Looking for someone who knows how to play Mahjong and is willing to teach others how to play. Please call Janet on 0499 949 344.

On Sunday 21st July the AOOB (Old Bastards) of KULIN held their AGM and giving out of money. As usual Wickepin featured prominently in the list of donations.

The three Wickepin Sub-Centre ambulances received \$800 each to go towards the up-grading of the defibrillators and the Wickepin Primary School received \$500 towards their much needed funds.

This small club managed to donate about \$30,000 this year towards many diverse causes as they do each year.

Phil Watson and Hazel Green were able to represent Wickepin at the AGM breakfast on Sunday to collect the cheques. Phil has been a member of the OB's since the days that he drove a 1971 Falcon in the September rally each year.

Rick Olsen and Colin Marsh were also long term members.

Dave and Charlotte Astbury travelled to Bunbury for the weekend to attend an Astbury reunion at the Eaton Bowling Club on Saturday. There was a good group with locals from the Wickepin area, Bunbury area, Metro area and others having an enjoyable day.

Ruth Bailey and John Menegola travelled to Perth to meet Ruth's newest great grandson, Connor Andrew, Stevie and James's son, brother for Riley. Ruth then went to Albany for a weeks holiday, coming back Sunday.

Phil Watson would like to thank family and friends who attended his birthday do on Saturday 13th at the Wickepin Sports Club.

Thank you to Janet who kept our thirst under control for the whole evening.

