies. Mel had an outstanding game in WD and was always there assisting down court and adding pressure in the defence. Emily and Michelle swapped in GK and with like minded playing styles were great at holding and turnovers, and Kelly strong in GD and crucial with a lot of intercepts down court. A great first game back ladies! Missing Helen...but not sure she is missing us holidaying in Italy at the time of the game!

Umpire votes went to Kelly (3) and Deb (1).

Keep it up ladies...finals are well and truly in sight!

Coach – Sarah Hyde

#### **Wickepin Red A2:**

The A2 girls once again had a super strong first half against Wagin. Taking advantage of Susie and Jo's height in the goals, the mid court girls moved the ball nicely down the middle. Hilary ran out a great game in GD, never giving up and Megan read the play beautifully in GK.

Unfortunately Wagin ran away with the game in the 2<sup>nd</sup> half.

We faced another injury in the last minute and will miss you on court Jenna! We wish you a speedy recovery!

Umpire votes went to Hilary Wittwer (2) and Jo Lewis (1)

Final score was Wickepin 34 to Wagin 51

Coach - Emily Davey

#### **Wickepin White A3:**

Round 11 Wickepin White played Flames 3, this was tough game for our the team we had quite a few girls out, we fought really hard in all four quarters, we slowly went down each quarter and after the final whistle we went down by 11 goals. I would like to thank Sarah, Zoe & Tyler for filling in for us.

Final score Wickepin 28 Flames 39.

Umpire votes went to Zoe Liddelow (3)

Coach – Marion Hook

### **Juniors:**

#### **Wickepin Woodpeckers:**

Proud Coach sitting right here! The way the girls fought hard for the ball after I told them to work was amazing! My tough little Woodpeckers started off like a firecracker and really gave it to those Williams girls.

Harmony was my best on for the week, you always give 100% every week and your tip offs and turnovers were fabulous.

Kyla, as usual your defence in circle was superb! You shadow your player brilliantly and grab those rebounds with the ferocity I want you all to have for the ball.

Coach – Michelle Miller

#### **Wickepin Wallabies:**

Wallabies 27 def Williams 5, 16. What a fabulous hard fought game! It was really anyone's game until the last quarter when the Wallabies came home with a bang!! We only had 7 players (boys were playing football) so everyone had to dig deep and work hard – evident by the red faces at the end of the game. Taylor intercepted all over the court, Lexi kept her opposition players working hard, Jorja shone in the goal circle both attacking and defending, Hayley starred in defence, Jordée made fabulous leads at the centre pass and team Steere, Abbey and Tyler worked magic in goals – the passes in to the goal circle were spot on! A huge thank you to the Pike family – Bailee for sitting the sidelines in case of injury and Griffin for umpiring. Keep it up team!

Coach – Jo Doncon

## **Round 12 – 4<sup>th</sup> August**

Round 12 games on 4<sup>th</sup> August were all cancelled due to the rain on the Friday and the leaking roof at Narrogin causing wet courts. The junior games will result in a draw and the senior games are being rescheduled to play at other dates this month.

***The Wickepin Netball Club will be hosting the Pingelly Netball Club this Sunday 12<sup>th</sup> August in Wickepin and encourage supporters along to these home games starting from 1pm.***

***Thank you to our sponsors for this upcoming home round –***

***Ken Mutton and Ken Martin***

***We greatly appreciate your contribution and support of our Club!***

A bloke is driving around the back blocks of Brisbane near where Mary lives and he sees a sign in front of a broken down house: 'Talking Dog For Sale.'

He rings the bell and Mary appears and tells him the dog is in the backyard.

The bloke goes into the backyard and sees a nice looking Labrador retriever sitting there.

"You talk?" he asks. "Yep," the Lab replies. After the bloke recovers from the shock of hearing a dog talk, he says, "So, what's your story?" The Lab looks up and says, "Well, I discovered that I could talk when I was pretty young. I wanted to help the government, so... I told MI 5.

In no time at all they had me jetting from country to country, sitting in rooms with spies and world leaders, because no one figured a dog would be eavesdropping."

"I was one of their most valuable spies for eight years running... But the jetting around really tired me out, and I knew I wasn't getting any younger so I decided to settle down. I signed up for a job at the airport to do some undercover security, wandering near suspicious characters and listening in. I uncovered some incredible dealings and was awarded a batch of medals. I got married, had a mess of puppies, and now I'm just retired."

## ONE MEAL BETWEEN TWO

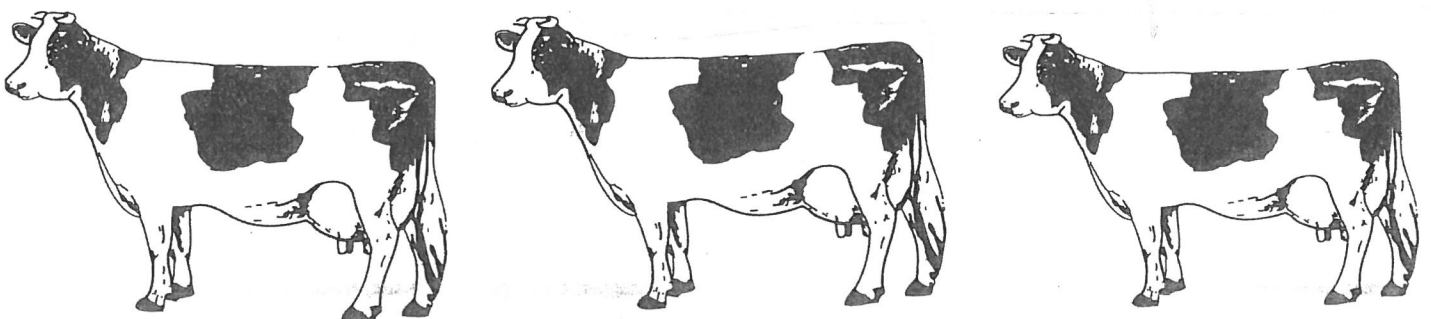

An elderly couple enter a Hungry Jack's and order one Whopper combo meal. The man unwrapped the burger and carefully cut it in half, placing one half in front of his wife. He then carefully counted out the french fries, dividing them into two piles and neatly placed one pile in front of his wife. He took a sip of the drink, his wife took a sip and then set the cup down between them. As he began to eat his few bites of hamburger, the people around them were looking over and whispering. The onlookers were thinking, "That poor old couple...all they can afford is one meal between the two of them." As the man began to eat his fries, a young man came to the table and politely offered to buy another meal for the old couple.

The old man said, they were just fine, they were used to sharing everything. People closer to the table noticed the little old lady hadn't eaten a bite. She sat there watching her husband eat and occasionally taking turns sipping the drink.

Again, the young man came over and begged them to let him buy another meal for them. This time the old woman said, "No, thank you, we are used to sharing everything." Finally, as the old man finished and was wiping his face neatly with the napkin, the young man again came over to the little old lady who had yet to eat a single bite of food and asked, "What is it you are waiting for?" She answered, "THE TEETH!"

It is possible to lead a cow upstairs... but, not downstairs.
