WICKY LEAKS

Birthday wishes to Amelia Murray, Kate Wyllie, Keith Bushby, Rhys Angwin, Glenn Leeson, Ammers Miley, Stephen Rance.

Deepest sympathy to Rob and Bronwyn Dew on the recent passing of Rob's father, Wally. The funeral will be held in Narrogin on Friday morning.

The Wickepin P & C is looking for one more garden to showcase on our Open Garden day on Saturday 13th October. If you would like to help us out please contact Stefie Green by Friday 14th September - 0428 144 802.

Hazel Green is travelling to Carnamah on Saturday to watch her grandson Tighe Drayton play in the football grand final for Morawa.

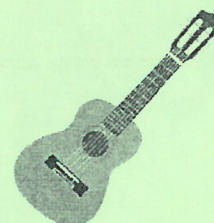

Congratulations to Kirsty Smith on recently being named Young Agronomist of the Year. Kirsty works for Landmark in Albany. Well done Kirsty.

For Father's day on Sunday, Dannielle Tilbrook and Jenny Kindred (Watson) came to visit their fathers. Sue Drayton (Green) came on Monday to visit her father. For those who remember Jenny as a little girl, her oldest son, Conor, turns 21 on the 10th September.

The Johnny Cash tribute show 'A boy named CASH' at Yealering was well attended and enjoyed by those who were there. Well done to Sarah Hyde and Susie McDougall who were both picked out of the audience to sing and take the part of June Carter for the duets, each performing a song with Johnny. They were referred to as Sarah June and Susie June. Also Dale Hill needs a mention as he danced all night and performed the 'worm' at the front of the stage. It was so great to see the Yealering hall rocking with great music.

TO ALL THE GREAT MUMS

I was out walking with my 4 year old daughter. She picked up something off the ground and started to put it in her mouth. I took the item away from her and I asked her not to do that. 'Why?' my daughter asked.

'Because it's been on the ground and you don't know where it's been, it's dirty and probably has germs' I replied. At this point, my daughter looked at me with total admiration and asked, 'Mummy, how do you know all this stuff? You are so smart.' I was thinking quickly. 'All mums know this stuff. It's on the Mummy Test. You have to know it, or they don't let you be a Mummy.' We walked along in silence for 2 or 3 minutes, but she was evidently pondering this new information. 'OH... I get it!' she beamed, 'So if you don't pass the test you have to be the daddy.' 'Exactly,' I replied back with a big smile on my face.

When you're finished laughing send this to a Mum

ADULT FICTION

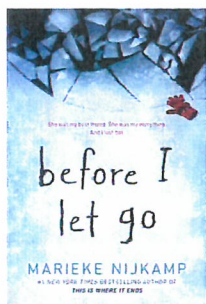

The Hoarder - Jess Kidd ~ MAUD DRENNAN - underpaid carer and unintentional psychic - is the latest in a long line of dogsbodies for the ancient, belligerent Cathal Flood. Yet despite her best efforts, Maud finds herself drawn into the mysteries concealed in his filthy, once-grand home. She realises that something is changing: Cathal and the junk-filled rooms, are opening up to her. With only her agoraphobic landlady and a troop of sarcastic ghostly saints to help, Maud must uncover what lies beneath Cathal's decades-old hostility and the strange activities of the house itself. And if someone has hidden a secret there, how far will they go to ensure it remains buried?

ADULT NON-FICTION

Remembering the Myall Creek Massacre ~ The 1838 Myall Creek Massacre is remembered for the brutality of the crime committed by white settlers against innocent Aboriginal men, women and children, but also because eleven of the twelve assassins were arrested and brought to trial. Amid tremendous controversy, seven were hanged. Myall Creek was not the last time the colonial administration sought to apply the law equally to Aboriginal people and settlers, but it was the last time perpetrators of a massacre were convicted and hanged.

YOUNG ADULT FICTION

Before I Let Go - Marieke Nijkamp ~ I put my head in my hands. And I break. I hurt more fiercely than I ever have before. I cry. I cry for the girl I used to know, who tried to help a world that didn't want to help her. I cry for the girl I used to know, who kept my heart in the palm of her hand. But most of all, I cry for the girl who used to be my world, who deserved to have the galaxy at her feet. I would give up every single star in the night sky to have another day with her.

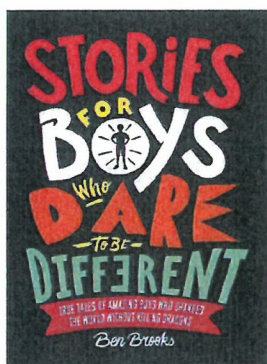

JUNIOR FICTION

My Grandparents Love Me - Claire Freedman ~ Warm from my bath and tucked in bed, I yawn, "I've had such fun!" "Us too," they smiled and kissed me 'night-night'.