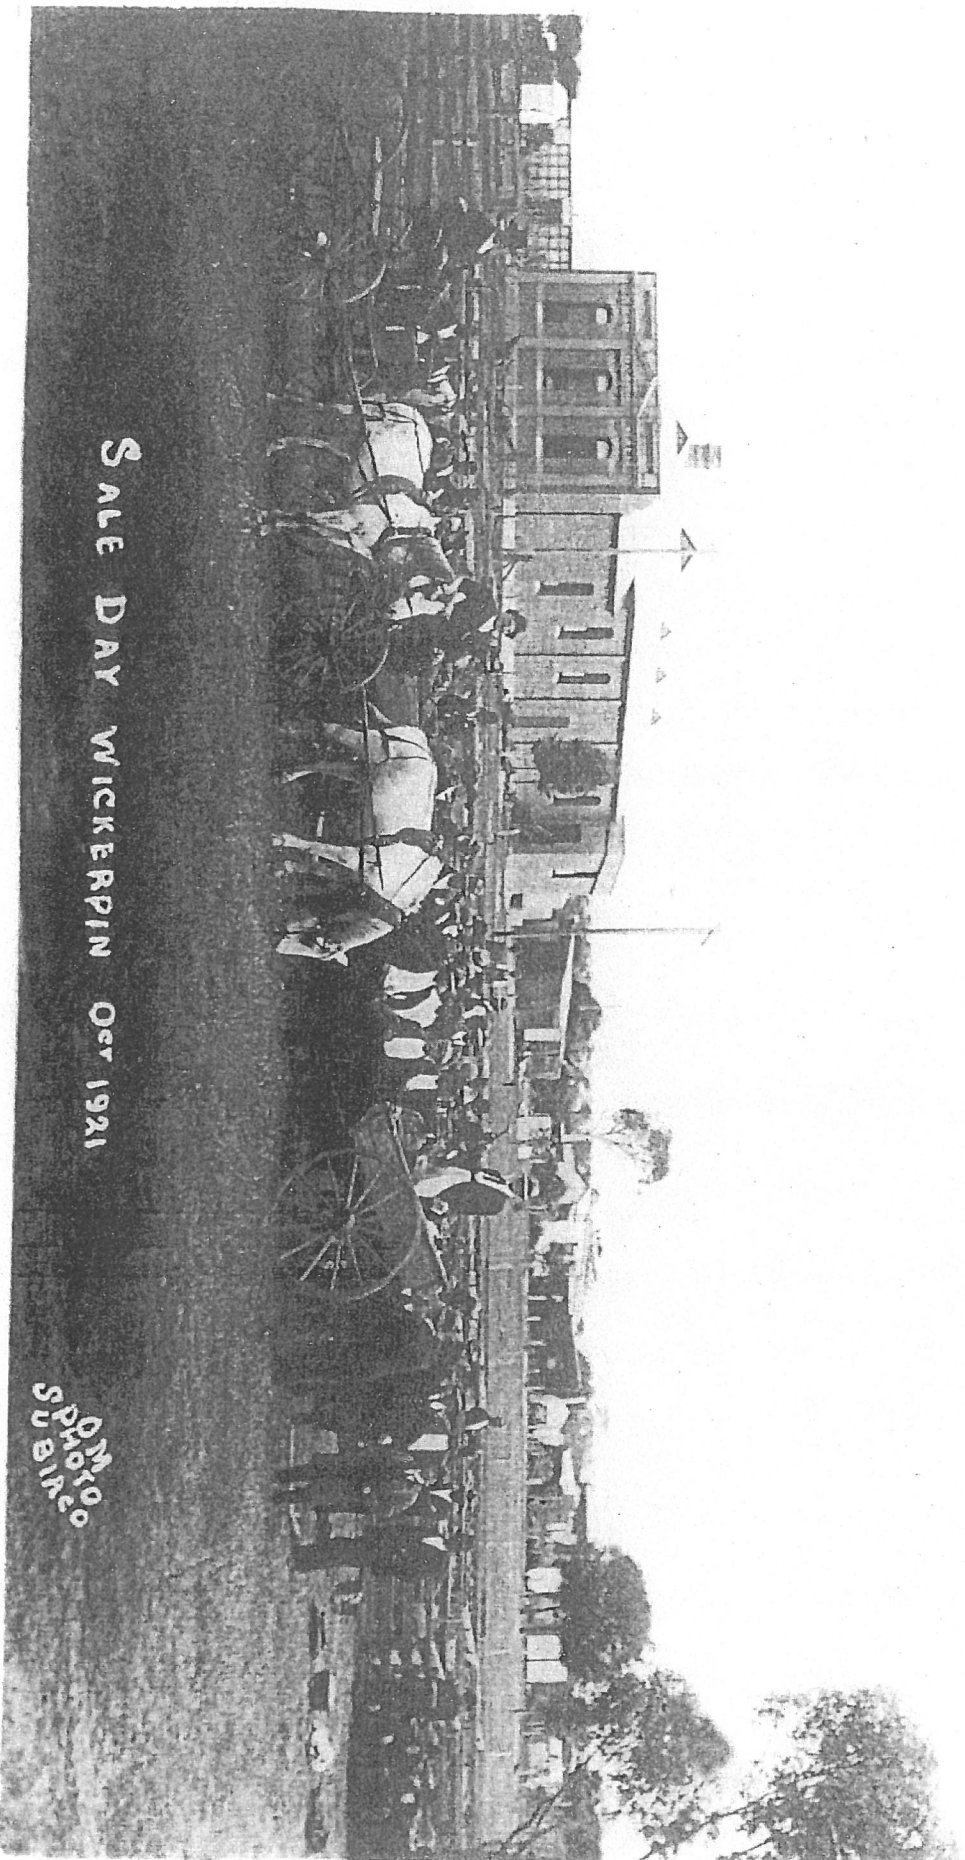

Thank you to Melissa, Jenny, Jill, Irene and Hazel for supplying the food.

The biggest thank you goes to Chris Holmes and Carmen for sorting out the kitchen and doing a wonderful job presenting the food to us all and cleaning up afterwards.

When Strangers Meet.

On a recent visit to Wickepin, former resident Greg Leeson decided to tend to the graves of his parents.

When he arrived at the Wickepin Cemetery a party of six was doing some maintenance on another grave. One of that party asked Greg his connection to the area and it was established that the man who had asked was Robert McNabb, who now prefers to be called Rob. The two men had been classmates at the Wickepin Primary School between 1954-1960 and had not seen each other since.

Unfortunately they could not have a very long conversation as Rob had to rejoin his relatives, but during the chat, one of our teachers, Mort Kuhlmann was mentioned.

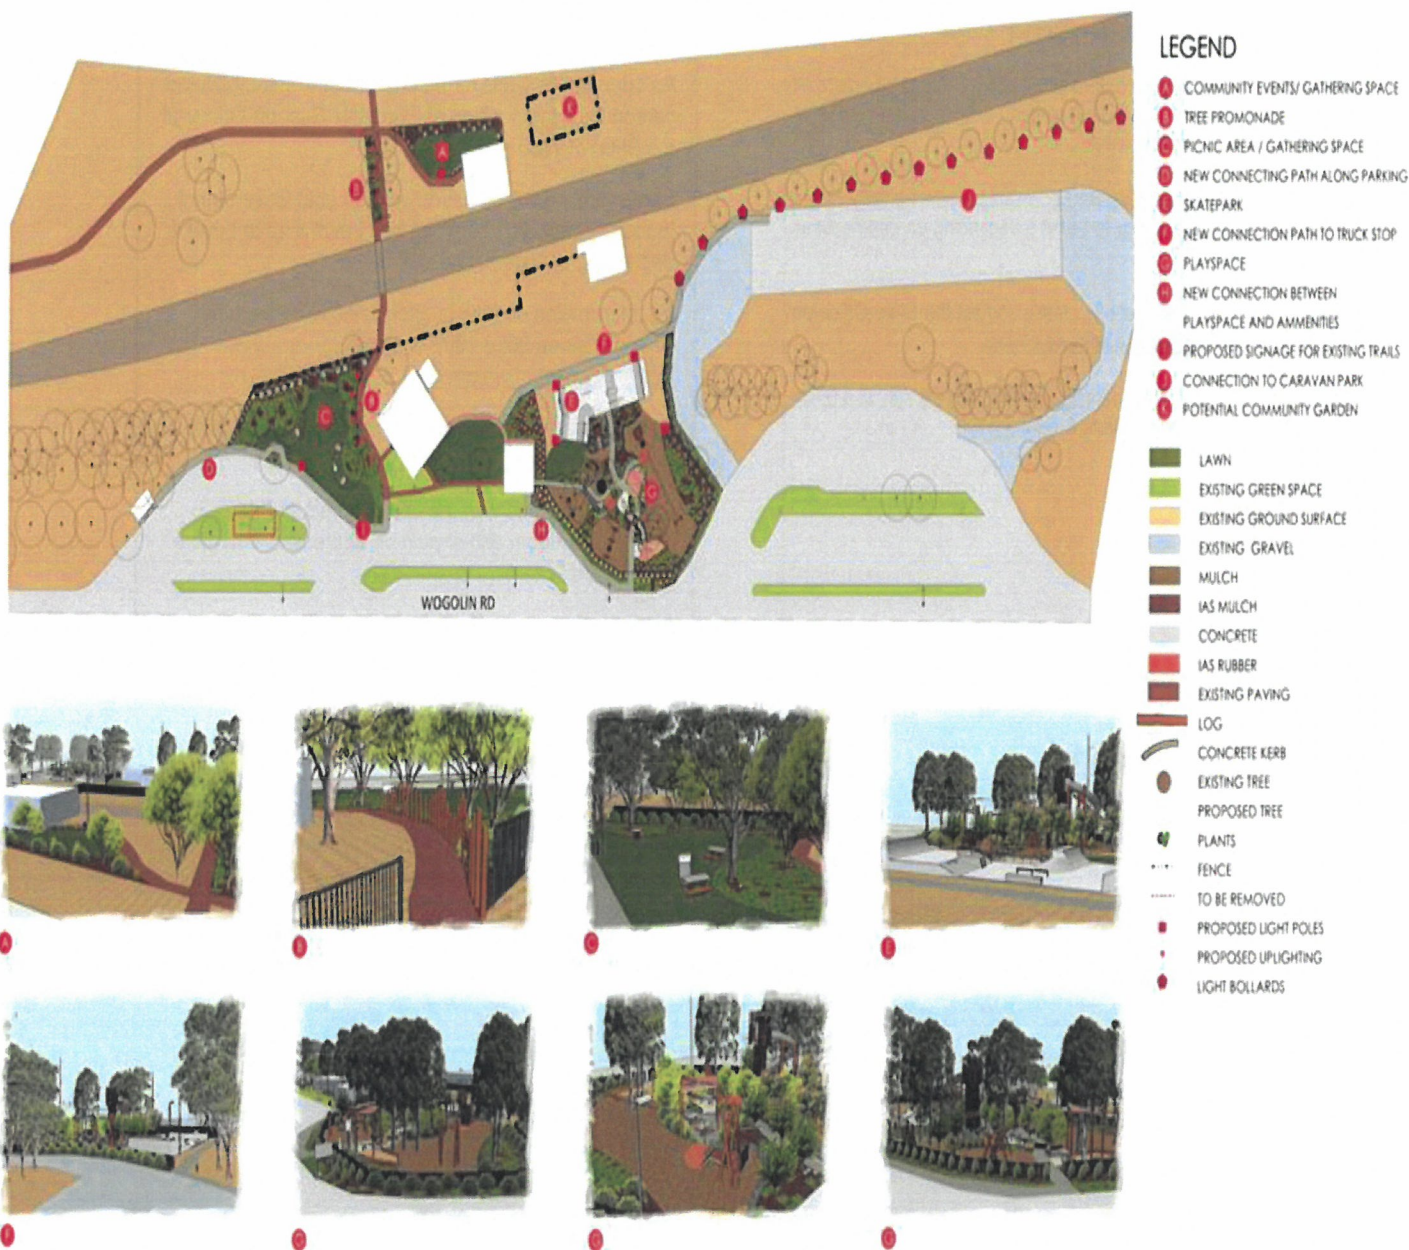

On the 17 of July Greg briefly met Mort in Narrogin and was able to pass the above story on.