"We love you, little one!" There's no love like that between a grandparent and a child. Celebrate the special bond in this fun filled picture book.

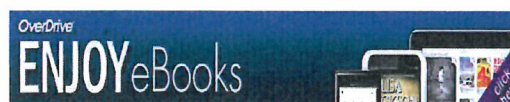

JUNIOR NON-FICTION

Stories for Boys Who DARE to be Different - Ben Brooks

~ An inspiring collection of 100 stories of famous and not-so-famous men from the past to the present day, who went on to make the world a better place through compassion, generosity and self-belief.

WICKEPIN POLICE STATION

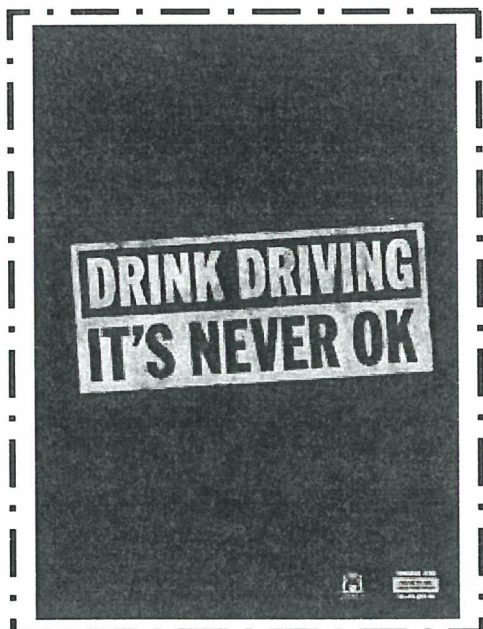

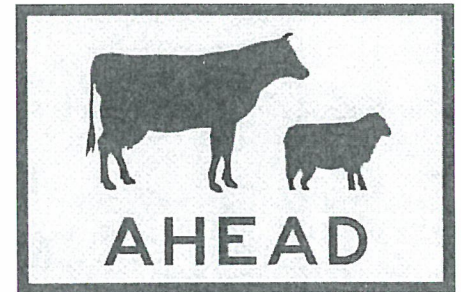

Stock Crossings and Stock Droving

With recent traffic accidents within the Shire relating to the movement of stock across our roads how many of you know the rules and regulations surrounding stock crossings and droving of stock?

Please be mindful that if a traffic accident occurs as a consequence of stock movement and there is a police investigation, if your signage is not correct, then you could be a causal factor of the accident resulting in possible damage claims against you and court prosecution.

The below link, even though a little long, will take you directly to the Main Roads web page on stock crossing and droving regulations.

<https://www.mainroads.wa.gov.au/BuildingRoads/StandardsTechnical/RoadandTrafficEngineering/RoadsideItems/StockCrossings/Pages/PartCTechnicalGuidelinesStockCrossings.aspx>

Wickepin Police would like to remind you that they have a ZERO tolerance approach to drink driving. In Western Australia if you are caught with a blood alcohol content of 0.08 or higher you will be immediately disqualified from driving.

Is it worth the risk for that short walk home?

Part Time Cleaner Required

Wickepin Police are looking for a part time cleaner to keep our police station spick and span. The hours are 3 hours per week, which can be spread over several days. The cleaning can be carried out anytime between 6am and 7pm Monday to Friday.

If you are interested please contact the Officer in Charge Sergeant Andy Brown on 9888 1100 or at wickepin.police.station@police.wa.gov.au

Spring is here!
A glorious time to be in the garden
Weeding, planting, fertilising,
mulching & relaxing!!!

Lemon Chicken

The secret to this lemon chicken recipe is the marinade:
it offers the perfect balance of citrus and savoury flavours

Ingredients

- 6 (about 120g each) free-range chicken breast
- 1 tablespoon fresh rosemary leaves
- 2 garlic cloves, chopped
- 1 eschallot (shallot), finely chopped
- Juice and zest of 1 lemon
- 1/2 cup extra virgin olive oil

Method

Place chicken in a shallow dish. In a separate bowl, combine rosemary, garlic, eschallot and lemon rind and juice. Whisk in the olive oil, then pour over the chicken. Cover and leave to marinate in the fridge overnight.

Preheat the oven to 180°C.

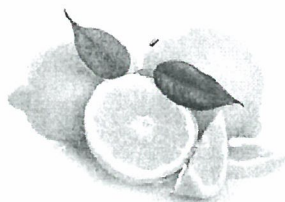

Remove the chicken from the marinade, place on a lightly greased roasting tray and bake for 25 minutes or until cooked through.