Plants for free!

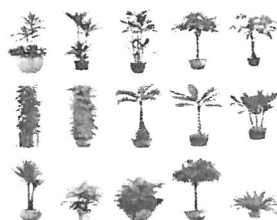

In a Nutshell....

*Plants for Free can be done at any time of the year,
depending on the cutting you are working with.*

In a Nutshell, It's not that hard to do.

1. Water your "Mother" plant the day before if possible
2. Select strong, disease free stems and each cutting should be long enough to have one "Node" above the ground and at least one, preferably more, "Nodes" below the ground when potted. (A "Node" is the growing point from where leaves and shoots originate)
3. Trim the top of the cutting to "just above a node" and trim the base to "just below a node".
4. Gently strip the cutting of leaves from lower half, and if the top leaves are large, then cut them in half to prevent moisture loss and force energy to the bottom to form shoots.
5. Dunk cuttings in a very weak solution of vinegar or bleach for 10-20 minutes before planting to kill fungal spores and reduce infections.
6. Dip base in honey or hormone powder to encourage faster root development.
7. Plant in pot with potting mix, using a stick to make a hole, thus preventing wounds (and infections) to the cutting by just "pushing" it in.
8. Water in and cover with plastic bag, or a plastic water bottle with the neck cut off. This prevents drying out whilst the roots develop.
9. Watering should not be needed as long as mix stays "just moist".
New growth should appear from 4-8 weeks (some take longer), when you can open the bag to reduce humidity and "harden off" your new plant, ready for potting on into a bigger pot, or into your garden.

Easy plants to try now-

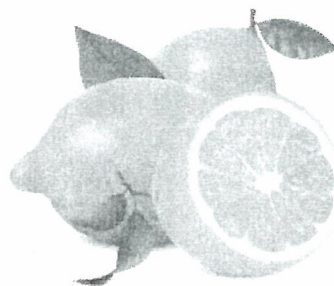

Ornamentals- abelia, azalea, choisya, geranium, hydranga, hebe, hibiscus, indian hawthorn, muraya

Natives- cordyline, correa, lily pilly, tea tree, westringia,

Herbs- lavender, lemon verbena, rosemary

Edibles- citrus, passionfruit

Plentiful Lemons

Lemon Chicken with Basil and Linguine

grated zest of 1 large lemon

2 garlic cloves

2 tbsp basil flavoured extra olive oil

4 tbsp freshly chopped basil

salt and ground black pepper

500g skinless boneless chicken breast

1 onion, peeled finely chopped

3 celery stalks

1 1/2 cups mushrooms

2 tbsp plain flour

2/3 cup white wine

3/4 cup chicken stock

500g linguine

Method

Blend the lemon zest and juice, garlic, 2tbsp basil and salt and pepper in a large bowl. Add the chicken, chopped in bite size pieces and toss well. Allow to stand for 1 hour, stir occasionally. Heat the remaining oil in a large non-stick frying pan, then add the onion and cook for 3-4 minutes until slightly softened. Using a slotted spoon, drain the chicken pieces and add to frying pan, reserve the marinade. Cook the chicken for 2-3 minutes until golden brown, then add the trimmed and thinly sliced celery, and halved mushrooms and cook for another 2-3 minutes.

Sprinkle in the flour and stir until chicken and vegetables are coated. Gradually stir in the wine until a sauce forms, then stir in the stock and reserved marinade. Bring to boil, stir constantly.

Bring a large saucepan of lightly salted water to the boil, add linguine and simmer for 7-10 minutes until *al dente*. Drain well and turn into large serving bowl, pour over the sauce and garnish with lemon zest and fresh basil leaves. Serve immediately

Lemon Culinary Tips

Marinade Meat

If you have tough, chewy meat then you can marinade it in lemon juice overnight. The juice will break down muscle tissue, making the meat much more tender. The flavour enhancing lemon will also add to any meat dish, especially those using chicken or lamb. Try using a marinade of lemon juice, olive oil and oregano for barbecue meat.

Make sour milk

To make sour milk or sour cream, squeeze a little lemon into fresh milk or cream.

Whip Cream

When whipping cream just won't whip, add a few drops of lemon juice to solve the problem.

Soften Brown Sugar

Add lemon peel, making sure that all the pith and pulp have been removed to brown sugar. It will help keep the sugar moist and easier to use or blend.

Keep Lettuce Crisp

Lemon juice can be used to stop lettuce from going limp or browning after it has been cut. To revive lettuce drop it into a bowl of cold water that has had the juice of half a lemon added. Put the bowl onto the refrigerator for an hour and the lettuce will be fresh and crisp again.

Lemon Curd

125g unsalted butter

juice and zest of 3 lemons

1 cup caster sugar

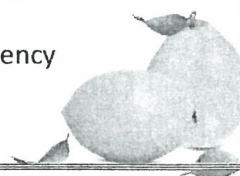

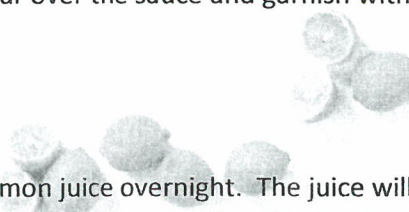

6 egg yolks

Lemon curd is a useful addition to a number of recipes.

Melt butter in a saucepan and whisk in lemon juice, zest and sugar.

Add the egg yolks and whisk until mixture is smooth.

Continue to heat and stir for up to 15 minutes until the consistency will coat a wooden spoon, but do not allow to boil.

WICKEPIN FOOTBALL CLUB

BUDGET NOTES ROUND 10

Welcome to football followers, Hawks players and supporters to Saturday Football in Wickepin.

Last week we were at Pingelly with 3 great games of football, Our sponsors were McWhirter & Leong Accountants, with Bubsie Evans in charge, who has the motto "play hard work hard" and he excels in both forms, so for all your taxation and accounting needs call the vertically challenged man on 98811499, Our other sponsor was the newly formed "Broadacre Auto Electrics", Give little freckle a call on 0475521563, for all you auto electrical sparky work, Thanks to both sponsors.

The D graders kicked the day off against a bigger BP outfit and even though outsized, tried valiantly all day, "A" for effort, keep that up and a win will not be far away, Award winners were Ella Hann, Abby Steere and Jaxon Smith, with Will Lansdale kicking all our goals.

The B Grade needed a victory to keep in touch with the top 4 and got away to a great start even though inaccurate with the breeze, Chad was teaching the old fella sticks, how to tap ruck, Tyson was showing veteran Miller how to rebound of halfback While Wade and Busso have obviously been to the Simon Duckworth kicking school with their accuracy, We had 17 scoring shots to 6 and won by 1.12, and now sit equal 4th.

Awards went to Chad for his ruckwork and Carey like skills at CHF, Regan/Carter for their crumbing work around packs, Tangles for his 2nd, 3rd and 4th efforts and Tyson for his rebounding of half back.

The league side coming off a 3 point victory when we last played BP, had to put their best foot forward, our pressure was 1st rate early taking a 12 point lead into ¼ time, with a bit of drizzle around our ball movement had to be good and was resulting in a 5 goal to 1 2nd term, with an 8 goal to 3 second half, we came away with a surprising 67 point margin, Dion after seeing stars early decided to get leather poising with a 40 plus disposal game, 5 Goals to Dion 3 to Plugga and 2 each to Man mountain Crouch and the goal kicking Schoey. The back 6 have been outstanding all year and continued in fine fashion. Top award went to Cam for his job on Leroy restricting him to a hand full of possessions, 2nd to Kimmy Schoey with 2 goals and 39 touches and the 3rd award to Kenny at CHF, Kenny saved his wrestling for the post match in the Yealering Hotel. Tanya, staff and Steve entertained the locals back at the Yealering Hotel with an entertaining night, with Ty's tradies extremely late for work on Monday.

Tonight sees the Coonack Cup back in action after being suspended for 3 years, have a great night. Bid up Big and enjoy, even tap beer will be available, Thanks Kenny and your little helpers.

Next weekend is the annual Wesfarmers carnival, so if you need your footy fix head to Joondalup on Friday and Bassendean on Saturday, to cheer the boys on.

Have a great day at the footy and "Belt Up" on the drive home.