Meanwhile, place marinade in a saucepan and whisk over low heat until slightly reduced and thickened.

Serve chicken with the sauce, the herb garden salad and couscous salad.

Lemon Curd

Ingredients

- 2 eggs, plus 2 egg yolks
- 3/4 cup (165g) caster sugar
- 1/3 cup (80g) chilled unsalted butter
- Zest and juice of 2 lemons

Method

Whisk whole eggs, yolks and sugar in a saucepan until smooth, then place pan over a low heat. Add the butter, juice and zest and whisk continuously until thickened. Strain through a sieve into a sterilised jar. Lemon curd keeps, covered, in the fridge for 2 weeks.

Gardening tips

A few tips for sustainable gardens.....

- Use deciduous plants to shade the westerly side of the house which can reduce the internal temperatures considerably. Grapevines are an ideal choice as they are fast growing and have the added bonus of fruit. If fruit is not required use the ornamental variety.
- Apply controlled-release fertilisers which release gradually through moisture and temperature. There is minimum wastage as the nutrients are absorbed by the plants as they are released.
- When deciding what to plant in your garden go to the Water-wise plants for WA list which is on the Water Corporations website.
- Improving soil is the most effective way to save water. Adding organic matter compost or soil improver will hold water around the plant roots, where it is needed

WICKEPIN NETBALL CLUB

Round 15 & first final – 24th August & 1st September

Seniors:

Wickepin Warriors A1: 24th August

What a tough last fixtured game against the undefeated Pingelly side. The team came out strong leading by 1 at end of first term. Pingelly matched us and etched away over the next 3 terms. Final score Wickepin 44 defeated by Pingelly 52. We welcomed back Helen from her overseas travels and Michelle from injury. Katie and Mel shot well and moved so efficiently in the goals, unfortunately the only thing that beat us was height in rebounds. Kelly, Danni, Carly, Michelle and Mel all contributed to a solid mid court. And Helen and Emily held strong against a tough goal line in the first terms before Kelly switched into defence and Helen moved out into goals. Whilst it's the final score that brings points, from the sideline the competition was evenly matched, with many turnovers on each team's behalf, unfortunately Pingelly just converted more than we did!

A bloody ripper last fixtured game ladies in true Warrior spirit!

Wickepin Warriors: Semi Final

After a wait to see whether we placed in the top 4, we took on the rivals in Williams to fight for a spot in the preliminary finals. A tough game and one unfortunately not in our favour with the end score Williams (57) to Wickepin (40). We started strong and held with them until half time, before they edged away from us.

First time with the whole team since round 3. A huge effort by all the ladies, and a remarkable end to the season given all our injuries and vacancies throughout.

Fingers crossed for less injuries and to go the extra mile in 2019. Thank you team for a great season!

Coach Hyde

Wickepin Red A2: 24th August

Round 15 and for A2, a win secured a spot in the finals.

The girls were focused, held their heads high and got the job done. We controlled the game for 4 quarters, beating Waves by 7.

Thank you to Marion for stepping up again this week.

Wickepin Red A2: Semi Final

From where we started to our last game today, all the girls should feel extremely proud!

Susie and Hilary had Wagin shooters covered all game, Sarah and Lew created space through the mid, Flik's positioning and feeding into goals was on point, Zen fought hard and applied one on one pressure in WD, Jo and Megan passed, moved and shot so well, keeping Wagin defence on their toes.

It was a great fight by all but unfortunately went down by 4.

Congratulations on a great season and after finishing so strong, I'm excited for next season.

Thank you for a great year.

Coach Davey

Wickepin White A3:

Round 15, Wickepin White played Flames 2, this was a hard fought game from the first whistle, Wicky never gave up and fought very hard for every ball, this was a great team effort with players needing to play different positions with the team being short of players.

Final score Flames 28 Wickepin 14.

Wickepin White A3: Semi Final

Wickepin White played Williams, Wickepin should be very proud of themselves, they really stepped up and put the pressure on for the whole game, everyone played so well and combined well as a team. Even though we didn't win the girls know they put everything into the game and it was a good way to finish the season knowing they had tried their hardest. Final score Williams 33 and Wickepin 26.

Coach Hook

Juniors:

Wickepin Wallabies:

Wallabies 41 def Flames Falcons 1. What a fabulous way to end the season. The first quarter playing our regular positions got us out to a 16 - nil lead, and then it was a bit of fun trying out new positions for the rest of the game. Well done to everyone on a great game, and a great season. The Wallabies were a very competitive team and I hope you've all had fun along the way. Thanks to all the parents who have helped out this year. Thanks to the extra spectators we had and to Griffin for umpiring.
